The City of El Cerrito serves our diverse community by providing exceptional services that create a safe and resilient future for all.

Financial Advisory Board

Agenda Item No. 7.A.

Date: June 17, 2025
To: El Cerrito City Council
From: Financial Advisory Board
Subject: Receive and File Board Recommendation

ACTION PROPOSED

Receive and file the following recommendations from the Financial Advisory Board.

POLICY

Pursuant to City Council [Resolution 2024-16](#), Section 4, Advisory Body Recommendations shall be provided to the City Council on the consent calendar as a “receive and file” and if a member of the City Council wishes to further discuss any recommendation received, it may be requested as an agenda item at a future meeting.

RECOMMENDATIONS

On May 27, 2025, the Financial Advisory Board voted on the following recommendation(s) to the City Council:

1. Regarding the previous FAB recommendation for the General Fund Budget, the Financial Advisory Board recommends that the City Council:
 - a. Annually adopt a General Fund Budget that sets aside two percent of the (current) General Fund's operating expenditures to cover mid-year expenses or one-time needs.
 - b. The FAB recommends that the City Council place this recommendation as a Policy Item for discussion.

Moved/Second: Vice-Chair Carvel/Member Szlatenyi. **Ayes:** Chair White; Vice-Chair Carvel; Member Szlatenyi; **Noes:** Member McDougall **Absent:** None
Youth Member: Watson-Lamprey Singer expressed support for the action.

ASSOCIATED WORKPLAN GOAL(S)/AREA(S) OF RESPONSIBILITY

1. [Work Plan Goals](#)
2. [El Cerrito Municipal Code 2.04.300 Financial Advisory Board](#)

There shall be a financial advisory board consisting of five members who reside in the city and have demonstrated expertise in financial management, accounting, fiscal analysis, computer applications, economic analysis or related skills.

The financial advisory board shall have the powers and duties stated below, and such other duties and the council shall decide:

1. To conduct a review and make recommendations on the proposed annual budget and long -term financial plan for the city and all component units to assist the city council in making decisions on major expenditures and revenue sources, and to include a review of city council compensation consistent with county-wide recommendations included in Contra Costa Grand Jury Report No. 1104.

Attachment(s):

1. Rationale for Recommendation

From: David Carvel <[REDACTED]>
Sent: Saturday, May 31, 2025 12:22 PM
To: Crystal Reams <CReams@ci.el-cerrito.ca.us>
Cc: kimberly white <[REDACTED]>
Subject: FAB Recommendation for 6/17 meeting

Caution! This message was sent from outside your organization.

[Allow sender](#) | [Block sender](#)

Recommendation: We recommend the council agendize an item to discuss the FAB's guidance around budgeting for future one-time expenditures.

Rationale:

- At the 5/20 City Council meeting, the FAB recommended the City Council consider setting aside an additional 2% of its budget to cover one-time expenses. Some Councilors wanted to discuss this but, since it was on the consent calendar, no meaningful discussion could be held. Agendizing an item will allow the Council not only to discuss the FAB's 2% request but also engage the FAB members in a short discussion on our recommendation.
- The 2% suggestion came about as the FAB has noticed that, often, there are one-time requests totaling ~\$1-2M each year. Rather than set a budget and then fall short when these one-time items emerge, the FAB suggests that the Council engage in more thoughtful budgeting. Hence, the recommendation to set aside 2% of the budget to cover these one-time expenses, should they arise (we all know they will).
 - '24-25: \$1M
 - Would it be possible to for staff to send us a summary of the amount of one-time expenses each year for the last 5 years by 6/17 (we would like to have this backpocket as a reference we can use at the meeting)?
- Also, in regards to budgeting, the FAB feels that the City is not fully taking into account (and budgeting for) the replacement cost of major items. For example, we have seen recent one-time expenses for items such as a police car, fire truck, pool replacement, and self-contained breathing apparatuses. The FAB would like to discuss with the Council, the idea of setting aside funds each year to cover the future cost of replacement (e.g. if we need a new fire truck in 20 years and it costs \$1M, we would like the city to set aside \$50K per year ($\$1M / 20$) to account for these items gradually rather than taking a massive hit in a one-time expense line).
- We also wish to discuss why the City Council is proposing a deficit budget of \$5M for FY25-26. We would like to discuss how the City plans to fill this deficit and whether they plan to adopt an unbalanced budget.

AGENDA BILL

Agenda Item No. 7.B.

Date: June 17, 2025
To: El Cerrito City Council
From: Holly M. Charléty, City Clerk, City Management
Subject: Board, Commission, and Committee Workplan(s) and/or Accomplishments

ACTION PROPOSED

Receive and file adopted workplan(s) and accomplishments from applicable Boards, Commissions, and Committees of the City.

- Arts and Culture Commission
- Human Relations Commission
- Environmental Quality Commission
- Committee on Aging

BACKGROUND/ANALYSIS

[Resolution 2024-16](#), Section 3, adopted by the City Council on March 21, 2024, implemented procedures by which City of El Cerrito Boards, Commissions, and Committees (Advisory Bodies) adopt a two-year workplan. The workplan shall be developed within the Advisory Body's scope of responsibility and be aligned with the City's adopted Strategic Plan. The workplan shall be adopted by the Advisory Body (and posted on the Advisory Body website) no later than July 1st of applicable years. The workplan shall also include a section to provide annual accomplishments of the Advisory Body which shall be updated and posted annually by July 1st. Subsequent to adoption by the Advisory Body, the workplan and/or accomplishments shall be transmitted to the City Council on consent as a received and file item. The applicable advisory body chair(s) or designee(s) shall be in attendance at the meeting.

This item includes transmission of the following item(s):

- Arts and Culture Commission Workplan (FY25/26-26/27) and Accomplishments (FY24/25)
 - Chair: Renée LeVesque
 - Staff Liaison: Will Provost, Assistant to the City Manager
- Human Relations Commission Workplan (FY25/26-26/27) and Accomplishments (FY24/25)
 - Vice - Chair: Champagne Brown
 - Staff Liaison: Shannon Bassi, Human Resources Manager

- Environmental Quality Committee Workplan (FY25/26-26/27) and Accomplishments (FY24/25)
 - Chair: Fred Bialy
 - Staff Liaison: Christina Leard, Management Analyst III
- Committee on Aging Accomplishments (FY24/25)
 - Chair: Dr. Pansy Wong
 - Staff Liaison: Bridget Cooney, Recreation Supervisor

City Manager's Office

**BIENNIAL WORK PLAN
FISCAL YEAR 2025/2026 – 2026/2027****ARTS & CULTURE COMMISSION**

Chair Renée LeVesque;
Vice-Chair Ruth Cazden;
Members Courtney Helion, Kim Settles, and
Juno Rabinovici (Youth Member)

MISSION STATEMENT: It is the mission of the Arts & Culture Commission to advise the City Council of the needs of the artistic and cultural community; encourage and promote arts programs and events that engage community members and local businesses to build a flourishing and vibrant arts and cultural environment; provide advice to artists and arts/cultural organizations by sponsoring forums, programs, and events; carry out the Arts in Public Places program, and upon request, advise the City with respect to possible sources of funding.

HISTORICAL BACKGROUND: The Arts and Culture Commission (ACC) consists of up to seven members who demonstrate a commitment to various arts disciplines, including but not limited to fine arts, visual arts, performing arts, literary arts, art history, and arts education. The ACC is charged with oversight of the Arts in Public Places Program, which requires certain development projects to contribute 1% of construction costs to public art, and is responsible for acquisition, funding, and placement of public art in the City on public property. The ACC also juries the City Hall Gallery Space, located on the second floor of City Hall at 10890 San Pablo Avenue.

History as described in 2017-18 Workplan: In 2002, a group of citizens petitioned the El Cerrito City Council to establish an arts and culture commission. Their proposal included the idea of advising the Council on arts and culture within the City and collaboration with existing organizations within the community: "By establishing an art and culture commission the City of El Cerrito would be providing support and encouragement for the growth of all arts. We would be joining the greater Bay Area in dedicating our time and involvement to the promotion of arts, artists and varied arts programs that would enrich our community and enhance our city." In 2003, the City Council created the Arts and Culture Commission. In 2013, the Commission adopted an Arts and Culture Master Plan to shape a vision for arts and culture in the City of El Cerrito.

**BIENNIAL WORK PLAN
FISCAL YEAR 2025-2026 & 2026-2027
Human Relations Commission**

Interim-Chair: Champagne Brown

Members: Commissioner Mina Wilson, Commissioner Champagne Brown, Commissioner Diane Boodrookas, Commissioner Renee LeVesque, Student Commissioner Juno Rabinovici, Commissioner: Rebecca Curry

MISSION STATEMENT:

The Human Relations Commission develops positive human relations through education, encouragement of greater respect and understanding between people, their equal opportunity rights under the law and the recognition of the racial, ethnic, religious and cultural diversity of the El Cerrito community.

The purpose of the Human Relations Commission is to initiate educational and cultural programs, promote tolerance and mutual respect between all persons. When requested by the City Council, the Commission will evaluate and make recommendations regarding discrimination charges levied against the City, upon the direction of the council. Commission members shall be generally representative of the demographics of the City including the racial, religious, age, gender, ethnic, and other groups.

The goal of the Commission is to support positive human relations by promoting recognition, education, respect, understanding and appreciation of the rich diversity of our community. Contributing to the City's vibrancy, diversity is reflected in areas such as ethnicity, race, language, gender, sexual orientation, physical and mental ability status, religion, and age.

Enabling Legislation: E.C.M.C. 2.04.270

HISTORICAL BACKGROUND:

The Commission discussed the Historical Background section for the HRC, how the commission was established, and how it has evolved over time. With adoption of the workplan, the Historical Background was drafted at a previous meeting and subsequently inadvertently lost. In order to meet the July 1, 2025 workplan deadline set forth by City Council, the workplan is being presented without this portion fully completed. This section will be re-approved and incorporated by the Human Relations Commission at a later date.

BIENNIAL WORK PLAN FISCAL YEAR 2025/2026 - 2026/2027

Environmental Quality Committee

Chair **Fred Bialy**; Vice-Chair **Pamela Austin**; Members **Simrun Dhoot, Howdy Goudey, Heather Hayashi, Sean O'Connor, Eleanor Pilling-Chappelear (Youth Member), Sheila Tarbet**

Staff Liaison

Christina Leard | (510) 215-4338
cleard@ci.el-cerrito.ca.us
Public Works Department

MISSION STATEMENT: The Environmental Quality Committee's **mission**, as established by Resolution 2008-13, is the following:

- To serve in an advisory capacity to the City Council, staff, other boards, commissions, and committees, and the citizens of the City with regard to environmental quality issues within the City of El Cerrito;
- To recommend programs, policies, and ordinances to the City Council and promote the City's environmental quality efforts; and
- Promote and foster public awareness, education, interest and support for environmental quality efforts, foster volunteer opportunities, and educate El Cerrito citizens regarding environmental quality and issues relating to environmental impacts.

HISTORICAL BACKGROUND: Since the EQC's establishment in 2008, the committee's emphasis has cycled between public education, community volunteer organization, and environmental policy, but the general commitment to all forms of action envisioned for the EQC has remained consistent over time. The committee has also consistently maintained a high fraction of the 15-member capacity, with both long-serving members and a rotation of new members.

Recreation Department

ACCOMPLISHMENTS FISCAL YEAR 2024-2025

COMMITTEE ON AGING

Chair Dr. Pansy Kwong; Vice-Chair Mark Watson; Members Buddy Akacic, Linda Cain, Katherine Cesa, Carol Kehoe, Steve Lipson, Lisa Martinengo, Pamela Wagner, Bruce Yow

MISSION STATEMENT: The El Cerrito Committee on Aging was formed by City Council Resolution 3559 in June 1973 to advise the Council about the needs of older and/or disabled adult residents. The Committee on Aging addresses immediate concerns and issues concerning senior residents and adults with disabilities and addresses and supports the improvement of their quality of life. When appropriate, recommendations for action are made to the City Council.

The primary duties and purposes for which the Committee on Aging was established are as follows:

- To identify and establish regular communication with El Cerrito's older and/or disabled adults.
- To document needs of older and/or disabled adults living in El Cerrito and identify resources and benefits available from all agencies.
- To develop plans for programs that utilize the resource of talents among El Cerrito's older and/or disabled adults through volunteer opportunities for inclusion in the General Plan and other plans and programs as may be developed.
- To review and evaluate existing and proposed programs within their responsibility and make recommendations to the Council on City action and funding.
- To serve as liaisons with other interested and concerned groups.

HISTORICAL BACKGROUND: The members of the Committee on Aging are appointed by the City Council upon recommendation by the Committee. Membership is open to all interested adult residents of El Cerrito. Anyone wishing to join the Committee is encouraged to attend meetings so that they may become familiar with the members and activities of the Committee before making their decision to join.

The Committee's regular meeting date is the third Wednesday of the month. The meeting starts at 3 p.m. The Committee meets at the El Cerrito City Hall, Council Chambers, 10890 San Pablo Ave. The public is invited to attend the meetings. The Chair person and Vice-Chairperson are elected annually. The Committee on Aging does not meet in June, July, August or December.

Goal/Objective	Activities Supporting Goal	Status
<p>Share information and resources with seniors living in El Cerrito that support the various needs of the aging community, including health and wellness, support services, food instability, and transportation.</p> <p><i>Strategic Plan Goal: Livability and Belonging Community Safety Environmental Sustainability</i></p>	<p>Support Recreation Department Staff by distributing Senior Resource Fair flyers and information about the event with seniors and service providers in the community.</p> <p>Participate at the Senior Resource Fair by volunteering at the event.</p>	<p>Accomplished – October 2024</p> <p>On Friday, October 25, 2024, the Recreation Department Senior Services Division hosted a successful Senior Resource Fair with 42 vendors and over 200 seniors in attendance. City departments including Recreation, the City Manager's Office, Recycling, Police and Fire, participated, offering information and services. COA Members Akacic, Cain and Kehoe, volunteered alongside West Contra Costa Adult Education to promote Christ Lutheran and St. John's Senior Centers and support lifelong learning. COA Vice Chair Cesa and member Wagner also volunteered, helping promote city programs, services and the COA.</p>
<p>Recognize residents turning 100-years or older through the Mayoral Certificate of Recognition Program.</p> <p><i>Strategic Plan Goal: Livability and Belonging</i></p>	<p>In partnership with the City Clerk's office, Committee on Aging members submitted names of seniors living in El Cerrito who are turning 100-years old or older for recognition through the Mayoral Certificate of Recognition Program.</p> <p>Committee members shared names of additional Centenarian's to staff liaison as they became aware of seniors eligible for recognition.</p> <p>City Clerk maintains list of Centenarian's and sends to the Committee for verification quarterly.</p> <p>Committee members confirm residents on the list are still living in El Cerrito and report back on their findings.</p> <p>City Council recognizes Centenarian's quarterly.</p>	<p>Accomplished - FY 2024-2025</p> <p>Quarter 1 – Recognized 2 Centenarians Quarter 2 – Recognized 2 Centenarians Quarter 3 – Recognized 1 Centenarians Quarter 4 – Recognized 2 Centenarian</p> <p>This is an on-going program.</p>

<p>Improve communication and outreach to seniors living in El Cerrito by publishing and distributing a Committee on Aging Senior Snippets Newsletter.</p> <p>Strategic Plan Goal: Livability and Belonging</p>	<p>Committee on Aging members identify items of interest including upcoming events, programs, services, and activities for senior living in El Cerrito and compile a quarterly newsletter for distribution.</p> <p>Committee members cite all sources and provide contact information for seniors to get more information on all items included in published COA Newsletters.</p> <p>Committee members review draft newsletters and edit the content before approving for distribution.</p> <p>Staff Liaison prints COA newsletters once approved for publication and COA members pick up copies of the newsletters and distribute them to seniors in the community.</p>	<p>Accomplished - FY 2024-2025</p> <p>Published 4 COA Senior Snippets Newsletters</p> <p>Aug-Sept 2024 Oct-Dec 2024 Late Jan-Mar 2025 Apr-May 2025</p> <p>Approximately 200 COA Newsletters were distributed to seniors in the Community by COA three committee members.</p> <p>COA Newsletters were also posted on the City's website and posted on the community bulletin board at the Community Center.</p> <p>May 21, 2025 – COA passed a motion to discontinue publication and distribution of the COA Senior Snippets Newsletter.</p>
<p>Advocate for improved conditions and experiences for seniors using public spaces in El Cerrito.</p> <p>Identify City parks that lack adequate seating for older adults, and disabled residents using the space.</p> <p>Identify safety concerns including trip hazards in City Parks and on City streets.</p> <p>Strategic Plan Goal: Community Safety, Livability and Belonging</p>	<p>Develop an Age-Friendly Park Evaluation checklist to assess accessibility and safety for older adults.</p> <p>Conduct Park Assessments</p> <p>COA members will visit City parks to evaluate features impacting senior safety and comfort including:</p> <ul style="list-style-type: none"> • Trip hazards (e.g., uneven pavement, raised sidewalks) • Signage visibility • Handrail placement • Availability and condition of seating, drinking fountains and restrooms. <p>Collaborate with ADA Subcommitteeee</p>	<p>Accomplished – April 2025:</p> <p>Develop an Age-Friendly Park Checklist to assess the accessibility, safety and overall usability of City parks for older adults. The checklist includes criteria such as trip hazards, visibility of signage, condition of seating, drinking fountains, and restrooms.</p> <p>Accomplished – September 2024:</p> <p>Chair Dr. Kwong and Member Kehoe participated in two meetings of the City's ADA Subcommittee.</p> <p>Following the departure of Staff Liaison Marielle Cushing from the City, the ADA Subcommittee ceased meeting.</p>

	<p>Consult with the City's Public Works ADA Subcommittee to align recommendations with accessibility standards and ensure inclusivity for seniors and people with disabilities.</p> <p>Provide Recommendations Submit findings and improvement suggestions to the Park and Recreation Commission, City Council, City Maintenance Department and Recreation Department, focusing on enhancing safety and accessibility for seniors and all park users.</p>

AGENDA BILL

Agenda Item No. 7.C.

Date: June 17, 2025
To: El Cerrito City Council
From: Aissia Ashoori, Housing-Economic Development Manager, Community Development Department
Subject: Economic Development Committee Appointment

ACTION PROPOSED

Approve an Economic Development Committee recommendation to appoint Ahmed Qureshi, effective June 1, 2025.

BACKGROUND/ANALYSIS

Ahmed Qureshit has been an El Cerrito resident for 2 years. He is an entrepreneur and founder of a local healthcare business. His extensive experience in business development and operations pairs well with the EDC in supporting El Cerrito businesses.

The applicant has demonstrated their commitment to economic prosperity which is aligned with the mission of EDC. The Economic Development Committee voted unanimously to recommend the appointment of Qureshit at its regular meeting on May 19, 2025. If the City Council approves this recommendation, the number of committee members will be 9 out of a possible membership total of 15, as established by Resolution 2013-66.

STRATEGIC PLAN CONSIDERATIONS

This action supports the [City's Strategic Plan Goal](#) of:

- *Livability and Belonging*

AGENDA BILL

Agenda Item No. 7.D.

Date: June 17, 2025
To: El Cerrito City Council
From: Crystal Reams, Finance Director/City Treasurer, Finance Department
Subject: Monthly Disbursement and Check Register Report for May 2025

ACTION PROPOSED

Receive and file the Monthly Disbursement and Check Register Report for the month of May 2025.

BACKGROUND/ANALYSIS

California Government Code, Title 4. Government of Cities, Division 3, Part 3, Chapter 3, Section 41004 states, "Regularly, at least once each month, the city treasurer shall submit to the city clerk a written report and accounting of all receipts, disbursements, and fund balances. The city treasurer shall file a copy with the legislative body." In addition, the City's Comprehensive Financial Policy, Item 5.1 Accounting Standards indicates the City's accounting and financial reporting systems shall be maintained in conformance with all state and federal laws.

- Month ending May 31, 2025, reflecting 334 Accounts Payable General Warrant Nos. 92950 through 93283, 37 ACH/EFT transactions, and 916 payroll-related checks and EFTs for a grand total of \$6,136,885.87.

STRATEGIC PLAN CONSIDERATIONS

The City's Comprehensive Financial Policy, which includes ensuring policies, procedures, and systems represent best practices in financial management, is aligned with requirements referenced in California Government Code, Title 4, Chapter 3, Section 41004.

This action supports the [City's Strategic Plan Goal\(s\)](#) of:

- *High Performing Organization* by ensuring the City maintains a strong financial position and a high-performing organization where employees feel a sense of inclusion and belonging.

ENVIRONMENTAL CONSIDERATIONS

This section is not applicable to this agenda item.

FINANCIAL CONSIDERATIONS

There is no fiscal impact associated with acceptance of the Monthly Disbursement and Check Register Report.

LEGAL CONSIDERATIONS

This section is not applicable to this agenda item.

EL CERRITO CITY COUNCIL PROCLAMATION
Proclaiming recognition and support of Juneteenth on Thursday, June 19, 2025

WHEREAS, the first enslaved Africans were brought as captives to what is now the Commonwealth of Virginia in 1619 where they were bought and sold as slave labor for 250 years suffering unspeakable acts of violence; and

WHEREAS, President Abraham Lincoln issued the Emancipation Proclamation on January 1, 1863, declaring "that all persons held as slaves within the rebellious states are, and henceforward shall be free"; and

WHEREAS, the Emancipation Proclamation was the vehicle used to pass the 13th Amendment to the U.S. Constitution abolishing slavery in this nation on January 31, 1865; and

WHEREAS, on June 19, 1865, Major General Gordon Granger arrived in Galveston, Texas, announcing General Order Number 3 which ended both the Civil War and slavery; and

WHEREAS, June 19 is known as Juneteenth Day and is now celebrated in all 50 States and the District of Columbia as a special day of observance in recognition of the emancipation of all slaves in the United States, and in 2021 the Federal Government recognized Juneteenth Day as a Federal Legal Public Holiday which is observed in the City of El Cerrito; and

WHEREAS, our nation is facing a new reckoning as the legacy of sharecropping, Jim Crow, redlining and police violence against Black Bodies continues to pervade and permeate our society, institutions, and systems of law; and

WHEREAS, although the 13th Amendment provided for freedom, it also laid the groundwork for mass incarceration within the African American community by stating "Neither slavery nor involuntary servitude, except as a punishment for crime whereof the party shall have been duly convicted, shall exist within the United States, or any place subject to their jurisdiction"; and

WHEREAS, the Black community of El Cerrito held the first Martin Luther King Day March over 30 years ago when the City of El Cerrito refused to recognize the holiday and the community is proud that 30 plus years later, in collaboration with the City of El Cerrito, it is the longest continuously running MLK Day celebration; and

WHEREAS, the City of El Cerrito acknowledges the impact that this history of racism has had in shaping and continuing to shape our society, institutions, and systems of laws, fostering many of the current-day disparities in education, health care, housing, and employment.

NOW THEREFORE, the City Council of the City of El Cerrito does hereby recognize Thursday, June 19, 2025, as Juneteenth to acknowledge the historical significance of the day and commit to working toward the dismantling of institutionalized racism, and further, recognizes Juneteenth by flying the Juneteenth flag at City Hall June 18-20, 2025.

Dated: June 17, 2025

Carolyn Wysinger, Mayor

EL CERRITO CITY COUNCIL PROCLAMATION

Recognizing the importance of equitable access to local parks, trails, open space, and recreation facilities for the positive development of El Cerritans and all Californians

WHEREAS, Parks and Recreation ***promotes physical, emotional, and mental health and wellness*** through organized and self-directed fitness, play, and activity; and

WHEREAS, Parks and Recreation ***supports the economic vitality of communities*** by partnering with local businesses and non-profits, and offering events for public engagement; and

WHEREAS, Parks and Recreation ***creates memorable experiences*** through youth sports and enrichment activities, teen programs, senior activities and services, adult fitness, and enrichment programs, community events, and beyond; and

WHEREAS, Parks and Recreation ***fosters social cohesiveness*** in communities by celebrating diversity, providing spaces to come together peacefully, modeling compassion, promoting social equity, connecting social networks, and ensuring all people have access to its benefits; and

WHEREAS, Parks and Recreation ***supports human development*** and endless learning opportunities that foster social, intellectual, physical, and emotional growth in people of all ages and abilities; and

WHEREAS, Parks and Recreation ***strengthens community identity*** by providing facilities and services that reflect and celebrate community character, heritage, culture, history, aesthetics, and landscape; and

WHEREAS, Parks and Recreation ***sustains and stewards our natural resources*** by protecting habitats and open space, connecting people to nature, and promoting the ecological function of parkland; and

WHEREAS, Parks and Recreation ***supports safe, vibrant, attractive, progressive communities*** that make life better through positive alternatives offered in their recreational opportunities; and

WHEREAS, Parks and Recreation remains ***versatile and innovative*** in providing vital services to communities through local, national, or global emergencies, all while adhering to guidelines set forth by governing agencies; and

WHEREAS, The California Park & Recreation Society has released a statewide public awareness campaign, “**Parks Make Life Better!®**” to inform citizens of the many benefits of utilizing parks, facilities, programs, and services.

NOW THEREFORE, the City Council of the City of El Cerrito does hereby recognize the importance of access to local parks, trails, open space, and facilities for the health, wellness, development, inspiration, and safety of El Cerrito residents and all Californians, and further, declares the month of July 2025 as “Parks Make Life Better!®” Month.

Dated: June 17, 2025

Carolyn Wysinger, Mayor

AGENDA BILL

Agenda Item No. 7.G.

Date: June 17, 2025
To: El Cerrito City Council
From: Holly M. Charléty, City Clerk, City Management
Subject: Revisions to Citywide Records Retention Schedule

ACTION PROPOSED

Adopt a Resolution to approve an update to the Citywide Records Retention Schedule and rescind Resolution No. 2023-33.

BACKGROUND/ANALYSIS

The City's Records Retention Schedule provides legal authority to dispose of specified records that no longer have administrative, legal, fiscal, or historical value and are eligible for destruction by law. Retention schedules should be reviewed on a regular basis to ensure that all classifications of records are included and that all legal citations are current. The current Records Retention Schedule was adopted on May 2, 2023. Over the past several months, a comprehensive review with department staff and legal counsel was completed which has identified a need to add, remove, or revise some classifications of records, adjust the period of time certain records are retained, as well as add or modify some legal citations.

The following provides an overview of the proposed modifications:

- The document legend and reference on applicable record series, have been revised to include "PII (Personal Identifying Information)." This is to provide another means for staff to identify records that potentially contain protected information and ensure that they are properly stored and destroyed when eligible.
- Removal of certain record series that are identified as transitory records. Pursuant to the City's adopted Records Management Policy, this type of record has only transitory (short-lived) value as the information is used for a relatively short period of time. As the current policy does not require these types of records to be formally disposed of under the retention schedule, it is appropriate to remove these referenced record series.
- Remove references to formats in which records are stored, or specific software used. This information can quickly become outdated as processes and technology advancements are made, and is not relevant for the purpose of determining the amount of time the record must be retained.
- Clarity to certain descriptions of documents to increase ability for staff to identify documents that are retained under a given record series.
- Incorporation of new records related to recent legislation, such as a Workplace Violence Prevention Program.

- Removal of certain records that are no longer produced by the city, such as agenda materials for disbanded advisory bodies.

Pursuant to the [City's Administrative Policy](#) governing the Records and Information Management Program, the City Council is responsible for review and approval of the Records Retention Schedule. City Council's adoption of the proposed Records Retention Schedule (Attachment 2) will provide staff with the authority to identify and destroy records identified in the Records Retention Schedule, once they have been deemed to no longer have administrative, legal, fiscal or historical value. Pursuant to the Administrative Policy, destruction can only be completed upon written approval of the head of the department, the City Attorney, and the City Clerk.

STRATEGIC PLAN CONSIDERATIONS

This action supports the [City's Strategic Plan Goal\(s\)](#) of:

- *High Performing Organization*

ENVIRONMENTAL CONSIDERATIONS

This section is not applicable to this agenda item.

FINANCIAL CONSIDERATIONS

This section is not applicable to this agenda item.

LEGAL CONSIDERATIONS

Government Code Section 34090 provides that the agency's legislative body, by resolution and with the written consent of the city attorney, may give the head of a department authority to destroy certain records when they are no longer required. The Council's adoption of a proposed Records Retention Schedule provides this authority to staff to destroy those records identified in the Records Retention Schedule, with approval from the head of the department, the city attorney, and the City Clerk.

RESOLUTION NO. 2025-XX

RESOLUTION OF THE CITY COUNCIL OF THE CITY OF EL CERRITO ADOPTING A RECORDS RETENTION SCHEDULE AND RESCINDING RESOLUTION NO. 2023-33

WHEREAS, the City has an obligation to maintain and store records in accordance with government laws and regulations and accepted records management practices; and

WHEREAS, a records retention schedule is an agency's legal authority to dispose of official records that no longer have administrative, legal, fiscal or historical value and are eligible for destruction by law; and

WHEREAS, Government Code Section 34090 provides a procedure whereby City records which have served their purpose and are no longer required may be destroyed; and

WHEREAS, on May 2, 2023, by Resolution No. 2023-33, the City of El Cerrito adopted a Records Retention Schedule; and

WHEREAS, the City conducts periodic reviews of the Records Retention Schedule to ensure it is accurate as well as in compliance applicable regulations; and

WHEREAS, City staff, in consultation with legal counsel, has conducted a review of the existing Records Retention Schedule and identified areas that required revision.

NOW THEREFORE BE IT RESOLVED, that the City Council of the City of El Cerrito adopts the City's new Records Retention Schedule, Exhibit A, which is attached herein and made a part thereof.

BE IT FURTHER RESOLVED, that the City Council of the City of El Cerrito rescinds Resolution No. 2023-33 in its entirety. Rescinding Resolution No. 2023-33 shall have no effect on records destruction determinations or other decisions made pursuant to the Records Retention Schedule approved by Resolution No. 2023-33.

BE IT FURTHER RESOLVED that this resolution shall become effective immediately upon passage and adoption.

I CERTIFY that at a regular meeting on June 17, 2025 the City Council of the City of El Cerrito passed this Resolution by the following vote:

AYES: COUNCILMEMBERS:
NOES: COUNCILMEMBERS:
ABSTAIN: COUNCILMEMBERS:
ABSENT: COUNCILMEMBERS:

IN WITNESS of this action, I sign this document and affix the corporate seal of the City of El Cerrito on _____.

Holly M. Charléty, City Clerk

APPROVED:

AGENDA BILL

Agenda Item No. 7.H.

Date: June 17, 2025
To: El Cerrito City Council
From: Yvetteh Ortiz, Public Works Director/City Engineer, Public Works Department
Subject: SB 1 - The Road Repair and Accountability Act, List of Projects for Fiscal Year 2025-26

ACTION PROPOSED

Approve a resolution adopting a list of projects for Fiscal Year 2025-26 to receive funding from Senate Bill 1 – The Road Repair and Accountability Act of 2017 through the Local Streets and Roads Program.

BACKGROUND

Senate Bill 1 (SB 1) – The Road Repair and Accountability Act of 2017, was passed by the California Legislature and signed into law by the Governor in April 2017 to address the significant multi-modal transportation funding shortfalls statewide. SB 1 provided the first significant, stable, and on-going increase in state transportation funding in more than two decades by increasing per gallon fuel excise taxes, increasing diesel fuel sales taxes and vehicle registration fees, stabilizing the problematic price-based fuel tax rates, and providing for inflationary adjustments to tax rates in future years. Beginning in November 2017, the new funding was deposited into the Road Maintenance and Rehabilitation Account (RMRA), and a percentage of this new funding is apportioned monthly by formula by the State Controller pursuant to eligible cities and counties for basic road maintenance, rehabilitation, and critical safety projects on local streets and roads. This funding, along with associated requirements described below, is known as the Local Streets and Roads Program (LSRP).

SB 1 emphasizes the importance of accountability and transparency in the delivery of California's transportation programs. Therefore, to be eligible for SB 1 LSRP funding, the statute requires cities to provide basic annual project reporting to the California Transportation Commission (Commission) to ensure that El Cerrito residents are aware of the projects proposed for funding and those completed each fiscal year. Prior to receiving an apportionment of LSRP funds from the Controller in a fiscal year, a city must adopt by resolution a list of projects to be funded with RMRA revenues and submit it to the Commission. LSRP funds must be prioritized for expenditure on basic road maintenance and rehabilitation projects, and on critical safety projects. More specifically, LSRP allocations must be used for projects that include, but are not limited to, the following:

- Road maintenance and rehabilitation
- Safety projects

- Railroad grade separations
- Traffic control devices
- Complete street components (including active transportation purposes, pedestrian and bicycle safety projects, transit facilities, and drainage and storm-water capture projects in conjunction with any other allowable project).
- LSRP funds may also be used to satisfy a match requirement to obtain state or federal funds for eligible projects.

SB 1 requires a maintenance of effort (MOE) for funds allocated through the LSRP to ensure that these new funds do not supplant existing levels of General Fund (discretionary) spending on streets and roads. The Controller computed the official MOE requirements for all local agencies based on a review of General Fund spending for the period of July 1, 2009, through June 30, 2012. In February 2018, the Controller determined the average annual expenditure from the General Fund for street purposes to be \$279,446 for the City of El Cerrito. This amount is a portion of Public Works Department expenditures within the General Fund and will be the City's MOE for SB 1 moving forward.

ANALYSIS

As indicated above, prior to receiving an apportionment of LSRP funds from the Controller in each fiscal year, a city must submit to the Commission a list of projects proposed to be funded with these funds pursuant to an adopted resolution. The list must include for each project: description, location, schedule, and estimated useful life. The project list does not limit the flexibility of a city to spend on projects in accordance with local needs and priorities, so long as the projects are consistent with LSRP priorities and expenditures are reported on an annual basis.

The City has through various efforts, undergone a robust public process to ensure public input into our community's transportation priorities, including, as part of the development of the City's Americans with Disabilities Act (ADA) Transition Plan adopted by the City Council in 2009, the San Pablo Avenue Specific Plan adopted by the City Council in 2014 and updated in 2022, the Active Transportation Plan adopted by the City Council in 2016, and the five-year Capital Improvement Program (CIP) adopted by the City Council a biennial basis. The City has significant needs for maintaining, repairing, rehabilitating, and improving pedestrian, bicycle, and vehicle infrastructure, which includes sidewalks, street pavement, traffic signal and street light equipment, and traffic signs. City staff reviewed the numerous transportation infrastructure needs and priorities identified in these plans, the CIP, and on-going maintenance services and repairs to develop the proposed project list.

SB 1 transportation funding is limited relative to the City's substantial transportation needs, especially considering that a portion of SB 1 funding was needed to backfill previous declines in the Highway Users Tax Account (also known as Gas Tax) revenues in relation to increasing expenses.

Gas Tax revenues have been sensitive to the price and volume of motor fuel purchases and were unstable and began declining in Fiscal Year 2013-14 as fuel prices were decreasing and drivers migrated to alternative fuel vehicles. Detailed information regarding Gas Tax and SB 1 revenues is provided in the California Local Government Finance Almanac, principal fiscal policy advisor for the League of California Cities, provided as an attachment to this report.

The RMRA revenues are now enabling the City to continue providing essential street maintenance services, to address deferred transportation infrastructure repair and safety projects and to implement active transportation (pedestrian and bicycle) improvement projects that would not have been possible without SB 1. Six projects adopted by the City Council in the prior fiscal years will continue to use LSRP funds in addition to those for which funds have already been encumbered, such as the Del Norte Transit-Oriented Development (TOD) Complete Streets Improvement Project. These include three annual maintenance programs for sidewalks, street lights and traffic signals, and capital improvement projects for access modifications, active transportation, and complete streets projects. City staff propose the following projects be partially or solely funded by SB 1:

- Active Transportation Program
- Richmond Street Improvements
- Access Modifications – Streets & Sidewalk
- Street Light, Traffic Signal & Street Sign Replacement and Upgrades
- Street Light & Traffic Signal Maintenance
- Sidewalk Infrastructure Maintenance

Detailed information about each project is contained in Exhibit A to the Resolution. To be eligible for LSRP funding in Fiscal Year 2025-26, the City must submit a resolution adopting the list of projects to the Commission by July 1, 2025.

STRATEGIC PLAN CONSIDERATIONS

This action supports the [City's Strategic Plan Goal\(s\)](#) of:

- *High Performing Organization; and*
- *Infrastructure and Amenities; and*
- *Environmental Sustainability.*

ENVIRONMENTAL CONSIDERATIONS

The proposed action does not require review under the California Environmental Quality Act (CEQA) because it is not a project. Adoption of the resolution designates projects for funding with SB 1 funds but does not commit the City to those projects. The resolution is a form of government funding mechanism that does not involve any commitment to any specific project that may result in a potentially significant physical impact on the environment. (CEQA Guidelines Section 15378(b)(4).) If SB 1 funds were used for a purpose that would have such effect, the City would undertake the required

CEQA review for that particular project at the earliest feasible time prior to the approval of the project. Some of the projects for which the resolution designates funding are themselves exempt from CEQA because they involve maintenance of existing facilities. (CEQA Guidelines Section 15301). Other projects designated to receive funding have already been reviewed under CEQA.

FINANCIAL CONSIDERATIONS

The California Local Government Finance Almanac has used California Department of Finance (DOF) estimates to develop city-level estimates of RMRA revenues.

These were updated on May 15, 2025, based on the Governor's May Revision to the Proposed 2025-26 Budget (released May 14, 2025).

As described in the Almanac, fuel consumption has largely recovered to its prior, slightly declining trajectory prior to the COVID-19 pandemic. Fuel prices no longer have a direct effect on local streets and roads revenues because all rates are per gallon, regardless of price. SB 1 adopted annual inflationary adjustments beginning July 1, 2020, to all per-gallon motor vehicle fuel excise taxes, including the rates allocated through the Gas Tax. As such, despite flat or slightly declining fuel consumption, modest growth is expected in SB 1 revenues in the upcoming years. For FY 2025-26, El Cerrito's SB 1 funding is estimated to be \$703,600, up approximately 3.6% from \$679,291 projected for FY 2024-25 year-end. The Controller will continuously apportion these SB 1 funds monthly to eligible local agencies using a process and system like that of the Gas Tax.

The SB 1 fund revenues and expenditure appropriations for the projects are being considered by the City Council as part of the FY 2025-26 budget process in separate policy items at the City Council's [regular meetings](#) on June 3 and 17, 2025. The revenue assumptions in the budget are based on prior, slightly lower revenue assumptions.

LEGAL CONSIDERATIONS

The City Attorney has reviewed the proposed action and found that legal considerations have been addressed.

RESOLUTION 2025-XX

RESOLUTION OF THE CITY COUNCIL OF THE CITY OF EL CERRITO ADOPTING A LIST OF PROJECTS FOR FISCAL YEAR 2025-26 TO RECEIVE FUNDING FROM SENATE BILL 1 – THE ROAD REPAIR AND ACCOUNTABILITY ACT OF 2017, THROUGH THE LOCAL STREETS AND ROADS PROGRAM

WHEREAS, Senate Bill 1 (SB 1), the Road Repair and Accountability Act of 2017 (Chapter 5, Statutes of 2017) was passed by the Legislature and signed into law by the Governor in April 2017 to address the significant multi-modal transportation funding shortfalls statewide; and

WHEREAS, SB 1 includes accountability and transparency provisions that will ensure the residents of the City of El Cerrito are aware of the projects proposed for funding in our community and which projects have been completed each fiscal year; and

WHEREAS, the City must adopt by resolution a list of projects proposed to receive fiscal year funding from the Road Maintenance and Rehabilitation Account (RMRA), created by SB 1, specifically through the Local Streets and Roads Program (LSRP), which must include a description and the location of each proposed project, a proposed schedule for the project's completion, and the estimated useful life of the improvement; and

WHEREAS, as of May 15, 2025, the City is anticipated to receive an estimated \$703,600 in RMRA, LSRP funding in Fiscal Year 2025-26 from SB 1; and

WHEREAS, this is the ninth year in which the City is receiving SB 1 funding and it will enable the City to continue essential road maintenance and rehabilitation projects, safety improvements, and increasing access and mobility options for the traveling public that would not have otherwise been possible without SB 1; and

WHEREAS, the City has through various efforts undergone a robust public process to ensure public input into our community's transportation priorities including as part of the development of the City's American with Disabilities Act (ADA) Transition Plan adopted by the City Council in 2009, the San Pablo Avenue Specific Plan adopted by the City Council in 2014 and updated in 2022, the Active Transportation Plan adopted by the City Council in 2016, and the five-year Capital Improvement Program (CIP) adopted by the City Council on a biennial basis; and

WHEREAS, the City has significant needs in maintaining, repairing, rehabilitating, and improving pedestrian, bicycle, and vehicle infrastructure, which include sidewalks, street pavement, traffic signal and street light equipment, and traffic signs; and

WHEREAS, the City reviewed adopted plans, the CIP, and on-going maintenance services and repairs to develop the SB 1 project list to ensure revenues are being used on the most high-priority and cost-effective projects that also meet the community's priorities for transportation investment; and

WHEREAS, the 2023 California Statewide Local Streets and Roads Needs Assessment found that the City's street pavement was in "At Lower Risk" condition and this revenue will help us increase the overall quality of our road system and over the next decade will bring our streets and roads into a "Good" condition; and

WHEREAS, the SB 1 project list and overall investment in our local streets and roads infrastructure with a focus on basic maintenance and safety, investing in complete streets infrastructure, and using innovative technology, materials, and practices, will have significant positive co-benefits statewide; and

WHEREAS, the City Council finds that the proposed action does not require review under the California Environmental Quality Act (CEQA) because it is not a project. Adoption of the resolution designates projects for funding with SB 1 funds but does not commit the City to those projects. The resolution is a form of government funding mechanism that does not involve any commitment to any specific project that may result in a potentially significant physical impact on the environment. (CEQA Guidelines Section 15378(b)(4).) If SB 1 funds were used for a purpose that would have such effect, the City would undertake the required CEQA review for that particular project at the earliest feasible time prior to the approval of the project. Some of the projects for which the resolution designates funding are themselves exempt from CEQA because they involve maintenance of existing facilities. (CEQA Guidelines Section 15301). Other projects designated to receive funding have already been reviewed under CEQA.

NOW THEREFORE, BE IT RESOLVED by the City Council of the City of El Cerrito that:

1. The foregoing recitals are true and correct and made a part of this resolution.
2. The list of previously proposed and adopted projects attached as Exhibit A will be funded in-part or solely with Fiscal Year 2025-26 Road Maintenance and Rehabilitation Account revenues. With the relisting of these projects in the adopted Fiscal Year 2025-26 resolution, the City is reaffirming to the public and the State our intent to fund these projects with Road Maintenance and Rehabilitation Account revenues.

BE IT FURTHER RESOLVED that this resolution shall become effective immediately upon passage and adoption.

I CERTIFY that at a regular meeting on June 17, 2025 the City Council of the City of El Cerrito passed this Resolution by the following vote:

AYES:	COUNCILMEMBERS:
NOES:	COUNCILMEMBERS:
ABSTAIN:	COUNCILMEMBERS:
ABSENT:	COUNCILMEMBERS:

IN WITNESS of this action, I sign this document and affix the corporate seal of the City of El Cerrito on _____.

APPROVED:

Holly M. Charléty, City Clerk

Carolyn Wysinger, Mayor

City of El Cerrito

Senate Bill (SB) 1 - Local Streets and Roads Program Fiscal Year 2025-26 Submission

Previously Proposed and Adopted Project List

Title	Description	Location	Component	Estimated Project Schedule		Estimated Useful Life	
				Start	Complete	Min	Max
Active Transportation Program	This project will include: Cost Estimating, Preliminary Design, Project Scope Development * Implement the Active Transportation Plan, adopted by the City Council in April 2016, and includes access, safety and other enhancements to pedestrian and bicycle infrastructure. * Funding is for preliminary engineering and design needed to help us apply for and leverage various grant and external funding sources. In FY25, used for grant applications related to transportation improvements to complement housing at the El Cerrito Plaza BART Station and collaborative projects with City of Richmond and Caltrans.	On major Pedestrian and Bicycle Routes as identified in the City's Active Transportation Plan including San Pablo Avenue, BART to Bay Trail connection along Fairmount Avenue-Carlson Blvd-Cerrito Creek path-Lassen St-San Diego Street-Belmont Ave- Central Ave, Richmond St, Fairmount Ave, Key Blvd, Arlington Blvd and Lincoln Ave. Locations have yet to be finalized and will be selected based on grant funding criteria and prioritization criteria in the Active Transportation Plan.	Pre-Construction	07/2022	06/2030	7	25
Richmond Street Complete Streets Improvement	This project will include: ADA Curb Ramp Rehab/Repair (Existing), Bicycle Lane (New), Cost Estimating, Document Preparation, Environmental Study/Documents, Paving and/or Striping Rehab/Repair (Existing Safety), Preliminary Design, Project Scope Development, Sidewalk and/or Crosswalk Rehab/Repair (Existing), Storm Drain and/or Culvert Rehab/Repair (Existing), Traffic Signals, Lights, and/or Signage Installation (New Safety), Traffic Signals, Lights, and/or Signage Rehab/Repair (Existing Safety) * Intersection safety and accessibility improvements including curb ramp upgrades, corner bulb-outs, ped- activated flashing beacons, safety lighting, high-visibility signing and striping, and/or raised intersections; bike facility improvements; mid-block traffic calming; repair and resurface pavement; sidewalk repair; street trees and bioretention facilities; traffic signal upgrades at Elm/Key/Hill; and minor utility adjustments and repairs.	Richmond-Elm Street between Hill Street/Key Blvd and Fairmount Avenue	Pre-Construction and Construction	10/2021	05/2026	7	25

Title	Description	Location	Component	Estimated Project Schedule		Estimated Useful Life	
				Start	Complete	Min	Max
Street Light, Traffic Signal & Street Sign Replacement and Upgrades	This project will include: Procurement of Public Works Equipment, Repair and Servicing of Public Works Equipment * Replacement, repair and upgrades of street light equipment, traffic signal equipment and street signs includes procurement of supplies and materials.	Arterials: Carlson Bl, Central Av, Fairmount Av, San Pablo Av, Ashbury Av, Arlington Bl, Barrett Av, Colusa Av, Cutting Bl, Elm St, Hill St, Key Bl, Moeser Ln, Potrero Av, Richmond St; & Collectors: Alta Punta, Ashbury Av, Avis Dr, Buckingham Dr, Colusa Av, Edwards Av, Eureka Av, Fairview Dr, Ganges Av, Jordan Av, King Dr, Macdonald Av, Manila Av, Navellier St, San Mateo St, SeaView Dr, Shevlin Dr, South 55thSt, Stockton- Terrace Dr, Tulare Av. Locations are to be finalized on an annual basis.	Procurement/ Operational Needs	07/2025	06/2026	10	25
Street Light & Traffic Signal Maintenance	This project will include: Repair and Servicing of Public Works Equipment * Street light and traffic signal on-going maintenance service and response	Citywide for on-going maintenance of 12 traffic signalized intersections on San Pablo Ave, Central Ave, Moeser Ln, Fairmount Ave, Richmond St, and Key Blvd; 526 City-owned street and pedestrian lights on all city streets, and 23 flashing beacons/in-roadway lights/radar speed feedback signs locations on Moeser Ln, Cutting Blvd, Arlington Blvd, San Pablo Ave, Central Ave, Stockton Ave, Potrero Ave, Barrett Ave, Hill Stand Fairmount Ave.	Procurement/ Operational Needs	07/2025	06/2026	10	20
Sidewalk Infrastructure Maintenance	This project will include: Project Scope Development, Sidewalk and/or Crosswalk Rehab/Repair (Existing) * Repair sidewalk displacement to remove tripping hazards by concrete cutting and other methods that not requiring sidewalk removal and replacement.	Locations are on major pedestrian routes and as requested: San Pablo Ave, Central Ave, Potrero Ave, Cutting Blvd, Richmond St, Ashbury Ave, Lincoln Ave and Waldo Ave. Locations will be finalized based on a methodology that prioritizes locations on major Pedestrian Routes designated in the City's Active Transportation Plan, and based on their proximity to schools, the severity of the sidewalk damage and repair method, and other factors (e.g. requests received).	Pre- Construction and Construction	07/2025	12/2025	20	25
				01/2026	06/2026		
Access Modifications - Streets & Sidewalks	This project will include: ADA Curb Ramp Installation (New), ADA Curb Ramp Rehab/Repair (Existing), Cost Estimating, Document Preparation, Preliminary Design, Project Scope Development, Sidewalk and/or Crosswalk Rehab/Repair (Existing) * Remove physical barriers to accessibility along the street right-of-way including at intersections and mid- block. Work includes installation and reconstruction of curb ramps, sidewalk removal and replacement including street tree removal and replacement, and related access modifications.	Curb Ramps at 5 Locations: Colusa Ave at Rockway Ave; Eureka Ave at Pomona Ave; Lassen St at Yosemite Ave; Lassen St at Santa Clara Ave; and Lassen St at Belmont Ave; and Sidewalk Repairs at 5 locations: 10351 San Pablo Ave; 1728 Manor Ave; 1241 Norvell St; 734 Ashbury Ave; and 330 Ramona Ave.	Pre- Construction and Construction	07/2024	07/2025	10	25
				08/2025	06/2026		

**Shared Revenue Estimates: State Revenue Allocations to Cities and Counties
Local Streets and Roads Estimates: 2024-25, 2025-26
Including Highway Users Tax Account (HUTA) and
Road Maintenance and Rehabilitation Account (RMRA)**

The state of California imposes per-gallon excise taxes on gasoline and diesel fuel, sales taxes on gasoline and diesel fuel and registration taxes on motor vehicles with allocations dedicated to transportation purposes.¹ The local (city and county) portions of these allocations flow through the Highway Users Tax Account (HUTA), the familiar gasoline tax revenues that have been in place for decades, and the Road Maintenance and Rehabilitation Account (RMRA) which allocates much of the revenue from the Road Repair and Accountability Act of 2017 (SB1 Beall).

State taxes transferred to and allocated through the state Highway Users Tax Account (HUTA) include:

- The per gallon “gasoline tax” and “diesel fuel tax” imposed on the use of vehicle fuels.
- The “use fuel tax,” imposed on vendors and users of motor vehicle fuels that are not taxed under either the gasoline or diesel fuel tax, such as liquefied petroleum gas, ethanol, methanol and natural gas (both liquid and gaseous) for use on state highways. Use Fuel Tax rates vary depending on the type of fuel.
- Variable rate per gallon gasoline diesel fuel excise taxes imposed in 2010-11 in a complicated arrangement known as the “fuel tax swap.” This rate replaced the previous Proposition 42 sales tax on gasoline.

Transportation taxes allocated to cities and counties through the Road Maintenance and Rehabilitation Account (RMRA) established by the Road Repair and Accountability Act of 2017 (SB1 Beall) include:

- An additional 12 cent per gallon increase to the gasoline excise tax effective November 1, 2017 with annual inflation adjustments beginning July 1, 2020.
- An additional 20 cent per gallon increase to the diesel fuel excise tax effective November 1, 2017 with half of the revenues going to the state Trade Corridor Enhancement Account (TCEA) and half to the RMRA. Annual inflation adjustments beginning July 1, 2020.
- An additional vehicle registration tax called the “Transportation Improvement Fee” with rates based on the value of the motor vehicle effective January 1, 2018 with annual inflation adjustments beginning July 1, 2020.
- An additional \$100 vehicle registration tax on zero emissions vehicles of model year 2020 or later effective July 1, 2020 with annual inflation adjustments beginning July 1, 2021.

The Road Repair and Accountability Act of 2017 (SB1 Beall) also adopted annual inflationary adjustments beginning July 1, 2020 to all per-gallon motor vehicle fuel excise taxes including the rates allocated through the Highway Users Tax Account (HUTA).

¹ Taxes on aircraft jet fuel are transferred to the state Aeronautics Account.

Highway Users Tax Account (HUTA)

Revenue Allocations – Streets & Highways Code Sec 2103-2108 “HUTA”

Cities and counties receive revenue from the motor vehicle fuel taxes imposed pursuant to Revenue and Taxation Code Section 7360(a) and (b) through the Highway User Tax Account under the following formulas outlined in the Streets and Highways code and illustrated in Figure 1.

Section 2104. Section 2104 allocates funds to counties with designated allotments for engineering and administration, snow removal, heavy rainfall / storm damage as well as county streets, roads and public mass transit guideways and facilities.

Section 2105. Section 2105(a) allocates 11.5 percent of the tax revenues in excess of 9 cents per gallon (i.e. the Proposition 111 rate) monthly among counties based on population.

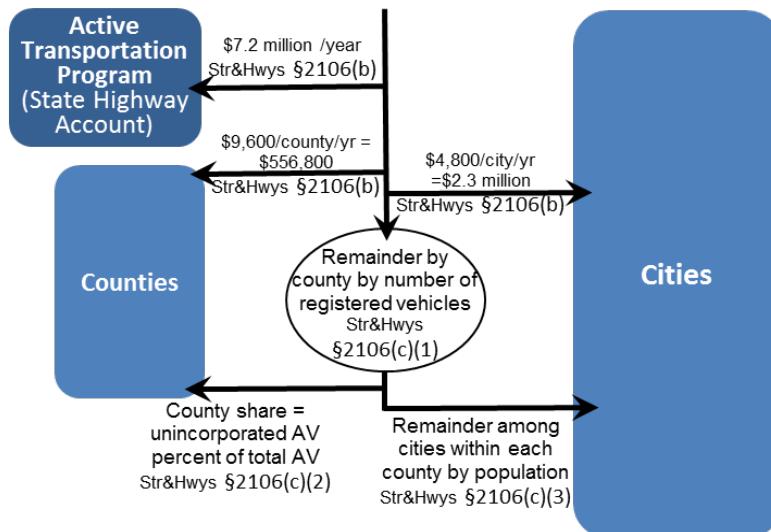

Section 2105(b) allocates 11.5 percent of the tax revenues in excess of 9 cents per gallon (i.e. the Proposition 111 rate) monthly among cities based on population.

Section 2106. Revenues equal to 1.04 cents per gallon are allocated as follows:

- a. \$7.2 million per year to the State Bicycle Transportation Account.
- b. \$400 per month to each city (\$2,308,800 per year among the 481 eligible cities²)
- c. \$800 per month to each county (\$556,800 per year among the 58 counties)
- d. The residual amount to each county and the cities in that county based on registered vehicles. In each county, from this amount, the county receives an allotment based on the share of assessed value of the county which is in the unincorporated area. The remainder is allocated to the cities within the county based on population.

Streets & Highways Code Section 2106

Revenues equal to 1.04 cents per gallon
are allocated as follows:

² The city of Rolling Hills has only private streets and is therefore not eligible to receive these allocations.

Section 2107. This section provides monthly allocations to cities of 1.315 cents per gallon of gasoline, 1.8 cents per gallon of diesel, and 2.59 cents per liquefied petroleum gas (LPG), as follows.

- a. Each city with snow removal costs in excess of \$5,000 is allocated 50 percent of the cost exceeding \$5,000.
- b. The remainder is allocated to cities based on population.

Section 2107.5. These funds (about \$2.7 million per year) are allocated to cities annually in July based on population as follows:

Streets & Highway Code §2107.5	
City Population	Annual Allocation
over 500,000	\$ 20,000
100,000 to 500,000	\$ 10,000
50,000 to 99,999	\$ 7,500
25,000 to 49,999	\$ 6,000
20,000 to 24,999	\$ 5,000
15,000 to 19,999	\$ 4,000
10,000 to 14,999	\$ 3,000
5,000 to 9,999	\$ 2,000
less than 5,000	\$ 1,000

Section 2107.5 funds must be used for engineering costs and administrative expenses related to city streets. Cities with populations under 10,000 may also expend the moneys for street construction or acquisition of street rights-of-way.

Section 2103 HUTA and the 2010 Gasoline Sales Tax – Excise Tax Swap

In March 2010 as a part of a special budget session called by Governor Schwarzenegger, the Legislature enacted a swap of state sales taxes on gasoline for a gasoline excise tax. Intended to be “revenue neutral,” the fuel tax swap provided the Legislature with greater flexibility in the use of funds, in particular relieving the general fund from the cost of state transportation debt service payments. The fuel tax swap:

1. Repealed the state sales tax on gasoline (local rates including the Bradley Burns are NOT affected);
2. Increased the excise tax on gasoline by 17.322 cents and added an annual adjustment mechanism intended to ensure the new excise tax provides, over time, the same amount of revenues expected from the sales tax on gas (no more, no less);
3. Increased the sales tax on diesel by 1.75 percent and allocated 75 percent to local transit agencies and 25 percent to state transit programs. The excise tax on diesel was reduced from 18 cents to 13.6 cents. Sales tax revenues from diesel must go to transit funding.
4. Provided for a specific allocation of the funds among state and local transportation needs.

Revenues from the new Section 2103 excise tax rate are now allocated as follows:

1. State transportation debt service;
2. Remainder allocated:
 - a. 44 percent to the State Transportation Improvement Program (STIP);
 - b. 12 percent State Highway Operation and Protection Program (SHOPP);
 - c. 44 percent evenly split between cities and counties using current HUTA formulas.

Section 2103 funds are allocated to cities on a per capita basis and to counties 75 percent based on the proportion of registered vehicles and 25 percent based on the proportion of maintained county road miles.

The law included expressed legislative intent to fully replace the local streets and road funds cities and counties would have received under Proposition 42 state sales tax on gasoline with allocations from the new higher motor vehicle excise tax (HUTA) rate.

However, the swap created certain revenue effects related to the timing and receipt of revenues. In particular, the law provided that the new excise tax rate be adjusted annually by the BOE to garner an amount of revenues equal to what Prop42 would have provided in the prior year. Thus, the annual Sec 2103 funds were always “looking backward.” If the Section 2103 amounts generated less than Prop42 would have, the difference was made up until the following year.

In the years following the swap, there were a number of snafus and changes in interpretation of the Section 2103 allocation. In FY2011-12 SCO allocated more money to cities and counties and did not fully backfill state transportation programs for weight fees that were used for debt service and loans that those funds would have otherwise received. This was contrary to the Legislature’s intention, but the statute was not clear. The statute was clarified in the 2013 budget to clarify the original intent of the weight fee swap to fully backfill state transportation funds. [Streets & Highways Code 2103 (a)(1)(D)].

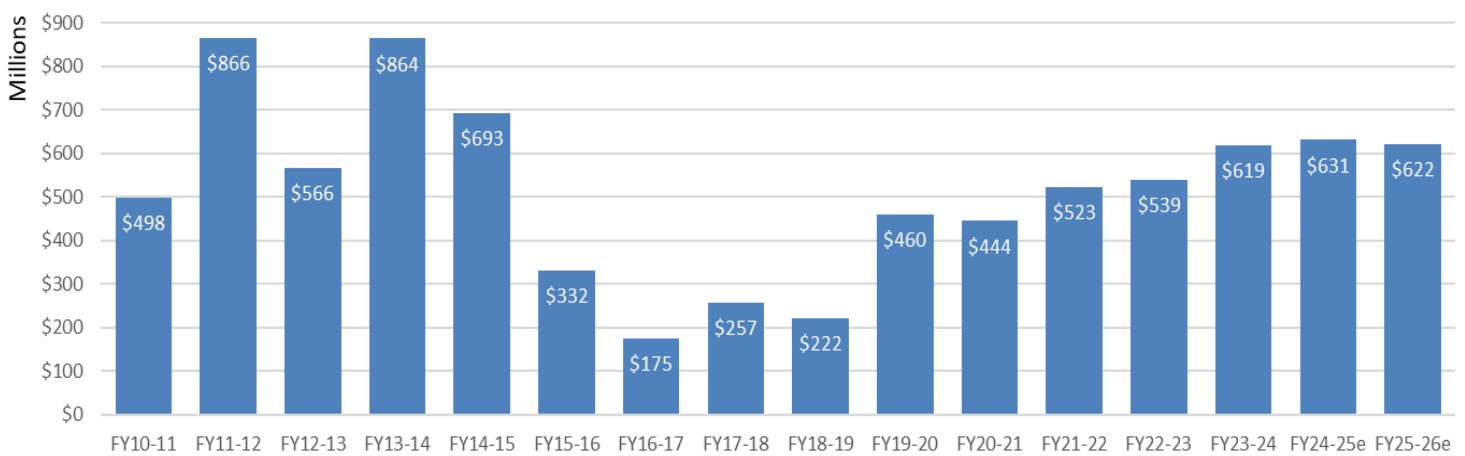

Changes to HUTA Allocated Rates, Including the Variable Rate by the Road Repair and Accountability Act of 2017 (SB1 Beall)

In addition to increasing various fuel and motor vehicle registration taxes, the Road Repair and Accountability Act of 2017 (SB1 Beall) removed BOE’s discretionary rate setting role over the Section 2103 variable rate and reset the variable rate at 17.3 cents per gallon on July 1, 2019, up from the current 11.7 cents. This adjustment more than doubled Section 2103 revenue allocations for FY2019-20 over the prior year.

With regard to diesel fuel taxes, SB1 also eliminated the price-based adjustment mechanism applied to the diesel fuel tax rate.

Since 2020, gasoline and diesel fuel excise tax rates are increased on July 1 by the change in the California Consumer Price Index from the prior year. These include the 18 cent per gallon base rate, the 17.3 percent per gallon rate, the diesel fuel excise tax rate and vehicle registration taxes.

Allocation of Gasoline Excise Tax Revenues

rates effective July 1, 2024

(ii) Str&Hwy Code §2106 funds are distributed based on registered vehicles, assessed property valuation, and population.

(iii) A portion of funds in State Highway Account is allocated among counties and cities for Regional Transportation Improvement Programs.

(iv) County apportionments are based on numbers of registered vehicles and county road mileage.

(v) City apportionments are based on population.

(vi) These rates are adjusted annually on July 1 for inflation (consumer price index).

Use of Funds: HUTA

The use of local Motor Vehicle Fuel Tax funds is restricted by Article XIX of the California State Constitution and by Streets and Highways Code Section 2101. All Motor Vehicle Fuel Tax funds allocated from the Highway Users Tax Account must be expended for the following:

- (a) The research, planning, construction, improvement, maintenance, and operation of public streets and highways (and their related public facilities for nonmotorized traffic), including the mitigation of their environmental effects, the payment for property taken or damaged for such purposes, and the administrative costs necessarily incurred in the foregoing purposes.
- (b) The research and planning for exclusive public mass transit guideways (and their related fixed facilities), the payment for property taken or damaged for such purposes, and the administrative costs necessarily incurred in the foregoing purposes.
- (c) The construction and improvement of exclusive public mass transit guideways (and their related fixed facilities), including the mitigation of their environmental effects, the payment for property taken or damaged for such purposes, the administrative costs necessarily incurred in the foregoing purposes, and the maintenance of the structures and the immediate right-of-way for the public mass transit guideways.
- (d) The payment of principal and interest on voter-approved bonds issued for the purposes specified above.

Three Year State General Fund TCRF Loan Repayment Funds

SB1 stipulated the repayment of \$706 million by the state General Fund to transportation funds over three fiscal years: 2017-18, 2018-19, and 2019-20. Under SB1, \$75 million was allocated to local streets and roads from repayments of Transportation Congestion Relief Funds (TCRF) in each of these three years. These funds were allocated half to cities and half to counties with the city funds allocated among cities on a per capita basis, the county funds allocated among counties based on numbers of registered vehicles and county road mileage.

These TCRF revenues may be deposited in local HUTA funds.³ However, these TCRF funds carried slightly different use requirements than HUTA funds. TCRF funds could be expended only for street and highway maintenance, rehabilitation, reconstruction or storm damage repair. For these purposes,

- “Maintenance” means patching and/or overlay and sealing.
- “Reconstruction” includes any overlay, sealing or widening of the roadway, if the widening is necessary to bring the roadway width to the state minimum standards, but does not include widening for the purpose of traffic capacity.
- “Storm damage repair” is repair or reconstruction of local streets and highways and related drainage improvements that have been damaged due to winter storms and flooding, and construction of drainage improvements to mitigate future roadway flooding and damage problems, in those jurisdictions that have been declared disaster areas by the President of the United States.

³ Note that the “loan repayment” is between the state general fund and state transportation funds. From an accounting standpoint this is NOT a debt repayment to local agencies, it is simply revenue.

Road Maintenance and Rehabilitation Account (RMRA)

Revenue Allocations – Streets & Highways Code Sec 2031 “RMRA”

The Road Repair and Accountability Act of 2017 (SB1 Beall) represented a significant additional investment in California’s transportation systems of over \$5 billion per year. The Act increased per gallon fuel excise taxes, diesel fuel sales taxes and vehicle registration taxes, stabilized the problematic price-based fuel tax rates and provided for inflationary adjustments to rates in future years. The Act is more than doubling local streets and road funds allocated through the Highway Users Tax Account (HUTA) and through the Road Maintenance and Rehabilitation Account (RMRA) which it established.

The RMRA receives funds⁴ from the following new taxes imposed under the Road Repair and Accountability Act of 2017:

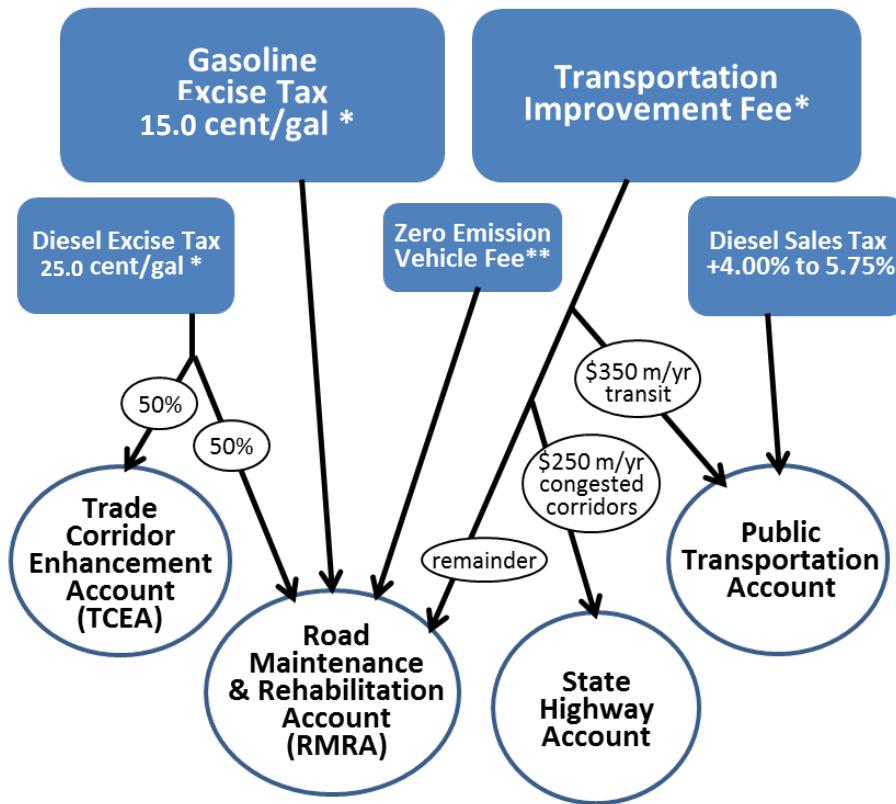

- A 12 cent per gallon increase to the gasoline excise tax effective November 1, 2017.
- A 20 cent per gallon increase to the diesel fuel excise tax effective November 1, 2017, half of which will be allocated to Trade Corridors Enhancement Account (TCEA) with the remaining half to the RMRA.
- A new vehicle registration tax called the “transportation improvement fee,” effective January 1, 2018, based on the market value of the vehicle.
- An additional new \$100 vehicle registration tax on zero emission vehicles model year 2020 and later effective July 1, 2020.
- Annual rate increases to these taxes every July 1 (January 1 for the registration fees) for the change in the California Consumer Price Index. The first adjustment made on July 1, 2020 covered CPI change for two years: November 1, 2017 through November 12, 2019.

<u>SB1 Transportation Improvement Fee</u>							
<u>Vehicle Value</u>	<u>Jan 2018</u>	<u>Jan 2020</u>	<u>Jan 2021</u>	<u>Jan 2022</u>	<u>Jan 2023</u>	<u>Jan 2024</u>	<u>Jan 2025</u>
0 - \$4,999	\$ 25	\$ 27	\$ 27	\$ 28	\$ 29	\$ 32	\$ 32

\$60,000 & over	\$ 183	\$ 188	\$ 192	\$ 196	\$ 206	\$ 227	\$ 227

<u>SB1 Road Improvement Fee (RIF)</u>						
	<u>Jan 2020</u>	<u>Jan 2021</u>	<u>Jan 2022</u>	<u>Jan 2023</u>	<u>Jan 2024</u>	<u>Jan 2025</u>
ZEV vehicle*	\$ 100	\$ 101	\$ 103	\$ 108	\$ 118	\$ 118

⁴ In addition, funds from a 4 percent increase in the diesel sales tax to 5.75 percent from the prior 1.75 percent effective November 1, 2017 are allocated to the Public Transportation Account.

Road Maintenance and Rehabilitation Account Revenues

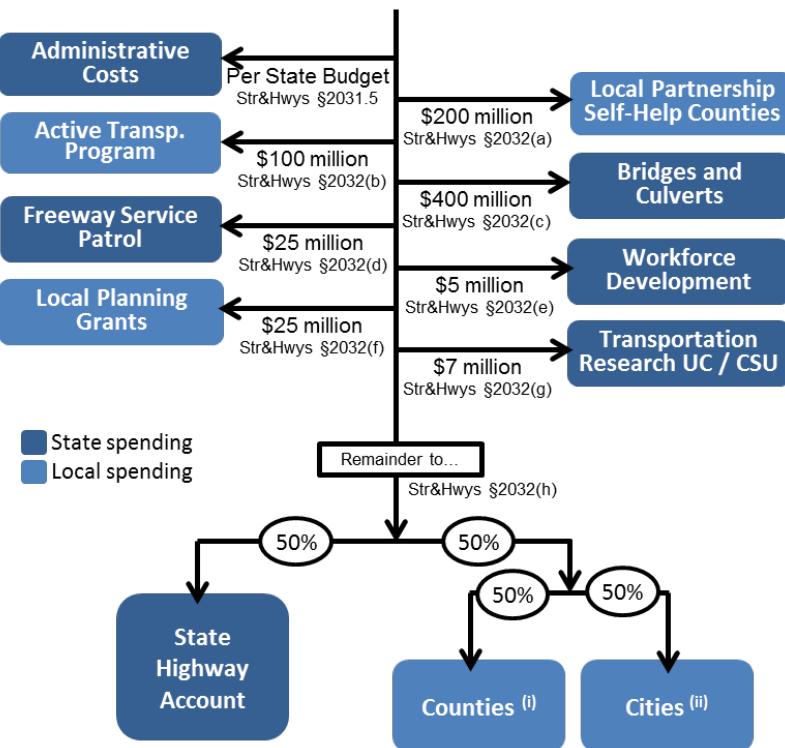

* adjusted for inflation annually beginning 7/1/2020

** effective 7/1/2020 adjusted for inflation annually beginning 7/1/2021

The Road Repair and Accountability Act directs the State Controller to allocate, on a monthly basis, fifty percent of the revenues in the RMRA to the State Highway Operation and Protection Program (SHOP) in the State Highway Account and half to cities and counties. But there are a series of specific program allocations, subject to appropriation in the annual state budget, to be taken out first:

1. Administrative costs.
2. \$200 million for the State-Local-Partnership Program for existing and aspiring self-help jurisdictions.
3. \$100 million annually for the Active Transportation Program for the purpose of encouraging increased use of active modes of transportation, such as biking and walking.
4. \$400 million for state bridge and culvert maintenance and rehabilitation.
5. \$25 million for the state's Freeway Service Patrol program.
6. \$5 million for five years through FY 2021-22 for pre-apprenticeship training programs of the California Workforce Development Board.
7. \$25 million for local planning grants to encourage local and regional planning.
8. \$7 million for transportation research and transportation-related workforce education, training, and development including \$5 million to the University of California and \$2 million to the California State University.

Allocation of Road Maintenance and Rehabilitation Account Revenues

(i) County apportionments are based on numbers of registered vehicles and county road mileage.
(ii) City apportionments are based on population.

Use of Funds: RMRA [Streets and Highways Code Section 2030]

The use of RMRA local streets and roads funds is similar but, not identical, to HUTA use rules. Pursuant to Streets and Highways Code Section 2030, RMRA local streets and roads allocations must be used for projects “that include, but are not limited to,” the following

- Road maintenance and rehabilitation
- Safety projects
- Railroad grade separations
- Traffic control devices
- Complete street components, “including active transportation purposes, pedestrian and bicycle safety projects, transit facilities, and drainage and storm-water capture projects in conjunction with any other allowable project.”

RMRA funds may also be used to satisfy a match requirement for projects eligible for state or federal funds.

SB1 also contains non-obligatory intent language regarding the use of funds. “To the extent possible and cost effective,” cities and counties are to use a use:

- advanced recycling techniques that reduce greenhouse gas emissions;
- automotive technologies, ZEV fueling, infrastructure-to-vehicle;
- communications autonomous vehicle systems;
- resiliency re climate change, fires, floods, sea level rise; and
- complete street elements, access for bicycles, pedestrians.

If a city or county has an average Pavement Condition Index that meets or exceeds 80, the city or county may spend its RMRA funds on transportation priorities other than these. [Streets and Highways Code Sec 2037]

Maintenance of Effort: RMRA [Streets and Highways Code Sec 2036]

The Road Repair and Accountability Act contains a local agency maintenance of effort (MOE) requirement that applies to funds allocated through the RMRA. The Act states that the MOE requirement is to ensure that these new roads funds do not supplant existing levels of city and county general revenue spending on streets and roads. The MOE for the receipt of RMRA funds state that a city or county must maintain general fund spending for street, road, and highway purposes at no less than average of 2009–10, 2010–11, and 2011–12 years. In making this calculation an agency may exclude one-time funds. A city or county that fails to comply in a particular year may make it up with in additional expenditures in the following year.

The Act provides that the State Controller may perform audits to ensure compliance with these MOE rules. If the State Controller determines that a city or county has not met its MOE, the agency will be required to reimburse the state for the funds it received during that fiscal year. However, a city or county that fails to comply in a particular fiscal year may expend during that fiscal year and the following fiscal year a total amount that is sufficient to comply. Any funds withheld or returned as a result of a failure to comply will be reapportioned to the other counties and cities whose expenditures are in compliance.

For further guidance, see the State Controller's "*Guidelines Relating to Gas Tax Expenditures for Cities and Counties*."

Spending Plans and Reports: RMRA [Streets and Highways Code Sec 2034]

The Road Repair and Accountability Act stipulates that, prior to receiving RMRA funds in a fiscal year, a city or county must submit to the California Transportation Commission (CTC) a project list pursuant to an adopted budget. The list must include for each project: description, location, schedule, useful life. [Streets and Highways Code Sec 2034(a)]

The Road Repair and Accountability Act also requires that a city or county submit to the CTC an annual report of project completion in order to receive RMRA funds. The report must include descriptions of all projects for which RMRA funds were expended including: description, location, funds expended, completion date, estimated useful life of the project.

Budgeting and Accounting for RMRA Funds: The ~60 Day Delay

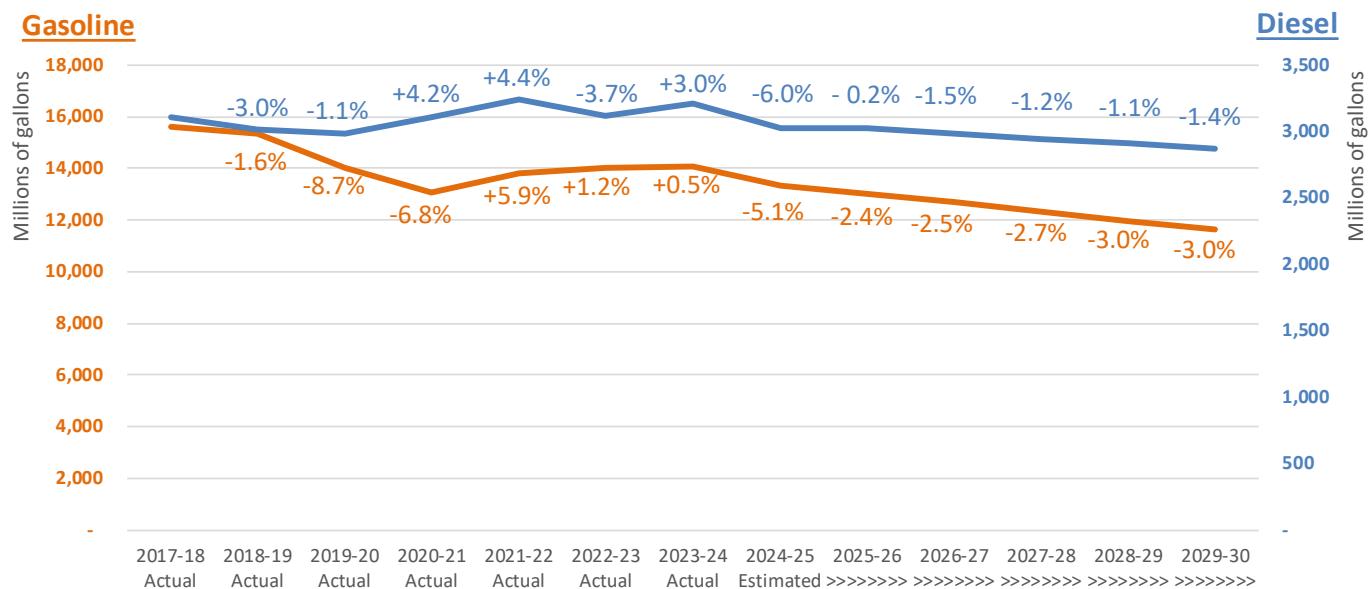

The allocation of Road Maintenance and Rehabilitation Account (RMRA) revenues to cities and counties takes many weeks. It takes the State Controller's Office roughly 30 to 60 days from the time of revenue collection by the state, through the various statutory set asides to distribute the funds to cities and counties in monthly allocations. Consequently, the estimates shown in this report are for revenues collected for July through June are not received on a cash basis by local agencies until September through August. That is, for example, the FY2022-23 figure for your agency is revenues collected in and for July 2022 through June 2023 but distributed in monthly allocations September 2022 through August 2023. Cities and counties thus have two choices in the budgeting and accounting of RMRA revenues:

- 1) apply a 60 day accrual policy to RMRA funds (*recommended*); or
- 2) adjust RMRA budgets (especially in FY2017-18) to reflect a distributed cash basis.

Local Streets and Roads (HUTA and RMRA) Revenue Estimates for FY2024-25 and FY2025-26

We have computed revenue estimates for each city and county using a model reflecting the local allocation formulas, latest population figures used by the State Controller for allocations and estimates by the state Department of Finance (DOF) of statewide HUTA and RMRA tax revenues provided with the ***Governor's May Revision to the Proposed 2025-26 Budget (released May 14, 2025)*** and analyses of SB1(Beall), The Road Repair and Accountability Act of 2017.

Fuel consumption was sharply down during the height of the COVID-19 pandemic but has largely recovered to its prior, slightly declining trajectory. Recently, fuel prices have increased steeply but the price of fuel no longer has a direct effect on local streets and roads revenues because all rates are per gallon, regardless of price.

Despite lower fuel consumption, scheduled rate increases stipulated in SB1 have kept local allocations of revenue growing at a modest pace. Total LSR allocations (including HUTA, TCRF, and RMRA) were up 6.7 percent in 2022-23 and 10.8 percent in 2023-24. Nevertheless, as fuel consumption gradually declines, revenue growth will soften. The Department of Finance projects total LSR allocations to cities and counties in 2024-25 will be 5.1 percent above FY 2023-24. For the budget year FY2025-26, DOF estimates total statewide local streets and roads allocations will grow just 1.7 percent.

HUTA (Highway Users Tax Account)

HUTA revenues are allocated to cities and counties pursuant to Sections 2103-2107 of the Streets and Highways Code. The per gallon excise tax rates that provide HUTA revenues are adjusted annually on July 1 as described above. Revenue changes depend on the combined effects of 1) these rate adjustments, 2) taxable gallonage, and 3) the relative change of statutory transfers including the "weight fee offset" that pays state transportation bond debt.

Sec2103-2108 HUTA allocations (not including RMRA) grew 12.6 percent in FY2023-24 largely reflecting the post-pandemic economic recovery. HUTA revenue growth is now flattening and will begin to decline in a few years. DOF estimates 2.6 percent HUTA growth in current year FY2024-25, leveling off to 0.01 percent growth in budget year FY2024-25.

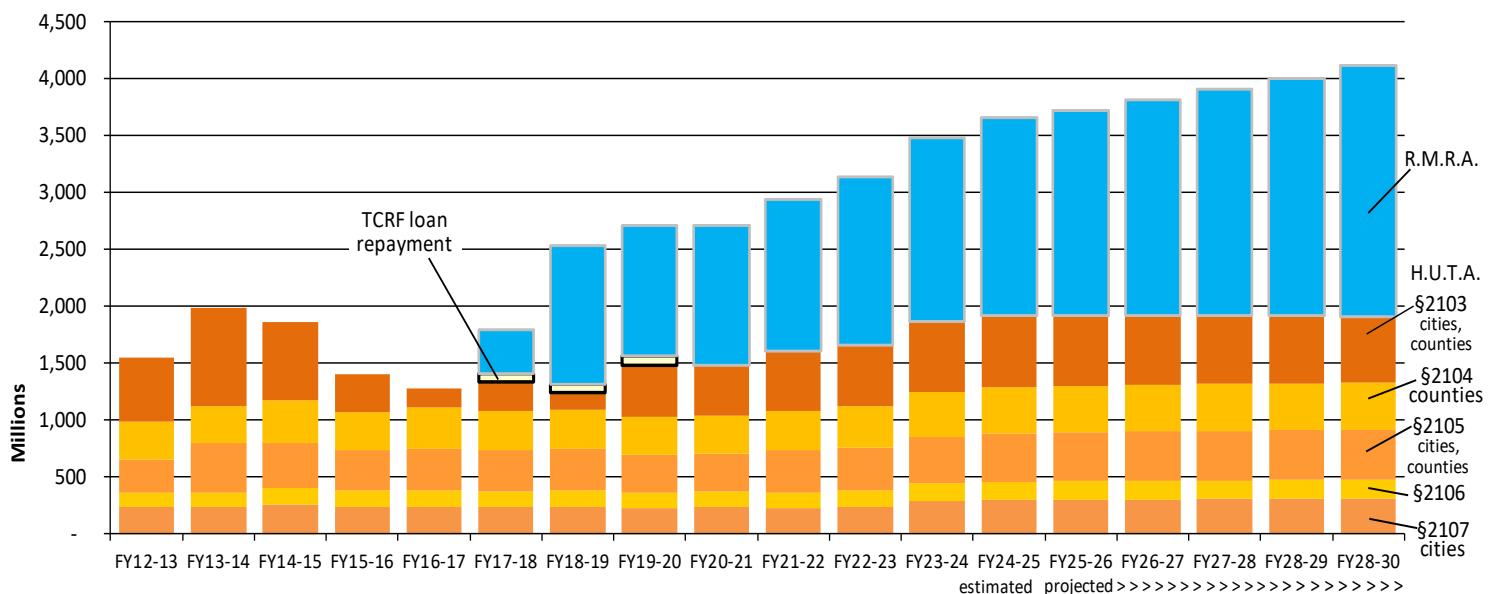

RMRA (Road Maintenance and Rehabilitation Account)⁵

The Road Repair and Accountability Act (SB1) taxes that provide funding to cities and counties through the RMRA began on November 1, 2017 when the new per-gallon fuel excise taxes took effect. It also includes allocations from the SB1 vehicle registration tax (“Transportation Improvement Fee”) and the zero emission vehicle registration tax (“Road Improvement Fee”).

DOF estimates FY2024-25 RMRA revenues will be 8.1 percent higher than FY2023-24 actuals and that FY2025-26 revenues will grow by 3.6 percent over the current year.

Why does city/county RMRA growth differ from city/county HUTA growth? Under SB1, various fixed-amount statutory allocations are made from the new SB1 tax rates prior to the city and county allocations. In addition, the \$1.3 million and growing “weight fee transfer” that is used to pay state transportation debt service is projected to grow more than the modest growth in HUTA revenues impacting the local allocations which follow.

California Local Streets and Roads Program - State Funds to Cities and Counties

Looking Ahead: Long Term Estimates of Local Streets and Roads Funding

Since the recovery following the COVID-19 pandemic of 2020, we have seen modest year over year growth in local streets and roads revenues. In future years, as alternative fuel vehicles come more into use, fuel consumption will continue to decline. The SB1 annual cost of living adjustments will help to maintain revenues but we will see decline in revenue growth to below the rate of inflation.

Due to complicated statutory transfers from these revenues before the city and county allocations are made (including the \$1.3 billion transfer for state transportation debt service), actual growth in funding allocated to cities and counties varies somewhat among the various categories of local streets and roads allocations and will not exactly mirror total tax collections. Taking all these factors into account, for the purposes of long-term

⁵ Note that RMRA revenues are delayed 60 days from collection to allocation. That is, the revenues for a July 1 to June 30 fiscal year are allocated September 1 through August 31. These are spendable in the fiscal year because your accounting staff “accrues” them back into your fiscal year.

transportation program planning, we estimate transportation allocations to cities and counties will increase in outyears at the following growth rates:

Estimated Annual Revenue Growth Rate over prior year

	<u>2025-26</u>	<u>2026-27</u>	<u>2027-28</u>	<u>2028-29</u>	<u>2029-30</u>
HUTA 2103	-1.4%	-1.2%	-2.0%	-2.1%	-2.5%

Your Mileage Revenues May Vary

Long-term, in addition to the growth in statewide local streets and roads revenue collections, the allocations to each particular city will be primarily related to changes in the city's population relative to the change in state population in cities. The current forecast for California population, provided by the Demographics Unit of the California Department of Finance is as follows:⁶

California	<u>2022</u>	<u>2023</u>	<u>2024</u>	<u>2025</u>	<u>2026</u>	<u>2027</u>	<u>2028</u>	<u>2029</u>	<u>2030</u>	<u>2031</u>
Population	39,185,605	38,990,487	38,991,721	39,024,054	39,068,081	39,131,779	39,213,804	39,323,647	39,430,871	39,532,028
..... in Cities	32,713,003	33,118,970	33,120,018	33,182,482	33,219,919	33,274,082	33,343,828	33,437,229	33,528,402	33,614,417
percent change	1.24%	0.00%	0.19%	0.11%	0.16%	0.21%	0.28%	0.27%	0.26%	
	<u>2032</u>	<u>2033</u>	<u>2034</u>	<u>2035</u>	<u>2036</u>	<u>2037</u>	<u>2038</u>	<u>2039</u>	<u>2040</u>	
Population	39,626,155	39,719,558	39,800,683	39,872,787	39,936,372	39,991,277	40,037,385	40,076,005	40,106,449	
Population in Cities	33,694,454	33,773,875	33,842,856	33,904,167	33,958,234	34,004,920	34,044,126	34,076,965	34,102,852	
percent change	0.24%	0.24%	0.20%	0.18%	0.16%	0.14%	0.12%	0.10%	0.08%	

If you think your city's population growth will be significantly different from the statewide average in cities, then you should adjust accordingly. For example, the City of Buenavida's planning department estimates the city will see average annual residential population growth of 1.5 percent annually over the next ten years. The city's estimated HUTA 2105 allocation for FY2025-26 is \$381,200. The long term projection of Section 2105 revenue would be:

$$\text{\$381,200} \times \text{Sec2105 growth} \times \text{Buenavida Population Growth} \div \text{Statewide City Population Growth}$$

$$\text{So, for 2026-27, the city would estimate } \$381,200 \times 1.007 \times 1.015 \div 1.0019 = \$388,829$$

And long term ...

<u>City of Buenavida EXAMPLE</u>		<u>2025-26</u>	<u>2026-27</u>	<u>2027-28</u>	<u>2028-29</u>	<u>2029-30</u>	<u>2030-31</u>	<u>2031-32</u>
HUTA Sec2015	\$ 381,200							
2105 growth		0.7%	0.9%	0.6%	0.5%	0.0%	0.0%	0.0%
Buenavida pop		1.5%	1.5%	1.5%	1.5%	1.5%	1.5%	1.5%
Cities pop		0.19%	0.11%	0.16%	0.21%	0.28%	0.27%	
HUTA Sec2015	\$ 388,829	\$ 397,707	\$ 405,350	\$ 412,680	\$ 417,701	\$ 422,824		

⁶ See <http://www.dof.ca.gov/Forecasting/Demographics/projections/> California population in cities estimated by author based on recent historic trend of proportion of population in cities.

Changes for in allocations to an individual county will be affected by many things including: the population of the county relative to the total population of the state, proportion of population in the unincorporated area of the county, as well as relative numbers of vehicle registrations, assessed values and maintained road miles.

Next Update

The next update to these revenue estimates will be in January 2026.

AGENDA BILL

Agenda Item No. 7.I.

Date: June 17, 2025
To: El Cerrito City Council
From: Jarrett Mullen, Sustainable Transportation Program Manager, Community Development Department; Yvetteh Ortiz, Public Works Director/City Engineer, Public Works Department
Subject: Designate One On-Street Parking Space for Zipcar on Kearney Street South of Manila Avenue

ACTION PROPOSED

Adopt a resolution designating one on-street parking space for Zipcar on the east side of Kearney Street south of Manila Avenue, fronting the California Department of Motor Vehicles.

BACKGROUND

Car sharing is a service that provides members with access to a fleet of vehicles on an hourly basis. Members reserve a car online, walk to the nearest parking space, open the door with their phone or keycard, and drive off. They are billed at the end of their trip. By providing an alternative to car ownership, car sharing is proven to reduce parking demand and complement walking, bicycling, and public transit use. Research shows that each car share vehicle can [replace as many as 11 private vehicles](#) and on average, are [shared among 19 unique users](#). In contrast, a typical private car is shared between two unique users.

El Cerrito was previously served by two car share companies: Zipcar and Gig Car Share, both of which withdrew from the City in 2024. Gig Car Share ended operations in all markets due to shifting travel patterns and rising costs, while Zipcar paused operations at several Bay Area locations, including its two El Cerrito locations, to address operational and safety issues, which have since been resolved. To support the City's sustainable transportation policies, City staff engaged Zipcar to discuss returning service to El Cerrito and identified an opportunity to site a Zipcar in a designated on-street parking space on the east side of Kearney Street south of Manila Avenue, fronting the California Department of Motor Vehicles (6400 Manila Avenue).

ANALYSIS

Because of car share's proven sustainable mobility benefits, many public agencies allow car share operators curb access in the public right-of-way, including public parking. The City is no exception. Between 2022 and 2024, the City created a pilot program agreement that authorized Gig Car Share to operate in the City, joining Gig's broader service area in the Bay Area. Gig operated a "one-way" service model where members could end their rentals at most public parking spaces within the service area and start trips by using an app to find nearby cars.

Prior to the end of Gig service in 2024, Gig's data showed strong demand for car share in El Cerrito. During an average month, each Gig vehicle was shared by 11 unique users who took an average of 1.4 trips per vehicle per day, meaning that each vehicle was shared among many users and was not sitting idle for long periods of time, both important benchmarks for successful car share markets. Gig representatives confirmed to City staff that El Cerrito demand was meeting their expectations, but a range of factors ultimately led to Gig's decision to end service in all markets, including shifting travel patterns following COVID-19 shelter-in-place mandates, increasing costs, and changes in business strategy and priorities from Gig's parent company, AAA.

In contrast to Gig's "one-way" service model, Zipcar employs a "round trip" service model where vehicles are positioned at designated parking spaces and members start and end trips at the same location. Zipcar is looking to reactivate its two prior El Cerrito locations, one at each of the City's BART station rider parking lots, later this year. Zipcar's BART station locations, however, leave a gap in coverage for the Midtown area. To serve this area, City staff and Zipcar representatives identified one on-street parking space along the east side of Kearney Street south of Manila Avenue fronting the California Department of Motor Vehicles (DMV) as an ideal site for a designated Zipcar location.

This location would serve residents and employees alike. City Hall and DMV employees who commute to work without a vehicle could use Zipcar for daytime appointments or errands, while residents of nearby multifamily buildings such as Cerrito Vista, Civic Plaza, Village at Town Center, and complexes along Liberty Street would now have access to a shared vehicle. By designating one on-street parking space for Zipcar, the vehicle would be shared among many users and support the City's mobility objectives to provide transportation choices, reducing driving and parking demand.

The relationship between Zipcar and the City is shaped by the California Vehicle Code (CVC) and documented by an agreement between the two parties. CVC Section 22507.1 authorizes a local authority to designate, by ordinance or resolution, certain public parking spaces for the exclusive use of motor vehicles participating in a car share vehicle program, while the agreement defines the terms and conditions of Zipcar's use of the public right-of-way, which will be reviewed and approved by the City Manager and City Attorney per El Cerrito Municipal Code Chapter 13.12.

STRATEGIC PLAN CONSIDERATIONS

This action supports the [City's Strategic Plan Goal\(s\)](#) of:

- *High Performing Organization; and*
- *Livability and Belonging; and*
- *Infrastructure and Amenities; and*
- *Environmental Sustainability.*

ENVIRONMENTAL CONSIDERATIONS

Adopting this resolution is exempt from review under the California Environmental Quality Act (CEQA). The actions contemplated consist of maintenance and operation of existing facilities and authorization of use of those facilities (CEQA Guidelines Section 15301).

FINANCIAL CONSIDERATIONS

Zipcar is required, at their sole cost, to install and maintain (and in the event service ends, remove) all parking signage and markings to the satisfaction of the City Engineer.

LEGAL CONSIDERATIONS

The City Attorney has reviewed and the proposed action and found that legal considerations have been addressed. The City Attorney will review and approve the final form of the agreement between the City and Zipcar that outlines the terms and conditions of Zipcar's use of the public right-of-way.

1. Resolution

RESOLUTION 2025–XX

RESOLUTION OF THE CITY COUNCIL OF THE CITY OF EL CERRITO APPROVING DESIGNATED ON-STREET PARKING SPACE FOR ZIPCAR

WHEREAS, by providing an alternative to car ownership, car share is proven to reduce the number of vehicles on the road and complement walking, bicycling, and public transit use; and

WHEREAS, the City intends to enter into an agreement (“Agreement”) with Zipcar to provide car share services within the City; and

WHEREAS, as a condition of the Agreement, the City must provide Zipcar with one designated on-street parking space within the City; and

WHEREAS, Vehicle Code section 22507.1 authorizes a local authority to designate certain streets for the exclusive parking of motor vehicles participating in a car share vehicle program or ridesharing program; and

WHEREAS, pursuant to Vehicle Code section 22507.1, the City intends to designate a parking space on Kearney Street in front of the Department of Motor Vehicles that will be marked by signage; and

WHEREAS, adopting this resolution is exempt from review under the California Environmental Quality Act (CEQA). The actions contemplated consist of maintenance and operation of existing facilities and authorization of use of those facilities (CEQA Guidelines Section 15301).

NOW THEREFORE, BE IT RESOLVED by the City Council of the City of El Cerrito that the foregoing recitals are true and correct and made a part of this resolution.

BE IT FURTHER RESOLVED, that the City Council approves the designation of an exclusive parking spot for Zipcar on Kearney Street fronting the Department of Motor Vehicles, to be specifically sited by the Public Works Director, including but not limited to installation of any signage and curb painting.

BE IT FURTHER RESOLVED, that the City Council hereby authorizes the Public Works Director / City Engineer to modify the location of the designated exclusive parking spot for Zipcar.

BE IT FURTHER RESOLVED, that this Resolution shall become effective immediately upon passage and adoption.

I CERTIFY that at a regular meeting on June 17, 2025, the City Council of the City of El Cerrito passed this Resolution by the following vote:

AYES:

NOES:

ABSENT:

ABSTAIN:

IN WITNESS of this action, I sign this document and affix the corporate seal of the City of El Cerrito on _____.

Holly M. Charléty, City Clerk

APPROVED:

Carolyn Wysinger, Mayor

AGENDA BILL

Agenda Item No. 7.J.

Date: June 17, 2025
To: El Cerrito City Council
From: Christina Leard, Management Analyst III; Amelia Timbers, Operations and Environmental Services Division Manager; Yvetteh Ortiz, Public Works Director/City Engineer, Public Works Department
Subject: Amendment to Agreement with Napa Recycling and Waste Services, LLC (NRWS) for Commingled Recyclable Materials Processing Services

ACTION PROPOSED

Adopt a resolution authorizing the City Manager to amend the agreement with Napa Recycling and Waste Services, LLC (NRWS) for commingled recyclable materials processing services to extend the contract term by six months through December 31, 2025, in an amount not to exceed \$110,000.

BACKGROUND/ANALYSIS

The City of El Cerrito operates the City's recycling programs, including the curbside recycling collection for El Cerrito residents and businesses and the daily operations of the Recycling + Environmental Resource Center (Recycling Center).

In the spring of 2019, the City requested proposals from recyclable materials processors within reasonable distance of El Cerrito. Based on evaluation of the four submitted proposals, NRWS was found to provide the best value to the City. As a result, on [June 18, 2019](#), the City Council approved an agreement with NRWS to process (namely to sort, bale, market, and transport) the commingled recyclable materials from the City's curbside collection ([Resolution 2019-39](#)).

On [June 16, 2020](#), the City Council approved a First Amendment to the agreement that increased the pricing from \$25 to \$55 per ton to incorporate additional government fees from the City of Napa and extended the term through June 30, 2021 ([Resolution 2020-35](#)). On [June 1, 2021](#), the City Council approved a Second Amendment to the Agreement, extending the term through June 30, 2022, and with no change in the pricing ([Resolution 2021-28](#)). On [June 21, 2022](#), the City Council approved a new one-year [agreement with NRWS](#) that would annually renew for two successive one-year terms through June 30, 2025 ([Resolution 2022-45](#)). Both in 2020 and 2022, City staff engaged R3 Consulting Group Inc., a solid waste consulting firm, to confirm that pricing terms with NRWS were the most competitive available to the City. Even considering higher operational costs for transportation and staff time, NRWS's price of \$55 per ton remained the most competitive total price given the market conditions.

On April 1, 2025, the City Council authorized the West Contra Costa Integrated Waste Management Authority (Authority), also known as RecycleMore, to negotiate and enter into a regional post-collection agreement for solid waste including garbage, recycling, and green waste ([Resolution 2025-20](#)). In the prior fall, RecycleMore released a Request for Proposals (RFP) for post-collection services for the RecycleMore service area, which is comprised of the cities of El Cerrito, San Pablo, Richmond, Pinole, and Hercules and parts of unincorporated Contra Costa County. El Cerrito was included in the RecycleMore RFP because the City is interested in joining the regional PCA due to the potential economies of scale for the City, RecycleMore, and the other RecycleMore member agencies. RecycleMore received a sole proposal from Republic Services, reviewed the proposal, and requested authorization to begin negotiations with Republic Services. Negotiations are underway and are not expected to be completed for several months.

In the interim, the City must maintain services to process commingled recyclable materials from its curbside collection. City staff have been satisfied with the performance of NRWS under the agreement, and NRWS has been pleased with the quality of El Cerrito's material. Both parties desire to extend the agreement and NRWS has offered to maintain the current rate of compensation of \$55 per ton, which is still competitive. As a result, City staff propose that the term of the agreement with NRWS be extended by six months through December 31, 2025, for a not-to-exceed amount of \$110,000. This expiration date would align with that of the City's current post-collection agreement for the processing of curbside garbage and green waste.

STRATEGIC PLAN CONSIDERATIONS

This action supports the [City's Strategic Plan Goal\(s\)](#) of:

- *High Performing Organization* by ensuring the lowest possible cost for the processing of recyclable material, and
- *Infrastructure and Amenities*; by maintaining an emphasis on providing excellent customer service and by ensuring the City's solid waste programs, including recycling services, are delivered in a continuous and dependable manner, and
- *Environmental Sustainability* by continuing to invest in the City's recycling programs and serving El Cerrito community members as they continue to divert waste from the landfill.

ENVIRONMENTAL CONSIDERATIONS

All jurisdictions in California are required by law to provide recycling services for their residents and businesses through mandates established by AB 989, AB 341, and most recently SB 1383. In particular, SB 1383 mandates higher recycling and organics diversion compliance and required local governments to make recycling mandatory for all solid waste generators. Reliable and proper disposal, processing, and diversion of solid waste is necessary to protect the health and welfare of the community and environment. Contracting with NRWS for the processing of the City's curbside material will ensure the continuity of the City's recycling programs.

Pursuant to Title 14, the California Code of Regulations, Section 15378(b)(5) of the California Environmental Quality Act (CEQA) guidelines, the proposed action is an administrative activity of the City that will not result in direct or indirect physical changes to the environment. It is also exempt from review under Guidelines Section 15301 for operation of existing facilities.

FINANCIAL CONSIDERATIONS

Funding for the costs to process the City's commingled recyclable materials has been incorporated into the Integrated Waste Management (IWM) Fee setting effective January 1, 2025 ([Resolution 2024-89](#)) and are included in the IWM Fund as part of the Fiscal Year 2025-26 Budget.

LEGAL CONSIDERATIONS

The City Attorney has reviewed the proposed action and found that legal considerations have been addressed.

RESOLUTION 2025-XX

RESOLUTION OF THE CITY COUNCIL OF THE CITY OF EL CERRITO AUTHORIZING THE CITY MANAGER TO EXECUTE AN AMENDMENT OF THE AGREEMENT WITH NAPA RECYCLING AND WASTE SERVICES, LLC FOR COMMINGLED RECYCLABLE MATERIALS PROCESSING SERVICES TO EXTEND THE CONTRACT TERM BY SIX MONTHS THROUGH DECEMBER 31, 2025 IN AN AMOUNT NOT TO EXCEED \$110,000

WHEREAS, the City of El Cerrito (City) provides Integrated Waste Management Services for residents and businesses in its jurisdiction, including curbside collection of recyclable materials and operation of the El Cerrito Recycling + Environmental Resource Center; and

WHEREAS, in June 2019, the City approved a one-year agreement with Napa Recycling and Waste Services (NRWS) to process (namely to sort, bale, market, and transport) commingled recyclable materials from the City's curbside collection (Resolution 2019-39); and

WHEREAS, in response to additional government fees from the City of Napa, the price for materials processing at NRWS increased from \$25 to \$55 per ton effective July 1, 2020; and

WHEREAS, after determining that the contract pricing continued to be the most competitive pricing available to the City, the City agreed to extend the contract term through June 30, 2021 (Resolution 2020-35) and then again through June 20, 2022 (Resolution 2021-28), and then approved a new agreement effective through June 30, 2025 (Resolution 2022-45); and

WHEREAS, in April 2025, the City authorized the West Contra Costa Integrated Waste Management Authority, also known as RecycleMore, to negotiate and enter into new regional post-collection agreement for solid waste including garbage, recycling, and green waste (Resolution 2025-20); and

WHEREAS, RecycleMore's efforts on the regional post-collection agreement are underway and not expected to be completed for several months and, in the interim, the City must maintain services to process commingled recyclable materials from its curbside collection; and

WHEREAS, the City remains satisfied with NRWS's performance and both the City and NRWS desire to continue their contracting relationship at the current rate of compensation, which remains competitive; and

WHEREAS, the annual amount of recyclable materials collected by the City and processed at \$55 per ton by NRWS does not exceed \$220,000 per year; and

WHEREAS, to provide the City with contracting stability, NRWS has agreed to an initial term through December 31, 2025, which aligns with expiration date of the City's current post-collection agreement for processing of curbside garbage and green waste; and

WHEREAS, funding for the costs to process the City's commingled recyclable materials has been incorporated into the Integrated Waste Management (IWM) Fee effective January 1, 2025 (Resolution 2024-89); and such funds will be appropriated in the IWM Fund as part of the Fiscal Year 2025-26 Budget; and

WHEREAS, the proposed action is an administrative activity of the City that will not result in direct or indirect physical changes to the environment and relates to the operation of existing facilities. It is therefore exempt from review under the California Environmental Quality Act (CEQA) (CEQA Guidelines Sections 15378(b)(5) and 15301).

NOW THEREFORE, BE IT RESOLVED by the City Council of the City of El Cerrito that the foregoing recitals are true and correct and made a part of this resolution.

BE IT FURTHER RESOLVED that the City Council of the City of El Cerrito hereby authorizes the City Manager to execute an amendment to the agreement with Napa Recycling and Waste Services to extend the contract term by six months through December 31, 2025, in an amount not to exceed \$110,000.

BE IT FURTHER RESOLVED that this Resolution shall become effective immediately upon passage and adoption.

I CERTIFY that at a regular meeting on June 17, 2025 the City Council of the City of El Cerrito passed this Resolution by the following vote:

AYES:	COUNCILMEMBERS:
NOES:	COUNCILMEMBERS:
ABSTAIN:	COUNCILMEMBERS:

**FIRST AMENDMENT
TO
AGREEMENT WITH NAPA RECYCLING AND WASTE SERVICES, LLC FORPROCESSING
RECYCLABLE MATERIALS FROM THE CITY OF EL CERRITO**

This First Amendment (Amendment) is entered into and effective as of June 30, 2025, and amends that certain Agreement for Processing Recyclable Materials From the City of El Cerrito (Agreement) by and between Napa Recycling and Waste Services (Processor) and the City of El Cerrito (City) dated July 1, 2022.

RECITALS

WHEREAS, in 2022, the City and Processor entered into the Agreement for processing of commingled curbside recyclable materials is set at \$55.00 per ton for the Acceptable Materials listed in Exhibit 1; and

WHEREAS, the Agreement term is through June 30, 2023, with automatic extensions of the contract on an annual basis for up to two (2) consecutive terms; and

WHEREAS, the City has determined that it requires an agreement for processing of commingled curbside recyclable materials through December 31, 2025 to align with the City's current post-collection agreement for processing of curbside garbage and green waste that expires December 31, 2025, with an option to terminate at any time at the discretion of the City of El Cerrito's per the terms of the current Agreement, and

WHEREAS, the City remains satisfied with NRWS's performance and services and both the City of El Cerrito and NRWS desire to continue their contracting relationship; and

WHEREAS, the annual amount of recyclable material collected by the City and processed at \$55.00 per ton by Processor does not exceed approximately \$220,000 per year; and

NOW THEREFORE, in consideration of the mutual covenants and agreements contained the Agreement and in this Amendment, and other good and valuable consideration, the receipt and adequacy of which is hereby acknowledged, the City and Processor hereby agree as follows:

Section 1. The above recitals are true and correct and incorporated in this Amendment by this reference.

Section 2. Section 6.1 (erm) is amended to read as follows:

The term of this Agreement shall commence upon execution and terminate on December 31, 2025, unless the Agreement is otherwise terminated or modified, as provided for herein.

Section 3. Section 3.1 (price), Exhibit 2 of the Agreement is amended to add the following:

The Total Compensation for the period July 1, 2025, through December 31, 2025, shall not exceed \$110,000.

Section 4. Except as set forth herein, all other terms and conditions of the Agreement remain unchanged and in full force and effect.

Napa Recycling and Waste Services, LLC.

Name, Title

AGENDA BILL

Agenda Item No. 7.K.

Date: June 17, 2025
To: El Cerrito City Council
From: Christina Leard, Management Analyst III; Amelia Timbers, Operations & Environmental Services Division Manager; Yvetteh Ortiz, Public Works Director/City Engineer, Public Works Department
Subject: Amendment to Agreement with East Bay Sanitary Company, Inc. for Street Sweeping Services

ACTION PROPOSED

Adopt a resolution approving and authorizing the City Manager to execute an amendment to the agreement with East Bay Sanitary Company, Inc. for street sweeping services to extend the contract term by one additional year through June 30, 2026, in an amount not to exceed \$112,716.19.

BACKGROUND/ANALYSIS

Per the terms of the City's National Pollutant Discharge Elimination System (NPDES) Municipal Regional Permit (MRP), the City of El Cerrito (City) is responsible for keeping its streets, gutters, storm drains, creeks, and waterways free of trash, debris and other pollutants. Trash, debris, and other pollutants on City streets can easily be mobilized by rain and wind to gutters and storm drain inlets, ending up in storm drain pipes flowing to creeks and the San Francisco Bay. Regular street sweeping of residential and commercial streets is an effective method of removing trash, debris, and other pollutants from City streets before they can enter the storm drain system.

After a Request for Proposals (RFP) process in November 2014, the City of El Cerrito City Council ([Resolution No. 2014-71](#)) approved [an agreement with East Bay Sanitary Company Inc.](#) ("Contractor") to provide street sweeping services in an amount not to exceed \$86,132.76 adjusted for Consumer Price Index (CPI) increases through June 30, 2020, with automatic extensions of up to five additional one-year terms. The contract period will expire as of June 30, 2025. Accounting for CPI increases, the current contract amount is \$110,074.40 in Fiscal Year 2024-25.

City staff propose that the term of the agreement be extended by one year through June 30, 2026, to allow staff sufficient time and flexibility to conduct another RFP process for street sweeping services. The Contractor has agreed to continue to provide the services provided in Exhibit A of the original Agreement, adjusted for a CPI of 2.4% in the amount of \$2,641.79 (October 2024 for the San Francisco-Oakland-San Jose All Items Consumer Price Index).

To improve the effectiveness of street sweeping as part of a separate effort, City staff are investigating the implementation and enforcement of parking restrictions for street sweeping purposes as part of the El Cerrito Parking Management Action Plan (PMAP), which is being developed to modernize the City's on-street parking program in preparation for the El Cerrito Plaza BART Station Transit Oriented Development. In the meantime, staff is developing updated outreach and education to residents about the street sweeping program to increase awareness and participation.

STRATEGIC PLAN CONSIDERATIONS

This action supports the [City's Strategic Plan Goal\(s\)](#) of:

- *Infrastructure and Amenities; and*
- *Environmental Sustainability.*

ENVIRONMENTAL CONSIDERATIONS

The regular street sweeping services of East Bay Sanitary Company, Inc. are an effective method of removing trash, debris, and other pollutants from City streets before they can enter the storm drain system. This proposed action is categorically exempt from review under the California Environmental Quality Act (CEQA) because it continues current maintenance of existing roads (CEQA Guidelines Section 15301).

FINANCIAL CONSIDERATIONS

Fiscal Year 2025-26 funding for street sweeping services is available as follows:

- General Fund in the amount of \$110,074.40 (same as in Fiscal Year 2024-25)
- National Pollutant Discharge Elimination System in the amount of \$2,641.79 for a 2.4% CPI increase.

LEGAL CONSIDERATIONS

The City Attorney has reviewed this action and found that legal considerations have been addressed.

RESOLUTION NO. 2025-XX

RESOLUTION OF THE CITY COUNCIL OF THE CITY OF EL CERRITO APPROVING AND AUTHORIZING THE CITY MANAGER TO EXECUTE AN AMENDMENT TO THE AGREEMENT WITH EAST BAY SANITARY COMPANY, INC. FOR STREET SWEEPING SERVICES TO EXTEND THE CONTRACT TERM BY ONE ADDITIONAL YEAR THROUGH JUNE 30, 2026 IN AN AMOUNT NOT TO EXCEED \$112,716.19

WHEREAS, per the terms of the City's National Pollutant Discharge Elimination System (NPDES) Municipal Regional Permit (MRP), the City of El Cerrito (City) is responsible for keeping its streets, gutters, storm drains, creeks, and waterways free of trash, debris, and other pollutants; and

WHEREAS, trash, debris and other pollutants on City streets can easily be mobilized by rain and wind to gutters and storm drain inlets, and end up in storm drain pipes flowing to creeks and San Francisco Bay; and

WHEREAS, regular street sweeping of residential and commercial streets is an effective tool at removing trash, debris, and other pollutants from City streets before they can enter the storm drain system; and

WHEREAS, the agreement with East Bay Sanitary Company Inc. to provide street sweeping services for an annual amount not to exceed \$86,132.76 adjusted for Consumer Price Index (CPI) increases became effective January 1, 2015 through June 30, 2020, with automatic extensions of up to five additional one-year terms and is set to expire as of June 30, 2025 (Resolution No. 2014-71); and

WHEREAS, accounting for CPI increases, the current contract amount is \$110,074.40 in Fiscal Year 2024-25; and

WHEREAS, the City seeks to maintain current NPDES compliance levels while City staff conducts a new Request for Proposals process within the next year; and

WHEREAS, East Bay Sanitary Company, Inc. agrees to provide ongoing street sweeping services through June 30, 2026 for an amount not to exceed \$112,716.19 (\$110,074.40 plus 2.4% CPI increase) in Fiscal Year 2025-26; and

WHEREAS, Fiscal Year 2025-26 funding for street sweeping services is available in the General Fund and NPDES Fund; and

WHEREAS, this action is categorically exempt from review under the California Environmental Quality Act (CEQA) because it continues current maintenance of existing roads (CEQA Guidelines Section 15301).

NOW THEREFORE, BE IT RESOLVED by the City Council of the City of El Cerrito that the foregoing recitals are true and correct and made a part of this resolution.

BE IT FURTHER RESOLVED that the City Council hereby approves and authorizes the City Manager to execute an amendment to the agreement with East Bay Sanitary Company Inc. to extend the contract term by one additional year through June 30, 2026 for an amount not to exceed \$112,716.19.

BE IT FURTHER RESOLVED that this resolution shall become effective immediately upon passage and adoption.

**FIRST AMENDMENT
to
AGREEMENT FOR GENERAL SERVICES
BETWEEN THE CITY OF EL CERRITO AND
EAST BAY SANITARY COMPANY, INC.**

This First Amendment (Amendment) is entered into and effective as of _____, 2025 and amends that certain Agreement for Services (Agreement) between the City of El Cerrito (City) and East Bay Sanitary Company, Inc. (Contractor) dated November 25, 2014.

RECITALS

WHEREAS, in 2014, the City and Contractor entered into the Agreement to provide street sweeping services in an amount not to exceed \$86,132.76 adjusted annually for the Consumer Price Index (CPI) as specified; and

WHEREAS, the Agreement term extends through June 30, 2020, with automatic extensions of up to five additional one-year terms, and is set to expire on June 30, 2025; and

WHEREAS, accounting for CPI increases, the current contract amount is \$110,074.40 in Fiscal Year 2024-25; and

WHEREAS, the City desires to extend the Agreement through June 30, 2026 to maintain current levels of compliance with City's National Pollutant Discharge Elimination System Municipal Regional Permit; and

WHEREAS, the Contractor agrees to continue to provide the services, provided in Exhibit A of the Agreement, adjusted for the most current CPI of 2.4% in the amount of \$2,641.79 (October 2024 for the San Francisco-Oakland-San Jose All Items Consumer Price Index).

NOW THEREFORE, for and in consideration of the mutual covenants and agreements contained the Agreement and in this Amendment, and other good and valuable consideration, the receipt and adequacy of which is hereby acknowledged, the City and Contractor hereby agree as follows:

Section 1. The above recitals are true and correct and incorporated in this Amendment by this reference.

Section 2. Section 2 (Term) of the Agreement is amended to extend the agreement for an additional year through June 30, 2026.

Section 3. Section 3 (Compensation) of the Agreement is amended to increase the compensation by \$2,641.79, bringing the total compensation for the period July 1, 2025, through June 30, 2026, to an amount not to exceed \$112,716.19.

Section 4. Except as otherwise expressly set forth herein, all other terms and conditions of the Agreement remain unchanged and in full force and effect.

AGENDA BILL

Agenda Item No. 8.A.

Date: June 17, 2025
To: El Cerrito City Council
From: Thomas Wade, Fire Prevention Officer; Chase Beckman, Fire Marshal, Fire Department
Subject: Fire Hazard Abatement Hearing and Declaration

ACTION PROPOSED

Staff requests that the City Council:

1. Adopt a resolution declaring weeds, rubbish, litter, or other flammable material on certain real property identified in the resolution constitutes a public nuisance; and
2. Conduct a public hearing and upon conclusion, adopt a resolution overriding objections by property owners and ordering the City Manager or their designee to abate certain public nuisances pursuant to El Cerrito Municipal Code Chapter 16.26.

BACKGROUND

Following the Oakland/Berkeley Hills Fire in October 1991, El Cerrito needed a comprehensive citywide program to reduce hill area fire hazards in the City. The "fire storm" in the Oakland/Berkeley Hills was in fact an urban conflagration, fueled by vegetation among homes and large acreage properties that was driven by seasonally strong dry winds from the east. The fire destroyed over 3,000 dwellings. At the time of the Oakland/Berkeley Hills Fire, El Cerrito faced similar fire hazard conditions in its hill area. The City Council was determined to reduce those fire hazards by all reasonable means.

El Cerrito's comprehensive fire hazard reduction program focused upon reducing fire hazards in four areas: (1) on City property, (2) on property owned by other agencies (3) large landowners and (4) on residential property. The City began a comprehensive planning process to reduce fire hazards on City property, other agencies' properties and large landholders. These property owners were approached about reducing fire hazards on their properties. Prior efforts at fire hazard reduction on private residential property relied on voluntary compliance by the owners. The City Council concluded that stronger measures were necessary to enforce the laws regarding abatement of fire hazards on residential private property.

The Fire Hazard Abatement Program is designed to reduce fire hazards on a large number of private properties during the spring and early summer months. A process of advance notice and hearings for property owners is coupled with a public education program involving the promulgation of standards for vegetation management in

residents' yards and vacant lots.

This program seeks to remove weeds, rubbish, litter or other flammable material from private properties where such flammable material endangers the public safety by creating a public nuisance and a fire hazard.

Most property owners voluntarily abate these hazards without Fire Department involvement. However, we anticipate that a small number of owners are content to have the City do the work and place the costs on their tax bill. For 30 years, the City's annual Fire Hazard Abatement Program has been very successful in reducing fire hazards throughout the hill neighborhoods of El Cerrito. Indeed, this program has become a model program which other fire jurisdictions have borrowed from.

ANALYSIS

Beginning in April of this year, the Fire Department conducted fire hazard inspections with a focus on the Very High Fire Hazard Severity Zone (as last adopted). The inspections began on April 9th and have continued due to re-growth and citizen complaints. As a result of the on-going inspections, a list of properties containing public nuisances was generated, which continues to be amended as additional properties are identified. Between April 24th and May 1st, the identified properties determined to be in violation of El Cerrito Municipal Code Chapter 16.26 were notified in writing of the hazards on their property and to abate those hazardous conditions. The El Cerrito Vegetation Management Standards Checklist was included with the notification (Attachment 6). Additionally, these property owners were informed in the letter from the Fire Marshal (Attachment 4) of the time, date, and location of the upcoming City Council meeting where their properties would be declared a public nuisance and abatement would be ordered. Property owners were directed to complete the necessary measures to bring their property into compliance prior to the second round of the re-inspection process which began in May 27th and continued through the date of the June 17, 2025 meeting. Only those properties that were not voluntarily abated with the first notice are contained within the Master Abatement List, Exhibit A to the proposed Resolution (List of Properties.)

This public hearing is the next step in the process to eliminate hazards on private properties that were identified as a public nuisance and have not voluntarily abated said violations. In order to achieve full compliance, the City Council is asked to declare the properties to be a public nuisance and direct the City Manager or their designee to abate such public nuisance conditions. Actual City-ordered abatement of fire hazards occurs only after all efforts at providing notice, information, and a public hearing have failed to induce voluntary compliance by the property owner.

The Fire Hazard Abatement process, under the direction of the Fire Department, should proceed according to El Cerrito Municipal Code Chapter 16.26, which specifies the following:

1. The Fire Department determines that hazards must be abated. Pursuant to these

code sections, "hazards" are defined as weeds, rubbish, litter, or other flammable materials which create a fire hazard or are otherwise noxious or dangerous and which exist on specific parcels of property within the City.

2. The Fire Department shall post notice on each property or send notice /by mail that the El Cerrito Fire Department has determined the existence of a public nuisance which must be abated and that a hearing will be held to consider any objections prior to the City Council declaring the properties to be a public nuisance and ordering the City Manager or their designee to perform abatement.
3. At the June 17, 2025 City Council meeting, the City Council shall first adopt a resolution Declaring that Weeds, Rubbish, Litter, or Other Flammable Material on Certain Real Property Constitutes a Public Nuisance (Attachment 1 and 2).
4. At the same meeting, but after adoption of the first resolution, the City Council shall conduct a public hearing to hear and consider all objections to declaration of public nuisances or the procedures proposed for abatement of the same. After the hearing, the Council shall adopt a resolution Overriding Objections by Property Owners and Ordering the City Manager or their Designee to Abate Certain Public Nuisances Pursuant to Chapter 16.26 (Attachment 3).
5. At the conclusion of the June 17, 2025 hearing, a second and final notice shall be sent to each property owner prior to abatement (Attachment 7). This notice will order the immediate abatement of nuisance conditions. This notice will clearly state that if nuisance conditions are ignored, the City shall cause abatement and costs for removal will be assessed against the property as a lien and special assessment. It will also indicate that if the conditions are voluntarily abated, the property shall be removed from the process.
6. If the nuisance is not abated between June 18, 2025 and July 16, 2025, prior to the arrival of the hazard abatement crew, the City of El Cerrito shall cause the weeds, rubbish, refuse, and other flammable material to be removed and shall keep an account of the cost of abatement for each parcel of land where such work is performed according to the City Council adopted Fire Department Master Fee Schedule.
7. At the August 19, 2025 City Council meeting the City Manager or their designee shall submit to the City Council for confirmation an itemized written report showing the cost of abatement work performed. A copy of this report shall be posted for at least ten (10) days prior to its submission to the City Council. Each property owner upon whose property abatement work was performed shall be sent written notice by mail of a hearing by the City Council to consider the cost of abatement work performed on their property.
8. At the City Council Meeting on August 19, 2025, the City Council shall receive and consider the written staff report on abatement actions taken by the City and shall hear any objections from the property owners liable to be assessed for the abatement. The City Council may modify the cost report if deemed appropriate and then confirm the report by motion or resolution.
9. After City Council confirmation of the report, a certified copy of the report shall be filed with the Contra Costa County auditor-tax collector who shall add the amount

of the assessment to the next regular tax bill levied against the parcel.

STRATEGIC PLAN CONSIDERATIONS

This action supports the [City's Strategic Plan Goal\(s\)](#) of:

- *High Performing Organization; and*
- *Community Safety.*

ENVIRONMENTAL CONSIDERATIONS

The Fire Hazard Abatement Program is exempt from California Environmental Quality Act (CEQA) pursuant to Sections 15304 and 15308 of the CEQA Guidelines. Therefore, no further CEQA review is required.

FINANCIAL CONSIDERATIONS

The abatement program will be administered by Fire Department staff with minimum costs expended for printing and mailing. Abatement work will be completed by City maintenance staff or private contract labor as appropriate. Program costs will be recovered through the special assessment and lien process.

LEGAL CONSIDERATIONS

The City Attorney has reviewed and approved the process.

RESOLUTION NO. 2025 - XX

RESOLUTION OF THE CITY COUNCIL OF THE CITY OF EL CERRITO DECLARING THAT WEEDS, RUBBISH, LITTER OR OTHER FLAMMABLE MATERIAL ON CERTAIN REAL PROPERTY CONSTITUTES A PUBLIC NUISANCE

WHEREAS, El Cerrito Municipal Code Chapter 16.26 provides a method by which a local legislative body may abate on private property public nuisance conditions relating to weeds, rubbish, litter or other flammable material that creates a fire hazard, a menace to the public health or which is otherwise noxious or dangerous; and

WHEREAS, the City of El Cerrito Fire Marshal has identified certain real property, by street name, lot and block number, on which the presence of weeds, rubbish, litter or other flammable material creates a fire hazard, a menace to the public health or which is otherwise noxious or dangerous as defined in Chapter 16.26 of the El Cerrito Municipal Code and therefore constitutes a public nuisance; and

WHEREAS, pursuant to El Cerrito Municipal Code Section 16.26.160 and Government Code Section 39560-39588, the City Council shall adopt this resolution declaring that certain real property within the City constitutes a public nuisance.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of El Cerrito that the properties identified on Exhibit A, attached hereto, are declared to be public nuisances pursuant to El Cerrito Municipal Code Section 16.26.160.

BE IT FURTHER RESOLVED that on this same date of June 17, 2025 at 6:00 P.M., or as soon thereafter as the matter may be considered, in the City of El Cerrito, the City Council shall hold a hearing at which owners of the real property identified in Exhibit A hereto may object to the designation of their properties as public nuisances and object to the abatement actions proposed by the City.

BE IT FURTHER RESOLVED that this resolution shall become effective immediately upon passage and adoption.

I CERTIFY that at a regular meeting on June 17, 2025 the El Cerrito City Council passed this resolution by the following vote:

RESOLUTION NO. 2025 - XX

RESOLUTION OF THE CITY COUNCIL OF THE CITY OF EL CERRITO OVERRIDING
OBJECTIONS BY PROPERTY OWNERS AND ORDERING THE CITY MANAGER OR
DESIGNEE TO ABATE CERTAIN PUBLIC NUISANCES PURSUANT TO CHAPTER
16.26

WHEREAS, El Cerrito Municipal Code Chapter 16.26 provides a method by which a local legislative body may abate on private property public nuisance conditions relating to weeds, rubbish, litter or other flammable material that creates a fire hazard, a menace to the public health or which is otherwise noxious or dangerous; and

WHEREAS, the City of El Cerrito Fire Marshal has identified certain real property, by street name, lot and block number, on which the presence of weeds, rubbish, litter or other flammable material creates a fire hazard, a menace to the public health or which is otherwise noxious or dangerous as defined in Chapter 16.26 of the El Cerrito Municipal Code and therefore constitutes a public nuisance; and

WHEREAS, on June 17, 2025, pursuant to El Cerrito Municipal Code Section 16.26.160 and Government Code Sections 39560-39588, the City Council adopted Resolution 2025-XX declaring that certain real property within the City constitutes a public nuisance; and

WHEREAS, El Cerrito Municipal Code Chapter 16.26 provides that notice shall be sent to owners of the real property declared a nuisance pursuant to Resolution 2025-XX providing those owners with the following: description of the nuisance; explanation of how the nuisance must be abated; explanation that if the nuisance is not abated; the City shall abate the public nuisance and the cost of abatement shall be assessed against the property as a special assessment; and informing the owners that the City Council shall hold a hearing at a certain date, time, and place at which the owners may present objections to the designation of their properties as public nuisances or to the proposed abatement of the nuisance; and

WHEREAS, between April 9 and 24, 2025, the City's Fire Department sent written notice to those property owners describing the weeds, rubbish, refuse, or other flammable material that presented a fire hazard and public nuisance; explaining that the Fire Department had determined a public nuisance that must be removed; informing the owners that if they did not abate by May 27, 2025, the City Council would hold a hearing on June 17, 2025 at which the owners could present objections to the declaration of the nuisance or the proposed abatement measures and further explained the City could abate the nuisance and collect the costs as an assessment on the property; and

WHEREAS, on June 17, 2025, the City Council adopted Resolution 2025-XX confirming the nuisance declarations of the City Fire Department and declaring a public nuisance on certain real property pursuant to Chapter 16.26; and

WHEREAS, El Cerrito Municipal Code Section 16.26.160 and Government Code Sections 39560-39588 provide that after adoption of a resolution declaring a public nuisance and notice to affected property owners of the Council's hearing of objections, the Council may overrule any objections and order the City Manager or their designee to abate the public nuisances.

NOW THEREFORE, BE IT RESOLVED by the City Council of the City of El Cerrito that it overrides any objections by owners of that certain real property on which public nuisances were declared in Resolution 2025-XX, including Exhibit A attached thereto (adopted on the same date herewith).

BE IT FURTHER RESOLVED that the City Manager and their designee is hereby ordered to abate the public nuisances by having the weeds, rubbish, refuse, dirt, or other fire hazard or noxious or dangerous materials removed.

BE IT FURTHER RESOLVED that pursuant to El Cerrito Municipal Code Section 16.26.160 and Government Code Section 39574, the City Manager or their designee shall keep an account of the cost of abatement for each parcel of land on which work is performed. The City Manager or their designee shall then prepare an itemized written report to be presented to the City Council so that, after the notice and hearing during the City Council meeting of August 19, 2025 these abatement costs can be confirmed as a special assessment against those parcels.

BE IT FURTHER RESOLVED that this resolution shall become effective immediately upon passage and adoption.

I CERTIFY that at a regular meeting on June 17, 2025 the El Cerrito City Council passed this resolution by the following vote:

AYES:	COUNCILMEMBERS:
NOES:	COUNCILMEMBERS:
ABSENT:	COUNCILMEMBERS:
ABSTAIN:	COUNCILMEMBERS:

IN WITNESS of this action, I sign this document and affix the corporate seal of the City of El Cerrito on _____.

Parcel Number: «APN»

Property Address: «Parcel_Address», El Cerrito, CA 94530

Property Owner: «Legal_Property_Owner»

Property Owner's Address: «Mailing_Address», «Mailing_City», «Mailing_State» «Mailing_Zip»

Dear El Cerrito Property Owner:

With the State's winter rain, the community is facing unprecedented vegetation growth as we head into peak fire danger season. To reduce the fire danger on private property and provide greater community safety, the Fire Department has been inspecting properties and checking for fire hazards. Recently your property listed above was found that it does not comply with the Vegetation Management Guidelines set forth in the City of El Cerrito Vegetation Management Standards. You are being notified now so that you may, if you have not already done so, take steps to remove those fire hazard conditions found on your property.

Enclosed is a copy of the Fire Hazard Reduction Inspection form specifying those areas that are not in compliance as well as the Fire Hazard Reduction Guidelines and Fire Hazard Reductions Checklist that can assist you in bringing your property into compliance. More information on the Vegetation Management Standards and Guidelines may be found on the City's website at: www.el-cerrito.org under Vegetation Management Standards. Additional information is also available at www.readyforwildfire.org or www.cafiresafecouncil.org as well as many others.

If you have recently completed the work to meet these standards, no further action is required. If not, your property is required to be brought into compliance no later than May 27, 2025. There is no need to contact the Fire Department upon completion as we will be re-inspecting all properties. When the Fire Department has cleared your property, you will be removed from our non-compliant list.

On June 17, 2025 at 6:00PM the El Cerrito City Council will hold a public hearing to declare those properties still not in compliance as a public nuisance. Your property is at risk of being declared a public nuisance and subject to further abatement actions. In accordance with the Government Code, you may appear before the Board at this public hearing to dispute this declaration. The location and remote access information can be found on the City's website: <https://www.el-cerrito.org/114/City-Council-Meetings>

If you have not done so already, please take immediate action to remove those fire hazard conditions and we thank you for your cooperation helping us make El Cerrito a more fire safe community.

Sincerely,

Chase Beckman

YOUR PROPERTY IS NOT IN COMPLIANCE WITH THE FIRE CODE.
YOU MUST COMPLETE THE FOLLOWING REQUIREMENTS:

ZONE 1

Zero to 30 feet from buildings, structures, decks,etc. in all portions within El Cerrito and Kensington

1. Remove all dead plants, grass and weeds.
2. Remove dead or dying leaves and pine needles from your yard, roof and rain gutters.
3. Trees shall be maintained so that no portion is closer than 10 feet from any chimney opening.
4. Trees, shrubs, bushes or other vegetation adjacent to or overhanging any structure shall be maintained free of dead limbs and other combustible matter.
5. On mature trees, limbs should be removed up to 10' above the ground. Smaller trees should be limbed to 1/3 of their height up to 6' above the ground, but in no case less than 18" from the ground.
6. Relocate wood piles to Zone 2 if applicable.
7. Remove or prune flammable plants and shrubs near windows.
8. Remove vegetation and items that could catch fire from around and under decks.
9. Create a minimum 6-foot separation between trees, shrubs or vegetation and combustible materials.
10. Vacant lots in Zone 1 shall be maintained to be 10 feet wide along the property line.

ZONE 2

Thirty to 100 feet from buildings, structures, decks, etc. for all parcels within the Very High Fire Hazard Severity Zone. Zone 1 requirements shall be followed in addition to Zone 2 requirements.

1. Cut or mow weeds and grass to a maximum height of 6 inches.
2. All fire hazardous vegetation except for weeds and grass shall be cleared and maintained to a height no greater than 18 inches above the ground.
3. Vacant lots in Zone 2 shall be maintained to be 30 feet wide along the property line.

City of El Cerrito Fire Hazard Reduction Guidelines

Zone 1

Zone 1 extends 30 feet from buildings, structures, decks, etc. in all portions within the City of El Cerrito including the designated Very High Fire Hazard Severity (VHFHS) Zones. Vacant lots in Zone 1 shall be maintained to be 10 feet wide along the property line.

- Remove all dead plants, grass and weeds (vegetation).
- Remove dead or dry leaves and pine needles from your yard, roof and rain gutters.
- Trees shall be maintained so that no portion is closer than 10 feet from any chimney opening.
- Trees, shrubs, bushes or other vegetation adjacent to or overhanging any structure shall be maintained free of dead limbs and other combustible matter such as vines and loose papery bark.
- On mature trees, limbs should be removed up to 10' above the ground. Smaller trees should be limbed to 1/3rd of their height up to 6' above the ground, but in no case less than 18 inches from the ground.
- Relocate wood piles to Zone 2 if applicable.
- Remove or prune flammable plants and shrubs near windows.
- Remove vegetation and items that could catch fire from around and under decks.
- Create a minimum 6-foot separation between trees, shrubs or vegetation and combustible materials.

Zone 2

Zone 2 extends from 30 feet to 100 feet out from buildings, structures, decks, etc. in only those areas within the City of El Cerrito designated as the Very High Fire Hazard Severity (VHFHS) Zones. Vacant lots in Zone 2 shall be maintained to be 30 feet wide along the property line. NOTE: All Zone 1 requirements shall be followed in addition to the following Zone 2 requirements:

- Cut or mow weeds and grass shall be cleared to a maximum height of 6 inches.
- All fire hazardous vegetation except for weeds and grass shall be cleared and maintained to a height no greater than 18 inches above the ground.

Fire Hazard Reduction Checklist

Zone 1 Requirements

Definition: Zone 1 extends 30 feet from buildings, structures, decks, etc. in all portions within the City of El Cerrito including the designated Very High Fire Hazard Severity (VHFHS) Zones

- Remove all dead plants, grass and weeds within 30 feet of buildings, structures, decks, etc.
- Remove dead or dry leaves and pine needles from your yard, roof and rain gutters
- Trees shall be maintained so that no portion is closer than 10 feet from any chimney opening
- Trees, shrubs, bushes or other vegetation adjacent to or overhanging any structure shall be maintained free of dead limbs and other combustible matter such as vines and loose papery bark
- On mature trees, limbs should be removed up to 10' above the ground. Smaller trees should be limbed to 1/3rd of their height up to 6' above the ground, but in no case less than 18" from the ground
- Relocate wood piles to Zone 2 if applicable
- Remove or prune flammable plants and shrubs near windows
- Remove vegetation and items that could catch fire from around and under decks
- Create a minimum 6-foot separation between trees, shrubs or vegetation and combustible materials
- Vacant lots in Zone 1 shall be maintained to be 10 feet wide along the property line

Zone 2 Requirements

Definition: Zone 2 extends from 30 feet to 100 feet out from buildings, structures, decks, etc. in only those areas within the City of El Cerrito designated as the Very High Fire Hazard Severity (VHFHS) Zones. NOTE: All Zone 1 requirements shall be followed in addition to the following Zone 2 requirements

- Cut or mow weeds and grass shall be cleared to a maximum height of 6 inches
- All fire hazardous vegetation except for weeds and grass shall be cleared and maintained to a height no greater than 18 inches above the ground
- Vacant lots in Zone 2 shall be maintained to be 30 feet wide along the property line

June 18, 2025

Parcel Number: **XXX-XX-XXX**
Property Address: XXXXXXXXXXXXXXXX, El Cerrito, CA 94530
Property Owner: XXXXXXXXXXXXXXXX
Property Owner's Address: XXXXXXXXXXXXXXXX

**NOTICE TO DESTROY WEEDS AND REMOVE
RUBBISH, REFUSE AND OTHER FLAMMABLE MATERIAL**

On **June 17, 2025** the El Cerrito City Council declared that your property in the City of El Cerrito, designated above by address and parcel number, constitutes a public nuisance because of the presence of weeds, rubbish, litter or other flammable material which creates a fire hazard, a menace to the public health, or is otherwise noxious or dangerous.

A previous notice was sent to you informing you of the June 17, 2025 hearing and further informing you of your obligation to remove the weeds, rubbish, refuse and other flammable material from your property. **If you do not immediately abate these nuisance conditions, the City will do so and the costs for removal of the weeds, rubbish, refuse and other flammable material will be assessed against your property as a lien and special assessment.** These removal costs shall then be collected in the time and in the manner of ordinary municipal taxes.

You will not receive any further notices from the City prior to this removal. The City shall perform this removal either through its own staff or through private contract sometime between the dates of **July 15, 2025 to July 31, 2025**. It is impossible to predict what it will cost the City to remove these nuisance conditions from your property. The costs depend on the severity of those conditions. In past years these abatement costs have sometimes exceeded \$8,000 per parcel for those parcels with severe nuisance conditions

The City Council will conduct a public hearing on **August 19, 2025** to confirm the cost of the abatement work performed on your property. The meeting may be held both via teleconference and in the **El Cerrito City Council Chambers at 10890 San Pablo Avenue in El Cerrito at 6:00 p.m.** Please refer to the agenda for meeting information at www.el-cerrito.org/CouncilMeetingMaterials. During this public hearing you will be given the opportunity to voice objections regarding the report and the assessment of the abatement costs for your property. At this hearing you will also be given the opportunity to object, protest and/or present evidence to support your arguments.

If you have any questions, contact the El Cerrito Fire Department at 10900 San Pablo Avenue. The phone number is (510) 215-4457.

AGENDA BILL

Agenda Item No. 8.B.

Date: June 17, 2025
To: El Cerrito City Council
From: Chase Beckman, Fire Marshal; Eric Saylor, Fire Chief, Fire Department
Subject: An Ordinance regarding Defensible Space and Home Hardening
Inspections within the High and Very High Fire Hazard Severity Zones as Designated by CalFire and Designating Fire Hazard Severity Zones

ACTION PROPOSED

Conduct a public hearing and, upon conclusion, introduce an Ordinance titled:

AN ORDINANCE OF THE CITY OF EL CERRITO AMENDING CHAPTER 8.30 OF THE EL CERRITO MUNICIPAL CODE TO DESIGNATE FIRE HAZARD SEVERITY ZONES PURSUANT TO GOVERNMENT CODE SECTION 51179 AND TO ESTABLISH PROCEDURES FOR DEFENSIBLE SPACE AND HOME HARDENING INSPECTIONS WITHIN THE HIGH AND VERY HIGH FIRE HAZARD SEVERITY ZONES

BACKGROUND

California continues to experience increasingly severe and frequent wildfires that threaten lives, property, and infrastructure in communities with Wildland-Urban Interface (WUI). Scientific research and post-fire assessments have demonstrated that home hardening and vegetation management immediately surrounding a house significantly reduce the risk of ignition from embers cast during wildfires. The City of El Cerrito continues to promote home-hardening strategies and vegetation management that reduce structural loss during wildfires. In addition, the City of El Cerrito continually supports proactive wildfire risk reduction by aligning local regulations with state laws.

The California Department of Forestry and Fire Protection (CAL FIRE) identifies areas at elevated wildfire risk through Fire Hazard Severity Zone (FHSZ) maps. These maps classify land into Moderate, High, and Very High fire hazard categories based on fuel load, slope, topography, access, and historical fire data. Maps are produced for State Responsibility Areas (SRAs), primarily wildlands where CAL FIRE has primary jurisdiction, and Local Responsibility Areas (LRAs), areas managed by local governments. The [new maps](#), released in February by the California State Fire Marshal, cover areas under the jurisdiction of all local fire departments and assign comparative levels of varying fire-hazard severity based on climate and topography. Under state law, the City is required to adopt or incorporate the new hazard designations of Moderate, High, and Very High into local ordinances within 120 days, to inform and guide local land-use planning, code enforcement and wildfire risk mitigation strategies.

Assembly Bill 38 (AB 38) requires sellers of real property located in High or Very High FHSZs to obtain a defensible space inspection and provide a disclosure report to the buyer about the home's fire-hardening improvements and potential vulnerabilities from wildfire prior to the sale. A mandated home inspection at the time of sale allows the fire department to issue a certificate of compliance or a written report detailing noncompliance to the buyer showing whether or not the property meets defensible space and home hardening requirements within the Public Resources Code and the California Code of Regulations.

The proposed ordinance for the City Council's consideration (Attachment 1) not only adopts the updated fire hazard severity zone (FHSZ) maps, but also creates local requirements to further protect the City from wildfires and provide a mechanism for compliance with AB 38. While the City already has a robust vegetation management program, this ordinance also updates vegetation management standards (including "Zone Zero"), repeals outdated roofing requirements for properties in very high FHSZs, and creates a local requirement for owners of real property in high or very high FHSZs to have a home hardening and defensible space inspection completed and to disclose the result of that inspection to buyers before prior to the time of sale per AB 38. The ordinance will align the City of El Cerrito with state law, decrease our vulnerability to wildfires, and assist residents in maintaining home insurance.

ANALYSIS

The proposed ordinance adopts the updated FHSZ maps per state law, which indicate which areas in the City are classified as Very High, High, and Moderate hazard areas. In addition, the ordinance sets forth the following elements:

AB 38 Home Inspections Prior to Sale

AB 38 requires inspections and disclosures for real estate transactions in wildfire-prone areas. The law applies to real properties in High and Very High FHSZs. It requires sellers to provide documentation disclosing the result of inspections to buyers indicating whether the property complies with the vegetation management and home hardening requirements of [Public Resources Code Section 4291](#) or local vegetation management ordinances.

El Cerrito's current annual fire hazard inspection program includes inspections that require the removal of dead plants, trees trimmed back from structures, trees limbed to 6 feet above the ground, and six-foot separation of shrubs, trees, and vegetation in alignment with [California Code of Regulations \(CCR\) Title 14, Section 1299.01](#). This ordinance will require a more thorough inspection by the Fire Department prior to sale to ensure the property meets the requirements of [Public Resources Code Section 4291](#) and the implementing regulations from the CCR in High and Very High FHSZs.

Vegetation Management

The ordinance requires that any person who owns, leases, controls, operates, or maintains a building or structure within the City must maintain the building or structure in conformance with the vegetation management standards established by the applicable defensible space and harm hardening requirements of [Public Resources Code Section 4291](#), [Government Code Section 51182](#), [CCR Title 14 Sections 1299.01-1299.05](#), and any other state regulations adopted pursuant to these codes and any regulations adopted by the City, as each is amended from time to time.

Roofing Requirements

The ordinance repeals an outdated requirement for properties within the Very High FHSZ to maintain a roof covering that is at least Class B as defined in the Uniform Building Code as adopted and amended by the State Building Standards Commission. This requirement is out of compliance with the City's updated Building Code, which requires that all properties within the City maintain Class A coverings.

Certificate of Compliance

A certificate of compliance is a formal document issued by the local fire authority confirming that a property meets the local and state wildfire requirements. Key elements of compliance include a Class A roof (the highest fire rating for roofing materials), a 5-foot ember-resistant zone, ember-resistant vents, enclosed eaves, and multi-paned windows. (These elements include standards set by Public Resources Code 4291 and its implementing regulations, the Building Code, and local standards.) After inspection by the Fire Department, the Department will issue a certificate of compliance or a written report detailing areas of noncompliance, which must be provided to the buyer of a property prior to its sale. The certificates of compliance will be valid for 90 days and can be given to the homeowner's insurance company, validating their efforts in home hardening and vegetation management. A certificate of compliance may help homeowners maintain insurance and may qualify them for a discount on annual premiums.

In addition, the inspections allow the Fire Department to help the homeowner understand any corrective actions needed to achieve a certificate of compliance. The Fire Department will maintain a database of inspected and certified properties so the City can quantify the progress of wildfire hardening efforts in El Cerrito.

STRATEGIC PLAN CONSIDERATIONS

This action supports the [City's Strategic Plan Goal\(s\)](#) of:

- *High Performing Organization; and*
- *Community Safety; and*
- *Livability and Belonging; and*
- *Infrastructure and Amenities; and*
- *Environmental Sustainability*

ENVIRONMENTAL CONSIDERATIONS

This action is exempt from CEQA under the "General Rule" exemption (CEQA Guidelines §15061(b)(3)) because it can be seen with certainty that there is no possibility the adoption of the ordinance may have a significant effect on the environment. In fact, the proposed ordinance may reduce environmental impacts by enhancing fire prevention.

FINANCIAL CONSIDERATIONS

There may be minor administrative costs associated with inspections and enforcement, offset by inspection fees or state grants for wildfire resilience. Long-term cost savings are anticipated through reduced fire suppression costs and property loss.

LEGAL CONSIDERATIONS

The City Attorney's Office has reviewed this report and the ordinance and found that all legal requirements have been met.

ORDINANCE 2025-XX

AN ORDINANCE OF THE CITY OF EL CERRITO AMENDING CHAPTER 8.30 OF THE EL CERRITO MUNICIPAL CODE TO DESIGNATE FIRE HAZARD SEVERITY ZONES PURSUANT TO GOVERNMENT CODE SECTION 51179 AND TO ESTABLISH PROCEDURES FOR DEFENSIBLE SPACE AND HOME HARDENING INSPECTIONS WITHIN THE HIGH AND VERY HIGH FIRE HAZARD SEVERITY ZONES

WHEREAS, California continues to experience increasingly severe and frequent wildfires that threaten lives, property, infrastructure, and ecosystems, particularly in Wildland-Urban Interface (WUI) and classified Fire Hazard Severity Zones (FHSZs); and

WHEREAS, pursuant to Government Code Section 51178, the State Fire Marshal identifies areas in the state as moderate, high, and very high fire hazard severity zones based on consistent statewide criteria and based on the severity of fire hazard that is expected to prevail in those areas; and

WHEREAS, Government Code Section 51179 requires the City to designate, by ordinance, moderate, high and very high fire severity zones in its jurisdiction within 120 days of receiving recommendations from the State Marshal pursuant to Section 51178.

WHEREAS, defensible space is an area where flammable material is removed or reduced to help protect people, homes, and communities from wildfire.

WHEREAS, Assembly Bill 38 (AB 38), effective January 1, 2021, promotes wildfire resilience by requiring sellers of real property located in high or very high FHSZs to provide buyers with documentation regarding compliance with applicable defensible space standards prior to the sale of the home.

WHEREAS, the City of El Cerrito (“City”) has further advanced fire risk mitigation through the promotion of home hardening strategies, which involve retrofitting buildings with ignition-resistant materials and design features proven to reduce structural loss during wildfires; and

WHEREAS, Government Code Section 51182, Public Resources Code Section 4291, and 14 Cal. Code Regs. Sections 1299.01-1299.05 establish defensible space standards for the 5-30 feet surrounding a property (“Zone 1”) to reduce wildfire risk by minimizing flammable materials and maintaining vegetation in a way that slows fire spread as well as standards for the 30-100 feet surrounding a property (“Zone 2”) to slow the spread of wildfire by reducing the amount of vegetation that could fuel flames.

WHEREAS, scientific research and post-fire assessments have demonstrated that the 0-5 feet immediately surrounding a property (“Zone Zero”) is the most vulnerable area to windborne embers and flame contact, and that keeping this area free of combustible material significantly reduces the risk of structural ignition; and

WHEREAS, the California Board of Forestry and Fire Protection will adopt regulations providing standards for Zone Zero by December 31, 2025 focusing on ember resistance and the removal of combustible materials adjacent to or touching a structure.

WHEREAS, the City supports proactive wildfire risk reduction and seeks to align local regulations with state law by adopting defensible space and home hardening measures that include Zone Zero standards; and

WHEREAS, the City will issue a certificate of compliance to owners of real property upon successful completion of a defensible space and home hardening inspection, providing formal documentation of fire safety compliance as required under AB 38; and

WHEREAS, establishing the City's authority to conduct AB 38 inspections and issuance of certificates of compliance will streamline real estate transactions, enhance public safety, and promote community wide wildfire resilience.

WHEREAS, the City will coordinate with CAL FIRE, the California State Fire Marshal and other relevant agencies to ensure consistency with state programs and to share data, best practices, and compliance information as needed.

NOW THEREFORE, THE CITY COUNCIL OF THE CITY OF EL CERRITO DOES HEREBY ORDAIN AS FOLLOWS:

Section 1: Incorporation of Recitals. The City Council finds that the above Recitals are true and correct and are incorporated herein by reference.

Section 2: Amendment of Municipal Code. Chapter 8.30 of the El Cerrito Municipal Code is hereby amended and restated to read as follows:

Chapter 8.30 FIRE HAZARD SEVERITY ZONES; DEFENSIBLE SPACE AND HOME HARDENING REQUIREMENTS

8.30.010 Designation of fire hazard severity zones.

The Fire Hazard Severity Zones located within the City of El Cerrito are hereby designated as recommended by the California Director of Forestry and Fire Protection pursuant to Government Code Section 51182. The maps of the Fire Hazard Severity Zones are hereby incorporated by reference and entitled "City of El Cerrito Fire Hazard Severity Zones." The official maps are available on the City's website. A copy of these maps shall be kept on file in the office of the fire chief and will also be made accessible through the building department.

8.30.020 Vegetation management standards.

A. Any person who owns, leases, controls, operates or maintains a building or structure shall maintain such building or structure in conformance with the vegetation maintenance standards established by the applicable defensible space and home hardening requirements of Public Resources Code Section 4291, Government Code Section 51182, 14 CCR Sections 1299.01-1299.05 and any other state regulations adopted pursuant to Public Resources Code Section 4291 or Government Code Section 51182, and any regulations adopted by the City, as each is amended from time to time

B. The El Cerrito Fire Department, through the Fire Chief, is hereby authorized and directed to increase defensible space requirements and implement a home hardening program for buildings or structures within the City.

8.30.030 Inspection and issuance of certificates of compliance.

- A. Prior to the sale of any real property that is within a high or very high fire hazard severity zone as designated by the City of El Cerrito Fire Hazard Severity Zones map, the owner of the property must request a defensible space and home hardening inspection from the El Cerrito Fire Department and provide to the buyer a certificate of compliance or noncompliance report provided by the El Cerrito Fire Department pursuant to Section 8.30.030(C).
- B. An owner of any real property that is within a high or very high fire hazard severity zone as designated by the City of El Cerrito Fire Hazard Severity Zones map may voluntarily request a defensible space and home hardening inspection from the El Cerrito Fire Department. Upon completion of the inspection, the El Cerrito Fire Department shall issue a certificate of compliance or a noncompliance report as described in Section 8.30.030(C).
- C. Upon completion of a defensible space and home hardening inspection confirming full compliance with Public Resources Code Section 4291 and 14 CCR Sections 1299.01-1299.05 and Section 8.30.020(A), as each is amended from time to time, the El Cerrito Fire Department shall issue a certificate of compliance valid for a period of up to six (6) months. Upon completion of an inspection confirming noncompliance with Public Resources Code Section 4291 and 14 CCR Sections 1299.01-1299.05 and Section 8.30.020(A), as each is amended from time to time, the El Cerrito Fire Department shall issue a written noncompliance report summarizing each area of noncompliance.
- D. The City may, by resolution of the City Council, adopt a fee to recover the costs required to implement this Section 8.30.030, including the costs of inspections, issuance of certificates of compliance, and preparation of noncompliance reports.

8.30.040 Violations and penalties.

- A. A violation of this chapter shall constitute an infraction punishable by a fine of not less than one hundred dollars nor more than five hundred dollars.
- B. Conviction of a second violation of this chapter within five years shall be punished by a fine of not less than two hundred dollars nor more than five hundred dollars.
- C. Conviction of a third violation of this chapter within five years shall constitute a misdemeanor punishable by a fine of not less than five hundred dollars.

8.30.050 Public nuisance.

Any violation of this chapter shall constitute a public nuisance which may be abated, and abatement costs recovered, in the manner provided in Chapter 8.34, Chapter 16.26 relating to fire hazard abatement, or such other manner as authorized by state or local law.

Section 3: Severability. If any section, subsection, sentence, clause or phrase of this chapter is for any reason held to be invalid or unconstitutional by a decision of any court of competent jurisdiction, such decision shall not affect the validity of the remaining portions of this chapter. The city council hereby declares that it would have passed the ordinance codified in this chapter, and each and every section, subsection, sentence, clause or phrase not declared invalid or unconstitutional without regard to whether any portion of this chapter would be subsequently declared invalid or unconstitutional.

Section 4: Effective Date. This Ordinance shall take effect and be enforced thirty days after the date of its adoption. Prior to the expiration of fifteen days from the passage thereof, the ordinance or a summary thereof shall be posted or published as may be required by law, and thereafter the same shall be in full force and effect.

THE FOREGOING ORDINANCE was introduced at a regular meeting of the City Council on June 17, 2025 and passed by the following vote:

AYES:	Councilmembers
NOES:	Councilmembers
ABSENT:	Councilmembers
ABSTAIN:	Councilmembers

ADOPTED AND ORDERED published at a regular meeting of the City Council held on July 15, 2025 and passed by the following vote:

AYES:	Councilmembers
NOES:	Councilmembers
ABSENT:	Councilmembers
ABSTAIN:	Councilmembers

APPROVED:

ORDINANCE CERTIFICATION

I, Holly M. Charléty, City Clerk of the City of El Cerrito, do hereby certify that this Ordinance is the true and correct original Ordinance No. (2025-XX) of the City of El Cerrito; that said Ordinance was duly enacted and adopted by the City Council of the City of El Cerrito at a meeting of the City Council held on _____, 2025; and that said Ordinance has been published and/or posted in the manner required by law.

WITNESS my hand and Official Seal of the City of El Cerrito on_____.

Holly M. Charléty, City Clerk

AGENDA BILL

Agenda Item No. 9.A.

Date: June 17, 2025
To: El Cerrito City Council
From: Crystal Reams, Finance Director/City Treasurer, Finance Department
Subject: CITY COUNCIL/PUBLIC FINANCING AUTHORITY ITEM
Approval of the City's Fiscal Year 2025-26 Budget Update and Spending Authority by Fund for the City, Public Financing Authority, and Approval of the FY 2025-26 Annual Gann Appropriation Limit.

ACTION PROPOSED

Staff requests that the City Council:

1. Adopt a City Council resolution authorizing Fiscal Year 2025-26 spending authority by fund for the City of El Cerrito
2. Adopt an El Cerrito Public Financing Authority resolution authorizing Fiscal Year 2025-26 spending authority by fund
3. Adopt a City Council resolution approving the calculation and establishing the FY 2025-26 annual Gann appropriation limit

BACKGROUND

On June 18, 2024, the City Council adopted the [Proposed Biennial Budget for Fiscal Years 2024-25 and 2025-26](#) by Resolution No. 2024-46. The budget included the operating and capital budgets for the City of El Cerrito, the Public Financing Authority, and the Employee Pension Board. The Employee Pension Board has no surviving members and has no budget for Fiscal Year 2025-26. The City's Strategic Plan continues to provide the foundation for developing the updated Budget for Fiscal Year 2025-26.

Biennial Budget

The annual budget is the City's service and financial plan for the fiscal year: a planning tool that matches the services described by the community to the resources required in order to provide those services. The City Council adopted a biennial budget beginning in FY 2024-25 that encompassed two fiscal years. The biennial budget allowed staff to provide a high emphasis on long-term planning and forecasting and provided a greater opportunity to focus on how the City's programs and services are working and complying with the Strategic Plan.

The biennial budget also reduced resources associated with annual budgeting, allowing staff the ability to focus on pressing priorities rather than producing a budget book. The previously approved budget document provides a plan that outlines how resources will be utilized to achieve the City's goals; however, adoption of the spending authority provides the legal authority to expend City revenues to realize these objectives. While

the budget document incorporates two fiscal years, the City Council is required per the El Cerrito Municipal Code to adopt and appropriate an annual budget for each fiscal year.

On June 3, 2025 staff presented an updated budget for FY 2025-26 based on actual financial performance to date, current levels of service, and recommendations for the next fiscal year. The City Council is requested to consider approval of the FY 2025-26 budget and spending authority.

ANALYSIS

General Fund Projected Fiscal Year 2024-25 and Proposed 2025-26 Budget

In April 2025, staff presented the third quarter budget update for FY 2024-25 and projected a General Fund reserve balance of \$21.8 million. Table 1 below shows that the adopted FY 2025-26 General Fund budget has a \$15,775 surplus with a year-end reserve ratio of 40.5%. There are no proposed updates to the General Fund budget for expenditures or revenue, only transfers between departments to absorb increased cost projections.

Table 1: Summary of General Fund Revenues, Expenses and Fund Balance				
General Fund Summary	FY 2022-23 Actual	FY 2023-24 Actual	FY 2024-25 Projected	FY 2025-26 Adopted Budget (June 2024)
Beginning Fund Balance	\$ 16,214,375	\$ 23,143,081	\$ 22,893,338	\$ 20,764,918
Total Revenues	50,968,276	52,123,574	51,696,979	53,779,792
Total Expenses & Other Financing Sources (Uses)	44,039,570	52,373,317	53,825,399	53,764,017
Net Change in Fund Balance	6,928,706	(249,743)	(2,128,420)	15,775
Projected/Actual Total Fund Balance	\$ 23,143,081	\$ 22,893,338	\$ 20,764,918	\$ 20,780,693
Fund Balance Reserve %	52.6%	43.7%	38.6%	38.7%

A detailed General Fund balance projection is included in Attachment 5, showing the current trends of the General Fund that incorporate the FY 2025-26 budget (including the action taken on June 3, 2025 for one-time expenditures). As previously discussed, staff will be conducting a Service Delivery Study as well as doing further budget analysis in order to address any projected future deficits and to ensure compliance with the City's Comprehensive Financial Policies.

Capital Improvement Program (CIP)

The proposed expenditures for the FY 2025-26 CIP Budget are shown in Table 2. CIP expenditure increases total \$5,003,759 and revenue increases total \$1,620,000. Currently the CIP has 33 identified projects, including 20 active projects that are either in construction, design, or ongoing planning. Estimated FY 2025-26 expenditures total approximately \$7.8 million for all projects. A variety of projects for transportation, recreation facilities, Ohlone Greenway, and storm drain repairs are underway. The largest projects include Swim Center repairs and modifications, annual Street Improvement Program, Street & Sidewalk Access Modifications, and the Richmond Streets Complete Streets Improvement Project (led by the Contra Costa Transportation Authority).

The CIP Budget table identifies the appropriation of expenditures in various funds. The table also lists the projects to be funded by the City's Measure A Street Improvement Fund (Fund 211), which constitutes the Annual Program of Maintenance and Improvement pursuant to Measure A approved by the votes in 2008, which is updated annually.

Table Capital Improvement Program Budget

**Also See Public Works & Finance Departments Budget for Non-Capital Expenditures in Annual Program of Maintenance and Improvement pursuant to the Measure A "El Cerrito Pothole Repair and Local Street Improvement and Maintenance" transactions and use tax ordinance.

Special Revenue and Debt Service and Enterprise Funds

Table 3 provides a summary of the change in fund balance for all other Special

Revenue, Debt Service and Enterprise Funds. The revenue and expenditure estimates for each of these funds are as per the adopted budget, except where minor revisions were needed due to timing of purchases or projects. Total increases in expenditures of \$4,355,371, and an increase of \$1,620,000 to revenues. Increases are due to SEIU labor agreement increases and various updates due to the timing of purchases or projects. Attachment 4 outlines all changes on a line item basis with department comments.

Table 3: Summary of Special Revenue and Other Funds

Gann Appropriations Limit

Included in the recommended actions for adoption of the FY 2025-26 budget is the approval of the calculation and to establish the City's FY 2025-26 Gann Appropriation Limit as \$195,961,530. Approved in 1979 and amended in 1990, the Gann Initiative sets an annual appropriation limit on City expenditures of specified revenues. This amount is adjusted each year based on changes in population and inflation. The California Government Code requires that the City adopt the Gann appropriations limit by resolution on an annual basis. In FY 2025-26, the respective State and County offices have provided the City with the following factors to establish the Gann limit computation:

Cost of Living

California Per Capita Personal Income = 6.44%

Population

Population Change, City of El Cerrito = (0.31%)

Population Change, County of Contra Costa = 0.00%

Next Steps

The resolutions for the City's spending authority and Gann Limit are presented for the City Council's consideration, and staff recommend approval of the Proposed FY2025-

26 Budget as amended. The City Council may choose to adopt the FY 2025-26 Budget as amended or provide further direction to staff.

STRATEGIC PLAN CONSIDERATIONS

This action supports the [City's Strategic Plan Goal\(s\)](#) of:

- *High Performing Organization; and*
- *Community Safety; and*
- *Livability and Belonging; and*
- *Infrastructure and Amenities; and*
- *Environmental Sustainability*

ENVIRONMENTAL CONSIDERATIONS

This section is not applicable to this agenda item.

FINANCIAL CONSIDERATIONS

With all funds combined, the Amended FY 2025-26 Budget recommends total expenditures of \$74,859,180 an increase of \$6,015,388 and provides funding for all City services, including Police, Fire, Recreation, Community Development, Public Works, and City Management. At this time, total revenues are projected to be \$69,497,298 an increase of \$1,660,000. These funds will continue to be monitored and updated as the impacts of inflation and uncertain economic conditions continue.

For FY 2025-26, staff is proposing a General Fund budget with revenues of \$53,779,792 and expenditures of \$53,764,017, resulting in a surplus of \$15,775; no change from the originally adopted budget presented on June 18, 2024.

LEGAL CONSIDERATIONS

Approval of the attached resolutions is required to adopt the City's spending authority for Fiscal Year 2025-26. In addition to the Gann limit appropriation, there is also a separate resolution for the City's component unit which also must be considered and is presented for approval: the Public Financing Authority. The City Council is obligated to adopt a budget, including spending authority and Gann limit appropriation, by June 30, 2025.

RESOLUTION 2025-XX

RESOLUTION OF THE CITY COUNCIL OF THE CITY OF EL CERRITO ADOPTING THE ANNUAL BUDGET FOR FY 2025-26 AND SPENDING AUTHORITY FROM ALL FUNDS OF THE CITY OF EL CERRITO FOR FISCAL YEAR 2025-26

WHEREAS, City staff have prepared, transmitted, and presented the proposed FY 2025-26 Budget to the City Council of the City of El Cerrito for its consideration, and it has been reviewed and analyzed in public review session; and

WHEREAS, the City prepares and adopts a budget with the intent of providing a planned program for City services and a financial system to carry out the program of services; and

WHEREAS, the proposed budget represents anticipated revenues and proposed expenditures, including interfund transfers, from all funds of the City of El Cerrito; and

WHEREAS, proposed spending authority from tax proceeds are within the City's Fiscal Year 2025-26 Gann Appropriations Limit, as defined by the California State Constitution Article XIIIB.

NOW THEREFORE, BE IT RESOLVED that the City Council of the City of El Cerrito hereby adopts the FY 2024-25 Budget spending limits across funds as follows:

General Fund (101)	53,764,017
Gas Tax (201)	769,498
National Pollu. & Disch. Elimination (202)	439,244
Landscape and Lighting Assessment (203)	827,334
Measure J Return to Source (204)	723,178
Measure J Storm Drain (205)	875,846
Measure H Parcel Tax (207)	740,381
Asset Seizure (208)	75,000
Vehicle Abatement (209)	178,000
Street Improvements (211)	4,894,519
SB1-Road Repair & Account (212)	1,631,984

Public Art (213)	50,000
Paratransit (214)	366,976
Federal, State and Local Grants (221, 227)	190,000
C.O.P.S. Grant (222)	356,000
Donations (225)	100,000
Low & Moderate Income Housing (232)	385,000
Capital Improvements (301, 303, 304)	1,880,000
Vehicle /Equipment Replacement (601)	375,125
Integrated Waste Management (501)	4,850,083

BE IT FURTHER RESOLVED that the City Council of the City of El Cerrito hereby authorizes the City Manager or his/her designee to:

1. Create such appropriations into such new accounts as may be appropriate for proper accounting in the City's financial system and to make any necessary non-material changes to finalize the budget document.
2. Apply correct accounting rules for the proper classification of interfund transactions, including transfers between funds, or other financial transactions, as may be necessary to address bond or loan covenants, or any other requirements imposed by formal, legal agreements between the City and other parties, as previously entered into by the City.
3. Approve payment of goods and services received by the City in accordance with the City's approved budgets, programs, and policies, subject to a limitation of \$45,000 for any single vendor in any one fiscal year, beyond which amount the City Council retains authority to approve payment with the exception of those items falling under other statutory authority (e.g., Public Works, State purchasing).
4. Shift expenditure authority within funds among departments, as may be necessary to meet the City's operational needs.

BE IT FURTHER RESOLVED that this resolution shall become effective immediately upon passage and adoption.

I CERTIFY that at a regular meeting on June 17, 2025 the City Council of the City of El Cerrito passed this Resolution by the following vote:

AYES: COUNCILMEMBERS:
NOES: COUNCILMEMBERS:
ABSTAIN: COUNCILMEMBERS:
ABSENT: COUNCILMEMBERS:

IN WITNESS of this action, I sign this document and affix the corporate seal of the City of El Cerrito on_____.

RESOLUTION 2025-XX

RESOLUTION OF THE CITY COUNCIL OF THE CITY OF EL CERRITO SETTING THE APPROPRIATIONS LIMIT FOR FISCAL YEAR 2025-26 AND SELECTING THE CALIFORNIA PER CAPITA PERSONAL INCOME AND CONTRA COSTA COUNTY POPULATION ADJUSTMENT FACTORS

WHEREAS, Article XIIIIB of the California Constitution establishes a limitation on spending by cities of funds from proceeds of taxes; and

WHEREAS, in accordance with Government Code Section 7910, the City Council must establish an annual appropriations limit; and

WHEREAS, in accordance with Government Code Section 7910, the City Council must select annually the per capita change in the cost of living for purposes of calculating appropriations limit; and

WHEREAS, in accordance with Government Code Section 7910, the City Council must select annually the population growth factor for purposes of calculating the appropriations limit; and

WHEREAS, an appropriations limit has been calculated in accordance with applicable law.

NOW THEREFORE the City Council of the City of El Cerrito does hereby find, determine, and resolve as follows:

SECTION 1. In accordance with Article XIIIIB of the Constitution and Government Code Section 7900 et seq., the adjustment factors to be applied to the appropriations limit for the 2025-26 fiscal year shall be the California Per Capita Personal Income adjustment factor and the Contra Costa County population adjustment factor.

SECTION 2. In accordance with Article XIIIIB of the Constitution and Government Code Section 7902, the appropriations limit for the 2025-26 fiscal year shall be \$195,961,530 which exceeds the City's projected applicable appropriation amount by \$156,473,563.

SECTION 3. The City Council reserves the right to change or revise any adjustment factors associated with the calculation of the appropriations limit if such changes or revisions would result in a more advantageous appropriations limit in the present or future.

BE IT FURTHER RESOLVED that this resolution shall become effective immediately upon passage and adoption.

I CERTIFY that at a regular meeting on June 17, 2025 the City Council of the City of El Cerrito passed this Resolution by the following vote:

AYES: COUNCILMEMBERS:
NOES: COUNCILMEMBERS:
ABSTAIN: COUNCILMEMBERS:
ABSENT: COUNCILMEMBERS:

IN WITNESS of this action, I sign this document and affix the corporate seal of the City of El Cerrito on_____.

AGENDA BILL

Agenda Item No. 9.B.

Date: June 17, 2025
To: El Cerrito City Council
From: Crystal Reams, Finance Director/City Treasurer, Finance Department
Subject: Spending Authority for Certain Vendors Expected to Exceed \$45,000 for FY 2025-26

ACTION PROPOSED

Adopt a resolution approving spending authority for vendors expected to exceed \$45,000 in Fiscal Year 2025-26.

BACKGROUND AND ANALYSIS

Resolution 2017-71A, adopted by the City Council on October 3, 2017, authorizes the City Manager to purchase goods and services and enter into professional services agreements in amounts not to exceed \$45,000 without City Council authorization, and further requires that purchases and professional service agreements of more than \$45,000 for any one vendor in any one fiscal year must be approved by the City Council. Each fiscal year, the City Council affirms the requirement for the single vendor threshold of \$45,000 in its resolution adopting the annual budget. Additionally, the City's Procurement Policy (Administrative Policy III-1) sets guidelines and requirements for purchases of goods and services using City funds that conform with the approval thresholds set by the City Council and outlines the procedures for the use of purchase orders. Services performed for the City require a contract and insurance verification, while purchases of goods and supplies typically do not.

As a part of Citywide efforts to improve accuracy, transparency, and compliance with City policies, staff identified a number of vendors with whom the City may need to spend over \$45,000 in FY 2025-26. In accordance with the Procurement Policy, staff is seeking approval to make purchases estimated above \$45,000 throughout the year with certain vendors for goods/supplies and Recreation Instructor services on an as-needed basis. All purchases included in this agenda bill for approval were included in the FY 2025-26 Budget and do not require additional appropriation authority from the City Council.

Goods & Supplies

The following purchases of goods and supplies are made on an as-needed basis in small amounts that would typically not come before the City Council for approval according to the City's Procurement Policy, but which cumulatively amount to over \$45,000 in a single year with a specific vendor. Each vendor is selected per the Policy and based on excellence in quality, pricing, and availability.

- **Knorr** (\$103,000) - Pool maintenance and supplies. Knorr has been the City's capital maintenance contractor at the El Cerrito Swim Center since it was renovated in 2004. There are very few contractors in Northern California that provide the level of service and expertise that Knorr provides who are additionally able to respond quickly to emergencies and thereby minimize pool closure times. Staff periodically surveys pools in the Bay Area, the majority utilize Knorr Systems for their capital maintenance needs. The main exception to this is that some cities, mostly larger ones with several pools, utilize city staff for pool maintenance needs.
- **LN Curtis** (\$120,000) - Public Safety equipment and clothing for the Fire and Police Departments. For the Fire Department, LN Curtis offers the best prices and customer service for our firefighter's turnouts, including timely sizing, service, and delivery. LN Curtis has also repeatedly demonstrated the ability to quickly turn around orders of essential police equipment. The ECPD relies on LN Curtis for a variety of equipment needs, including uniforms, leather gear, ballistic vests and helmets, and other specialty gear. LN Curtis is locally based in Walnut Creek, CA.
- **Dell** (\$100,000) - Server infrastructure hardware, laptops, and desktop computers. This vendor consistently offers the best value under the Dell NASPO Computer Equipment PA for California contract (used by many public agencies, including the City of Oceanside and City College of San Francisco). The standardization on their computer equipment enables the IT department to be efficient in maintenance and monitoring, and improves uptime for City staff.
- **Folger Graphics** (\$60,000) - Interdepartmental printing and mailing services, including News & Views, the rECguide, and citywide public information efforts. Costs have increased as the City has re-initiated critical public information efforts that were paused during the pandemic. Folger Graphics provides high-quality printing services to multiple departments citywide.
- **CivicPlus** (\$50,000) - City, Recreation and Police website hosting, livestream and archive services for City Council meetings, agenda management, advisory body member management, accessibility services on our website, codification and management of our municipal code.

Fire Fleet Maintenance Service

The Fire Department does not expect to spend over \$45,000 with all the listed vendors and will not exceed its Council-approved budget, but is seeking approval to ensure the appropriate authorization before repairs become urgent. All purchases included in this agenda bill for approval were included in the FY 2025-26 Budget and do not require additional appropriation authority from the City Council.

- **Alameda County Fire Department**
- **Cummings, Inc.**
- **Diego's Truck Repair**
- **Hi-Tech EVS, Inc.**

- **Kelly's Truck Repair**
- **Peterson Trucks, Inc.**

Recreation Instructors

Recreation Instructors are contracted to teach classes for the City and provide a wide range of offerings to the community. Instructors are paid on a cost-sharing basis, whereby they receive 60% of the revenue from class sign-ups and the City receives 40%. How much a Recreation Instructor is paid by the City annually depends on the frequency and popularity of their classes. A small number of Recreation Instructors regularly receive over \$45,000 per year from the City through this revenue-sharing agreement structure. While these are not purchased services or supplies and all expenses are both budgeted for and offset by class fee revenues, staff feel that these contracts should come to City Council for approval to ensure compliance with the Procurement Policy.

The five instructors who staff expect to be paid over \$45,000 in FY 2024-25 are:

- **Norman Friedman** (\$162,000) - Norm Friedman is the Director of El Cerrito Sports Camp, providing 9-10 weeks of summer camp each summer.
FY 2024-25 Enrollments as of May: 671
- **Stephanie Ramos** (\$50,000) - Stephanie Ramos is the Independent Contractor providing year-round Zumba and Zumba Gold to adults and seniors. Classes are offered daily, and in some cases 2-3 times per day.
FY 2024-25 Enrollments as of May: 382 + 507 purchased passes (*may be single class, 5 class pack, 10 class pack, or monthly unlimited)
- **Belinda Graul** (\$45,000) - Belinda Graul is our head Gymnastics Coach, offering 12 classes per week during the school year, and 6-7 weeks of camp each summer.
FY 2024-25 Enrollments as of May: 1042
- **Ian McAvoy** (\$55,000) - Ian McAvoy is the owner of Off the Block STEM, providing specialized LEGO classes twice weekly throughout the school year in addition to school-break camps and summer camps.
FY 2024-25 Enrollments as of May: 425
- **Mark Marcos Manqueros** (\$80,000) - Mark Marcos Manqueros is the owner/director of Crouching Tiger Tennis, providing year-round tennis classes and camps for youth and seasonal classes for adults.
FY 2024-25 Enrollments as of May: 433

STRATEGIC PLAN CONSIDERATIONS

This action supports the [City's Strategic Plan Goal\(s\)](#) of:

- *High Performing Organization; and*
- *Community Safety; and*
- *Livability and Belonging; and*

- *Infrastructure and Amenities*

ENVIRONMENTAL CONSIDERATIONS

This section is not applicable to this agenda item.

FINANCIAL CONSIDERATIONS

All expenses referenced in this agenda bill were included within the FY 2024-25 Budget adopted by the City Council on June 18, 2024. The proposed expenditures require Council authorization because they are expected to exceed \$45,000 with a single vendor in a single fiscal year, but there is no additional fiscal impact from adopting this resolution.

LEGAL CONSIDERATIONS

This section is not applicable to this agenda item.

1. Resolution

RESOLUTION 2025-XX

RESOLUTION OF THE CITY COUNCIL OF THE CITY OF EL CERRITO APPROVING SPENDING AUTHORITY FOR VENDORS EXPECTED TO EXCEED \$45,000 IN FISCAL YEAR 2025-26

WHEREAS, Resolutions 2017-71A and 2024-46 requires that all purchases totaling over \$45,000 with a single vendor in a single fiscal year receive Council approval; and

WHEREAS, the City's Procurement Policy (Administrative Policy III-1) guides all purchasing and bidding procedures to ensure fairness and transparency; and

WHEREAS, certain vendors, selected based on excellence in quality, price, and availability, are expected to exceed \$45,000 for goods, supplies, and services in the current fiscal year; and

WHEREAS, the proposed expenditures outlined in this resolution and the associated agenda bill were included in the Council-adopted budget for FY 2024-25 and require no additional appropriation authority.

NOW THEREFORE, BE IT RESOLVED by the City Council of the City of El Cerrito that it hereby authorizes the purchase of goods and on-call services up to the not-to-exceed amount detailed for each vendor in the table below.

Vendor	Category	Expenditure Total
Knorr Systems, Inc.	Supplies & On-Call Services	\$94,750
LN Curtis & Sons	Supplies	\$120,000
Dell Marketing L.P.	Supplies	\$100,000
Folger Graphics, Inc.	Supplies	\$60,000
CivicPlus	Various Online Applications	\$50,000
Alameda County Fire Dept.	Fire Vehicle Maintenance	
Cummings, Inc.	Fire Vehicle Maintenance	
Diego's Truck Repair	Fire Vehicle Maintenance	
Hi-Tech EVS, Inc.	Fire Vehicle Maintenance	
Kelly's Truck Repair	Fire Vehicle Maintenance	
Peterson Trucks, Inc	Fire Vehicle Maintenance	
Norman Friedman	Recreation Instructor	\$162,000
Stephanie Ramos	Recreation Instructor	\$50,000
Belinda Graul	Recreation Instructor	\$45,000
Ian McAvoy	Recreation Instructor	\$45,000
Mark Marcos Manqueros	Recreation Instructor	\$80,000

BE IT FURTHER RESOLVED the City Manager or designee is authorized to enter into agreements with the individuals or entities listed above based on City standard forms or agreements with commercially reasonable terms, subject to approval as to form by the City Attorney.

I CERTIFY that at a regular meeting on June 17, 2025 the City Council of the City of El Cerrito passed this Resolution by the following vote:

AYES: COUNCILMEMBERS:
NOES: COUNCILMEMBERS:
ABSTAIN: COUNCILMEMBERS:
ABSENT: COUNCILMEMBERS:

IN WITNESS of this action, I sign this document and affix the corporate seal of the City of El Cerrito on_____.

Holly M. Charléty, City Clerk

APPROVED:

Carolyn Wysinger, Mayor

AGENDA BILL

Agenda Item No. 9.C.

Date: June 17, 2025
To: El Cerrito City Council
From: Roland Lambert, Associate Engineer, Public Works Department; Yvetteh Ortiz, Public Works Director/City Engineer
Subject: Construction Contract Award for 2025 Surface Seal Project, City Project No. C3027.24

ACTION PROPOSED

Adopt a resolution approving plans and specifications for the 2025 Surface Seal Project, City Project No. C3027.24 (Project); acknowledging the sole bidder, Pavement Coating Co. (Pavement Coatings), as the lowest responsive and responsible bidder; accepting the negotiated price from Pavement Coatings; and authorizing the City Manager to execute a contract with Pavement Coatings in the amount of \$2,400,898.27 and to approve potential change orders in an amount not to exceed \$240,100.

BACKGROUND

The 2025 Surface Seal Project, City Project No. C3027.24 is a component of the Measure A funded Annual Street Improvement Program. The Project generally implements the first year of a five-year pavement maintenance plan that groups El Cerrito streets into five geographical zones, as shown in Attachment 2. This first year focuses on the northernmost zone with some modifications, as shown in Attachment 3. These include use of more cost-effective treatments on some segments, such as an asphalt rubber cape seal (a chip seal covered by a slurry seal) in place of mill and overlay, the addition of traffic signing and striping enhancements at spot locations throughout the City in response to requests from community members, and the repair of a sunken section of roadway on 700 Sea View Drive. Overall, the work consists of patch paving, crack sealing, the application of either an asphalt rubber cape seal or a slurry seal treatment, installation of traffic striping and markings, minor concrete work, and other related work.

Below is the list of the 68 street segments that will be resurfaced as part of the Project.

In order to maintain flexibility within the bidding process—accounting for both the available project funding and the unique scope of work associated with 700 Sea View Drive—that component was identified as an Additive Alternate to the Base Bid, which comprises the remaining project elements.

The Notice Inviting Bids for the Project was advertised in the West County Times on April 8 and 15, 2025. Additionally, the notice along with a complete set of [Contract Documents \(including the Plans and Specifications\)](#) was sent to eight Builder and Construction Exchanges in the Bay Area and Northern California and made available for purchase through the BPXpress website, an online planroom used by the City. The notice was also posted on the City's website. A non-mandatory pre-bid conference was held on April 22, 2025. One addendum was issued.

ANALYSIS

One bid was received on the advertised bid opening date and time of May 6, 2025, at 2 p.m. The bid was publicly opened and read by the City Clerk. The bid results are summarized below.

Name and Location of Bidder	Base Bid	Additive Alternate Bid – Sea View Drive	Total
Pavement Coatings Co., Woodland	\$2,861,057.22	\$65,341.60	\$2,926,399.12
<i>Engineer's Estimate</i>	\$1,980,168.50	\$ 44,560.00	\$2,024,728.50

The total bid from Pavement Coatings is approximately 45% above the Engineer's Estimate. This is the first City project subject to the [Project Stabilization Agreement \(PSA\)](#), also known as a Project Labor Agreement, approved by the City Council on [August 16, 2022 \(Resolution 2022-66\)](#). The PSA is an agreement with the Contra Costa Building and Construction Trades Council and its affiliated Unions to establish the terms and conditions of employment for work on public projects with an Engineer's Estimate exceeding \$1 million. The City Council approved the agreement in the interest of facilitating the delivery of City construction projects with minimal labor-related disruptions which would adversely impact the public and/or delay the project, being proactive regarding assuring quality wages on such projects, supporting and procuring from local businesses, and protecting and increasing quality jobs for local residents.

However, at the time of the PSA's approval, it was acknowledged that its implementation could adversely affect the City's bidding process by limiting the number of contractors that would submit bids, thereby potentially increasing the overall cost of projects. During the bidding process for the Project, a contractor who had previously been the lowest bidder on similar City projects stated they would not submit a bid due to the PSA. Additionally, recent bidding processes in other jurisdictions with PSAs have resulted in higher bid pricing as well. The City's pavement consultant indicates that 30% increase in prices should be projected moving forward.

City staff have considered two options:

1. Reject all bids, value-engineer the Project, and go out to bid again; or
2. Following consultation with the City Attorney, initiate negotiations with Pavement Coatings to reduce the total cost of the Project given that they were the sole responsible and responsive bidder. This approach is permissible under the Public Contract Code once the City has completed the competitive bidding process and received only one bid from a responsible and responsive bidder.

Considering the implementation of the PSA can be projected to increase costs by 30% along with other uncertainties in the bidding climate, limited time window for construction within the current year, and need to resurface these streets before they continue to deteriorate and the extent and cost of pavement repair work significantly increases, City staff initiated negotiations with Pavement Coatings. The negotiations resulted in a combination of reduced unit pricing and minor reductions in Project scope to lower the total cost by \$525,500.85 to \$2,400,898.27, including the Additive Alternative Bid.

City staff proposes that the City Council award the construction contract in the amount of \$2,400,898.27 to Pavement Coatings as the lowest responsive and responsible bidder. City staff also recommends that the City Council approve potential change orders in an amount not to exceed \$240,100 for the construction of the Project.

STRATEGIC PLAN CONSIDERATIONS

This action supports the [City's Strategic Plan Goal\(s\)](#) of:

- *Infrastructure and Amenities.*

ENVIRONMENTAL CONSIDERATIONS

The Project is categorically exempt from review under the California Environmental Quality Act (CEQA) pursuant to Section 15301 (Existing Facilities) because the Project is a repair to an existing facility involving negligible or no expansion of use beyond that presently existing. More specifically, restoration or rehabilitation of deteriorated or damaged facilities to meet current standards of public health and safety, unless it is determined that the damage was substantial and resulted from an environmental hazard such as an earthquake, landslide, or flood, is exempt from CEQA.

FINANCIAL CONSIDERATIONS

Funding for construction of the Project is included in the Fiscal Year 2025-26 Budget and Capital Improvement Program under the Annual Street Improvement Program in the Measure A Street Improvement Fund.

LEGAL CONSIDERATIONS

The City Attorney has reviewed the proposed actions and found that legal considerations have been addressed.

C3027.24 (PROJECT); ACKNOWLEDGING THE SOLE BIDDER, PAVEMENT COATING CO. (PAVEMENT COATINGS), AS THE LOWEST RESPONSIVE AND RESPONSIBLE BIDDER; ACCEPTING THE NEGOTIATED PRICE FROM PAVEMENT COATINGS; AND AUTHORIZING THE CITY MANAGER TO EXECUTE A CONTRACT IN THE AMOUNT OF \$2,400,898.27 WITH PAVEMENT COATINGS AND TO APPROVE POTENTIAL CHANGE ORDERS IN AN AMOUNT NOT TO EXCEED \$240,100

WHEREAS, the 2025 Surface Seal Project, City Project No. C3027.24 is a component of the Measure A funded Annual Street Improvement Program; and

WHEREAS, the work consists of patch paving, crack sealing, the application of either an asphalt rubber cape seal or a slurry seal treatment on 68 street segments, installation of traffic striping and markings, minor concrete work, and other related work; and

WHEREAS, the Notice Inviting Bids for the Project was advertised in the West County Times on April 8 and 15, 2025 and posted on the City's website; and

WHEREAS, the notice and complete set of Contract Documents were sent to eight Builder and Construction Exchanges and the Contract Documents were made available to contractors through an online planroom; and

WHEREAS, a non-mandatory pre-bid meeting was held on April 22, 2025, and one addendum was issued; and

WHEREAS, one bid was received by the advertised bid opening date and time of May 6, 2025 at 2 p.m.; and

WHEREAS, Pavement Coatings submitted the sole, responsible and responsive bid in the total amount of \$2,926,399.12, including the Additive Bid Alternate, which was significantly above the Engineer's Estimate (45% above); and

WHEREAS, City staff in consultant with the City Attorney determined that negotiating with Pavement Coatings to reduce the cost of the Project was in the best interest of the City and permissible under the Public Contract Code because the City had completed the competitive bidding process and received only one bid from a responsive and responsible bidder; and

WHEREAS, the negotiations resulted in a combination of reduced unit pricing and minor reductions in Project scope to lower the total cost by \$525,500.85 to \$2,400,898.27 including the Additive Alternative Bid; and

WHEREAS, funding for construction of the Project is included in the Fiscal 2025-26 Budget and Capital Improvement Program, under the Annual Street Improvement Program in the Measure A Street Improvement Fund; and

WHEREAS, the Project is categorically exempt from review under the California Environmental Quality Act (CEQA) pursuant to Section 15301 (Existing Facilities) because the project is a repair to an existing facility involving negligible or no expansion of use beyond that presently existing.

NOW THEREFORE, BE IT RESOLVED by the City Council of the City of El Cerrito that it hereby:

- 1) Approves plans and specifications for the 2025 Surface Seal Project, City Project No. C3027.24 (Project); and
- 2) Acknowledges the sole bidder, Pavement Coating Co. (Pavement Coatings), as the lowest responsive and responsible bidder; accepting the negotiated price from Pavement Coatings; and
- 3) Accepts the negotiated price from Pavement Coatings; and
- 4) Authorizes the City Manager to execute a contract with Pavement Coating in the amount of \$2,400,898.27 67 and to approve potential change orders in an amount not to exceed \$240,400 for the construction of the Project.

BE IT FURTHER RESOLVED that this resolution shall become effective immediately upon passage and adoption.

I CERTIFY that at a regular meeting on June 17, 2025 the City Council of the City of El Cerrito passed this Resolution by the following vote:

AYES: COUNCILMEMBERS:
NOES: COUNCILMEMBERS:
ABSTAIN: COUNCILMEMBERS:
ABSENT: COUNCILMEMBERS:

IN WITNESS of this action, I sign this document and affix the corporate seal of the City of El Cerrito on_____.

SHEET 1 OF 32

AGENDA BILL

Agenda Item No. 9.D.

Date: June 17, 2025
To: El Cerrito City Council
From: Christopher Jones, Recreation Director, Recreation Department; Yvetteh Ortiz, Public Works Director/City Engineer, Public Works Department
Subject: Consulting Services Agreement with Rogers Stringer & McClelland, Inc. for Swim Center Design Services

ACTION PROPOSED

Adopt a resolution approving and authorizing the City Manager to execute a professional services agreement with Rogers Stringer & McClelland, Inc. (RSM) for the design of the Emery G. Weed, III Lap Pool's plaster, deck replacement, accessibility and egress improvements, parking lot electric vehicle charging infrastructure, and associated work in an amount not to exceed \$220,000.

BACKGROUND

As reported at the [May 20, 2025 City Council Meeting](#), extensive damage to the Emery G. Weed, III Lap Pool (Lap Pool) plaster was discovered in February 2025, including a large bubble that formed in the shallow section and several smaller cracks throughout the Lap Pool. Because this represents a safety and pool functionality issue, repairs need to be made as soon as possible to avoid a pool closure. City staff engaged the aquatic design and engineering firm Rogers Stringer & McClelland, Inc. (RSM) to review current conditions and prior assessments and develop the project scope, preliminary cost estimate, and construction timeline for necessary repairs and improvements.

RSM's evaluation identified several issues in addition to the plaster damage. They noted significant signs of deterioration in the pool deck surrounding the Lap Pool such as cracks in the concrete and rust. Accessibility improvements, many of which have already been deferred in previous projects at the Swim Center, and egress upgrades will also be required to comply with the 2022 California Building Code. RSM also identified the opportunity to convert the existing cantilever gutters into deck-level gutters at the shallow end, which provides important safety benefits in addition to making this portion of the Lap Pool more family-friendly. Additionally, City staff in consultation with RSM, determined that incorporating the water slide installation into the Lap Pool project would be more cost-effective and efficient to implement versus doing these projects separately. Similarly, it had previously been determined that incorporating electric vehicle charging infrastructure as part of the parking lot accessibility upgrades would be cost-effective and efficient as part of a larger project.

At the [June 3, 2025 City Council Meeting](#), the City Council authorized the contribution of \$500,000 from the General Fund's unrestricted balance towards the design and construction of Lap Pool repairs.

The preliminary cost estimate, including project management, design, and contingency, for the full scope described above is approximately \$3.4 million. RSM also identified a phased construction approach, beginning with the replastering work as Phase 1. This addresses the most urgent need and qualifies as maintenance, thereby not triggering mandated ADA accessibility or egress upgrades in the initial phase. The full cost of this option is around \$970,000. This figure is higher than the amount reported at the June 3, 2025 meeting because it now includes design, construction, all soft costs and contingencies.

Because of the disruption in programming that will occur regardless of which option is chosen, staff have been in touch with nearby pools to explore partnership opportunities that could keep programs (such as swim teams, water aerobics, lap swim and possibly swim lessons) going while the Swim Center is closed.

ANALYSIS

Design Contract

RSM, based in Walnut Creek, designed the Swim Center Activity Pool Replaster Project in 2023 and is the successor company to Rowley International, Inc., the original architects of the El Cerrito Swim Center when it was renovated in 2003 and 2004. They are one of the few local qualified firms capable of managing this type of project. Having worked with the City of El Cerrito for several years, they have a deep understanding of the Swim Center's original design and how to modify it to comply with current regulations and codes. Due to the immediate safety issue and the potential for the Lap Pool to become non-functional in the near-term, staff contracted with RSM under the City Manager's budget authority to begin exploratory work to determine design requirements. This was to address all the issues identified previously, while quickly developing project scoping options and cost estimates as described above.

To serve the best interests of the City, staff recommend continuing to work with RSM to develop the full project design because their expertise allows for a quick and smooth transition from exploratory work to refining design options, developing design and construction documents, and offering flexible construction timing, including the possibility of replastering this winter, depending on the chosen option. RSM has provided proposals for the design of required and desired elements for the Lap Pool project. The cost of design is an amount not to exceed \$220,000.

Design elements include:

- Swimming Pool design & engineering, including replastering and other finishes and features necessary to provide a functional swimming pool;
- Swimming Pool cantilevered deck structural design including deck joint layout, deck drainage plan, and deck elevation plans;
- Partial conversion of the existing cantilevered gutters to deck-level gutters in the shallow end of the Lap Pool, with associated structures, finishes, and deck work;

- Existing and egress upgrades to the site to meet California Building Code requirements;
- Design of existing accessible parking modifications to meet current accessibility codes;
- Path of travel evaluation and improvements design from accessible parking to bathrooms, drinking fountains, exterior showers, building ramps and walkways;
- Restroom facility, drinking fountain, and outdoor shower accessibility upgrades;
- Coordination of Recreation Pool slide construction documents with waterside manufacturer;
- Design two stormwater bioretention planters to meet National Pollutant Discharge Elimination System requirements;
- Design of Electric Vehicle Supply Equipment (EVSE) infrastructure that supports dual-port charging stations, including ADA-compliant access.

It should also be noted that while EVSE infrastructure design is not a required component of the design process, having approved plans in place would likely make the City more qualified for grant opportunities in this area if funding becomes available. Additionally, partially converting existing cantilevered gutters to deck-level gutters is also not a required component and can be removed from the project to reduce the project budget if necessary.

Construction Options

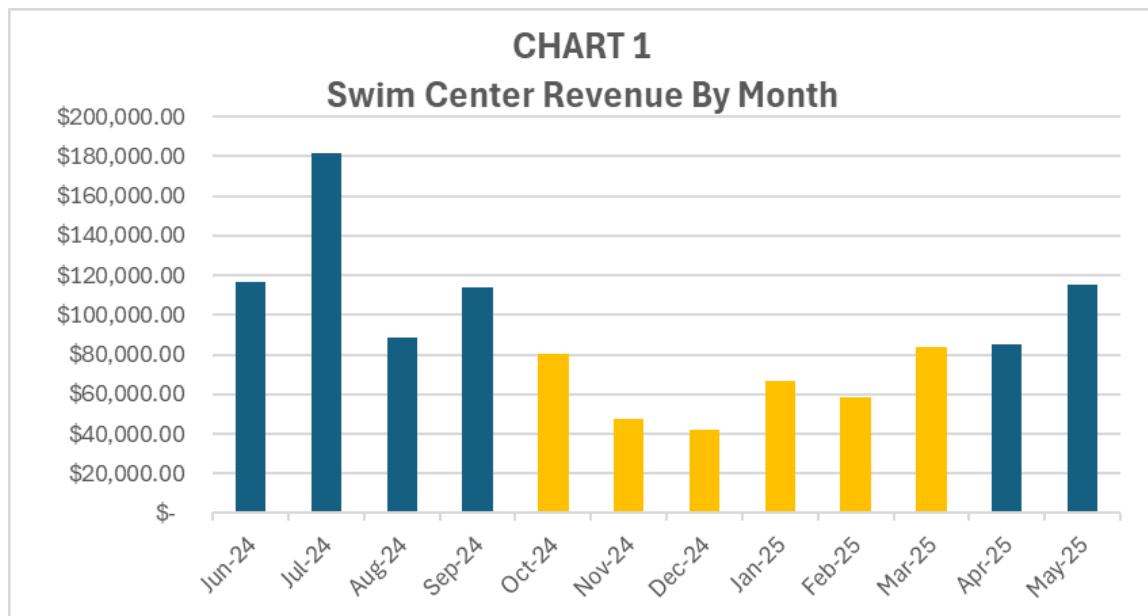

The two construction options initially identified are: full scope as described above or replaster only. Both options will solve the most pressing short-term issue of replacing the pool plaster that is required to be a safe and functional pool for the next 15 to 20 years. Because of the nature of the plaster and the number of small cracks in the Lap Pool, in addition to the large bubble, simply repairing the damaged areas is neither recommended nor likely to be effective at resolving all the plaster issues. This is because the pool plaster is already at the end of its 15-20 year expected lifespan and there is no way to know how extensive the water intrusion is currently between the plaster and concrete shell of the lap pool without excavating the current plaster.

The choice between implementing the full construction project for \$3.4 million or doing the replaster only option for \$970,000 is one of difficult short-term funding decisions versus increased long-term costs and revenue loss due to repeated pool closures for each phase. The City Council does not need to choose a construction option with this action. If the design contract for RSM is approved, work will continue and construction options, costs, timelines, and design will continue to be refined. It is anticipated that this work will be complete in time for the City Council to deliberate how to move forward at its August 19, 2025 meeting.

Chart 1 below shows Swim Center Revenue by the month in which activities take place (vs. the month when revenue is collected) from June 1, 2024 through May 31, 2025. Ideally, construction would take place during the months of November, December and January when the Swim Center offers the least amount of programming due to cold weather.

The estimated revenue loss during these months would be \$156,000, using the most recent revenue figures. However, the full project scope could take up to 5 months, which would ideally take place between mid-October through mid-March.

The estimated revenue loss for this period would be around \$290,000, accounting for early October classes running before the closure and late March classes operating after project completion. However, the construction duration may shift later, resulting in higher revenue loss. As mentioned previously, staff has already begun discussions with neighboring pools to see if a partnership can be made during this time that keeps City programs running and minimizes some revenue loss.

In addition to revenue implications, some advantages and disadvantages of the two construction options are listed below in Table 1.

TABLE 1
Emery G. Weed, III Lap Pool Construction Options

Construction Option	Advantage	Disadvantage
Full Construction Scope (\$3.4 million)	<ul style="list-style-type: none"> Resolves all safety issues and accessibility requirements at the Swim Center as well as some at the Community Center. Likely the most 	<ul style="list-style-type: none"> Longest closure timeline of up to 5 months which would impact busier months, rather than only the low season months, of the year depending when construction begins.

	<p>cost-effective long-term option as all projects are done at once, achieving an economy of scale, and reducing the number of pool closures.</p>	<ul style="list-style-type: none"> • The most expensive short-term option. • Funding would require use of General Fund Reserves and/or borrowing (see below).
Replaster Only (\$970,000)	<ul style="list-style-type: none"> • Resolves the current safety and functionality issues of the Lap Pool itself. • Short-term advantage of smaller closure timeline of up to 2 or 3 months which could be completed within the Winter/Off-peak Season • Most cost-effective short-term solution • Can be mostly funded with fund balance from the Parks & Recreation Facilities Fund (Measure H) and Council Approved General Fund Reserves of \$500,000 but will require some additional funding. 	<ul style="list-style-type: none"> • Most expensive option in the long-term given that current deck conditions mean replacement will likely be necessary in the City's next budget cycle. • Requires a second closure to implement deck improvements that could result in larger revenue loss. • None of the Swim Center's legally required accessibility or egress deficiencies are addressed. • Waterslide installation cannot be combined into this option; would have to be done as a separate project increasing the overall cost. • Future deck construction could negatively impact clean, bright white look of new plaster that was previously installed.

Funding Options

While the design is developed, staff will continue evaluating project funding options for the City Council's future consideration. These options will most likely include the following or a combination:

1. Use of General Fund Reserves, unrestricted and/or Emergency Disaster Relief Funds (EDRF)
2. Borrowing all or some of the funds needed from City Enterprise and/or Special Funds
3. Borrowing from a financial institution or private equity firm with interest

Preliminary estimates for funding needed in addition to the amount that the City Council has already allocated are below. Please note that these costs include the \$220,000 design cost that is under consideration.

Full Construction Cost with Design - \$3.4 Million

\$500,000	Authorized General Fund Reserves
\$200,000	Minimum Measure H Contribution
\$2,700,000	Additional Amount Needed to Fund Project

Replaster Only Option with Design - \$970,000

\$500,000	Authorized General Fund Reserves
\$200,000	Minimum Measure H Contribution
\$270,000	Additional Amount Needed to Fund Project

As work continues towards closing Fiscal Year 2024-25, additional fund balance from Measure H may be identified to contribute to these costs.

STRATEGIC PLAN CONSIDERATIONS

This action supports the [City's Strategic Plan Goal\(s\)](#) of:

- *High Performing Organization; and*
- *Community Safety; and*
- *Livability and Belonging; and*
- *Infrastructure and Amenities*

ENVIRONMENTAL CONSIDERATIONS

The Project is categorically exempt from review under the California Environmental Quality Act (CEQA) pursuant to Section 15301 (Existing Facilities) because the Project is a repair to an existing facility involving negligible or no expansion of use beyond that presently existing.

More specifically, restoration or rehabilitation of deteriorated or damaged facilities to meet current standards of public health and safety, unless it is determined that the damage was substantial and resulted from an environmental hazard such as an earthquake, landslide, or flood, is exempt from CEQA.

FINANCIAL CONSIDERATIONS

Construction costs are not under consideration at this time. The cost of full design for needed and desired Swim Center maintenance and improvements is an amount not to exceed \$220,000.

This cost is accounted for in the Fiscal Year 2025-26 Budget between the Parks and Recreation Facilities Fund 207 (Measure H) of \$200,000 and the City Council approved usage of Unrestricted General Fund Reserves of \$500,000.

Additionally, City staff will bring a recommendation for the construction option and necessary funding to the City Council for consideration at its August 19, 2025 meeting.

LEGAL CONSIDERATIONS

The City Attorney has reviewed the proposed actions and found that legal considerations have been addressed.

1. Resolution

RESOLUTION 2025-XX

RESOLUTION OF THE CITY COUNCIL OF THE CITY OF EL CERRITO APPROVING AND AUTHORIZING THE CITY MANAGER TO EXECUTE A PROFESSIONAL SERVICES AGREEMENT WITH ROGERS STRINGER & MCCLELLAND, INC. (RSM) FOR THE DESIGN OF THE EMERY G. WEED, III LAP POOL'S REPLASTER, DECK REPLACEMENT, ACCESSIBILITY AND EGRESS IMPROVEMENTS, PARKING LOT ELECTRIC VEHICLE CHARGING INFRASTRUCTURE, AND ASSOCIATED WORK IN AN AMOUNT NOT TO EXCEED \$220,000

WHEREAS, the Emery G. Weed, III Lap Pool (Lap Pool) at the El Cerrito Swim Center was originally renovated in 2004 and is a cherished public facility that offers a variety of activities for all ages for residents and nearby communities for health and wellness, water safety, swim lessons and teams, and community engagement; and

WHEREAS, the plaster and deck of the Lap Pool are at their end of their expected 15–20-year lifetime and conditions are deteriorating requiring immediate attention to maintain the Lap Pool safe and functional; and

WHEREAS, Rogers Stringer & McClelland, Inc. (RSM), a local leading aquatic design and engineering firm, has conducted exploratory work including an initial assessment to develop the scope, preliminary cost estimate, and construction timeline for necessary repairs and improvements; and

WHEREAS, RSM, previously the architect for the 2023 Recreation Pool Replaster Project and is the successor company to original Swim Center architect for its renovation in 2003 and 2004, has a deep understanding of the Swim Center's current design and how it can be modified to meet current codes and requirements and can do so quickly; and

WHEREAS, entering into an agreement with RSM to develop the full project design is in the best interests of the City because their expertise allows for a quick and smooth transition from exploratory work to refining design options, developing design and construction documents, and offering flexible construction timing, including the possibility of replastering this winter, depending on the chosen option; and

WHEREAS, on June 3, 2025, the City Council authorized the contribution of \$500,000 from the General Fund's unrestricted balance towards the design and construction of Lap Pool repairs; and

WHEREAS, the project is categorically exempt from review under the California Environmental Quality Act (CEQA) pursuant to Section 15301 (Existing Facilities) because the project is a repair to an existing facility involving negligible or no expansion of use beyond that presently existing; and

WHEREAS, Fiscal Year 2025-26 funding for the design is available in the Parks and Recreation Facilities Fund 207 (Measure H) and from the City Council approved usage of Unrestricted General Fund Reserves.

NOW THEREFORE, BE IT RESOLVED by the City Council of the City of El Cerrito that the foregoing recitals are true and correct and made a part of this resolution.

BE IT FURTHER RESOLVED that the City Council hereby approves and authorizes the City Manager to execute a professional services agreement with Rogers Stringer & McClelland, Inc. (RSM) for the design of the Emery G. Weed, III Lap Pool's replaster, deck replacement, accessibility and egress improvements, parking lot electric vehicle charging infrastructure, and associated work in an amount not to exceed \$220,000.

BE IT FURTHER RESOLVED that this resolution shall become effective immediately upon passage and adoption.

I CERTIFY that at a regular meeting on June 17, 2025 the City Council of the City of El Cerrito passed this Resolution by the following vote:

AYES: COUNCILMEMBERS:
NOES: COUNCILMEMBERS:
ABSTAIN: COUNCILMEMBERS:
ABSENT: COUNCILMEMBERS:

IN WITNESS of this action, I sign this document and affix the corporate seal of the City of El Cerrito on _____.

Holly M. Charléty, City Clerk

APPROVED:

Carolyn Wysinger, Mayor

Caution! This message was sent from outside your organization.

Honorable Mayor, City Council Members,

With July 4th just 17 days away, I have a concern about tall, dry weeds in Hillside Natural Area off of King Court. The areas that I am concerned about are where people come to view the different cities' fireworks. Even last year with fog, there were about 20 people viewing including one pot-smoking one. I have provided 2 photos below of the 2 spots where people gather and sit. I hope that these areas will be mowed before the 4th.

I also have a suggestion about fireworks. The city has 2 large signboards on Moeser by the tennis courts. One is currently blank. It seems to me that the city should consider putting a sign on the blank one soon, stating something like

ALL Fireworks are Illegal in Contra Costa County

There are NO Safe and Sane Fireworks.

Sincerely,
Sue Duncan

I think the FAB needs to have a better understanding of budget projections.

Is it possible the city will fall below the minimal 17% reserves goal in the next fiscal year?

Which “one-off” expenditures are accounted for and which are not?

1. Ohlone Greenway repairs
2. Senior Center
3. Fixing the roads
4. Full cost of swimming pool repairs
5. Full cost of fire engine replacement
6. Full cost of fire safety equipment replacement
7. Other fire safety needs
8. Increases in employee compensation
9. Increases in the CalPERS UAL pension liability
10. Realistic increases in employee compensation
11. New audio-visual for the council chambers
12. Other costs that will surely arise

Does FAB know why the city plans on spending less in FY 2026 than it did in FY 2025?

BIENNIAL WORK PLAN FISCAL YEAR 2025/2026 - 2026/2027

Environmental Quality Committee

Chair **Fred Bialy**; Vice-Chair **Pamela Austin**; Members **Simrun Dhoot, Howdy Goudey, Heather Hayashi, Sean O'Connor, Eleanor Pilling-Chappelear (Youth Member), Sheila Tarbet**

MISSION STATEMENT: The Environmental Quality Committee's **mission**, as established by Resolution 2008-13, is the following:

- To serve in an advisory capacity to the City Council, staff, other boards, commissions, and committees, and the citizens of the City with regard to environmental quality issues within the City of El Cerrito;
- To recommend programs, policies, and ordinances to the City Council and promote the City's environmental quality efforts; and
- Promote and foster public awareness, education, interest and support for environmental quality efforts, foster volunteer opportunities, and educate El Cerrito citizens regarding environmental quality and issues relating to environmental impacts.

HISTORICAL BACKGROUND: Since the EQC's establishment in 2008, the committee's emphasis has cycled between public education, community volunteer organization, and environmental policy, but the general commitment to all forms of action envisioned for the EQC has remained consistent over time. The committee has also consistently maintained a high fraction of the 15-member capacity, with both long-serving members and a rotation of new members.

FISCAL YEAR 2025/2026

ONGOING PROJECTS

Project	Activities	Funding and other Resources requested	Estimated Staff time needed	Lead Committee Member
Green Team Work Parties	Coordinate roughly six trash clean-up events each year in various City parks, the Ohlone Greenway, and City streets. Organize other volunteer work parties focused on weed/invasive plant removal, pollinator habitat restoration/stewardship, tree planting (in collaboration with the Urban Forest Committee and City arborist), and maintenance/stewardship of the Hillside Natural Area.	None	2 hours per month	Sean
Hillside Festival	Assist Trail Trekkers in production of the annual event celebrating the Hillside Natural Area with many hikes, talks, and activities.	None	1 hour	Pam
Climate Action and Adaptation Implementation and Progress Metrics	Work with City staff to implement strategies and tasks identified in the CAAP adopted in July, 2024. Explore opportunities to reduce residential natural gas use and promote electrification of home appliances, automobiles, and landscaping equipment as a complement to 100% renewable electrical power. Promote improved municipal electric vehicle infrastructure/readiness and fleet management. Explore ways to achieve greater social, racial, and environmental justice.	None	1 hour/month	Fred & Howdy

PRIOR FISCAL YEAR (FY 24-25) ACCOMPLISHMENTS
Updated annually by July 1 and provided to City Council on Consent

Goal/Objective	Activities Supporting Goal	Status
Public Education and Outreach	a) Tabled at the WorldOne 4th of July festival to promote electrification of vehicles, home heating and cooking, including induction cooktop loaner programs. b) Sponsored the water refill station at the 2024 WorldOne 4th of July festival. c) Received a presentation on El Cerrito's participation in the Cleaner Contra Costa Challenge at the August meeting. d) Co-sponsored Albany FilmFest at the Rialto Cinemas Cerrito that included Albany GreenFest, a showing of five environmental short films on October 10, 2024. e) Co-sponsored and co-organized the April 26 GO GREEN! Mobility Fair at El Cerrito BART f) Promoted the Annual Hillside Festival, co-sponsored with El Cerrito Trail Trekkers. g) Co-sponsored June 7, 2025 Green@Home East Bay Electrification Tour. h) Maintained steady coordination with the Urban Forest Committee, including participation in the March, 2025 Arbor Week event. i) Received a presentation from City Staff at the December 2024 joint meeting with the Urban Forest Committee on the Hillside Natural Area Fire Resilience And Forest Conservation Management Plan. j) Continued to Co-sponsor El Cerrito Free Market events. k) Co-sponsored Fix-it event on March 22, 2025 at El Cerrito Community Center. l) Tabled at Bike to Work Day 2025. m) Provided input for public information about all-electric ADU's for City distribution.	a) Recurring b) Complete c) Complete d) Complete e) Complete f) Recurring g) Recurring h) Ongoing i) Complete j) Recurring k) Complete l) Complete m) Complete
Volunteer Work Parties	a) Organized eight (8) in-person Green Teams work parties that focused on trash removal from streets, parks, and creeks (including participation in Coastal Clean-up Day).	a) Ongoing
Policy Development and Recommendations	a) Provided a member to represent the EQC on the Hillside Natural Area Fire Resilience and Forest Conservation Management Plan Stakeholder Advisory Group. • Received a presentation from City Staff at a joint meeting with the Urban Forest Committee on the Hillside Natural Area Fire Resilience and Forest Conservation Management Plan. b) Received a presentation on the Richmond Complete Streets project at the September 2024 meeting and offered feedback.	a) Ongoing b) Ongoing
Implementation of City Environmental Programs	a) Supported City programs through public education, outreach, and work parties.	a) Ongoing

Move/Second: Goudey / O'Connor **Action:** Passed a motion to adopt the EQC Biennial Work Plan for FY 25-26 & FY 26-27 and FY 24-25 Accomplishments. **Ayes:** Bialy, Austin, Goudey, Hayashi, O'Connor, Tarbet **Youth Member Chapplelear:** Aye **Noes:** None

Agenda Items 8A and 8B

Honorable Mayor Wysinger and City Council,

I urge you to support both clearing the vegetation on the 60 properties on the Fire Hazard Abatement list AND the ordinance regarding Defensible Space and Home Hardening Inspections within the High and VHFHSZs in El Cerrito.

We have seen what happens when the Diablo Winds fan a fire into an urban area from Coffey Park to Eaton, from Paradise to Pacific Palisades. The EC Fire Department has made the effort to identify homes that require mitigation, and Council must support their effort. The state has determined which actions, such as home hardening and defensible space, are necessary for the safety of the community in high fire risk areas. Insurance companies clearly support communities that take such actions. We must implement these common sense actions to make the city safer.

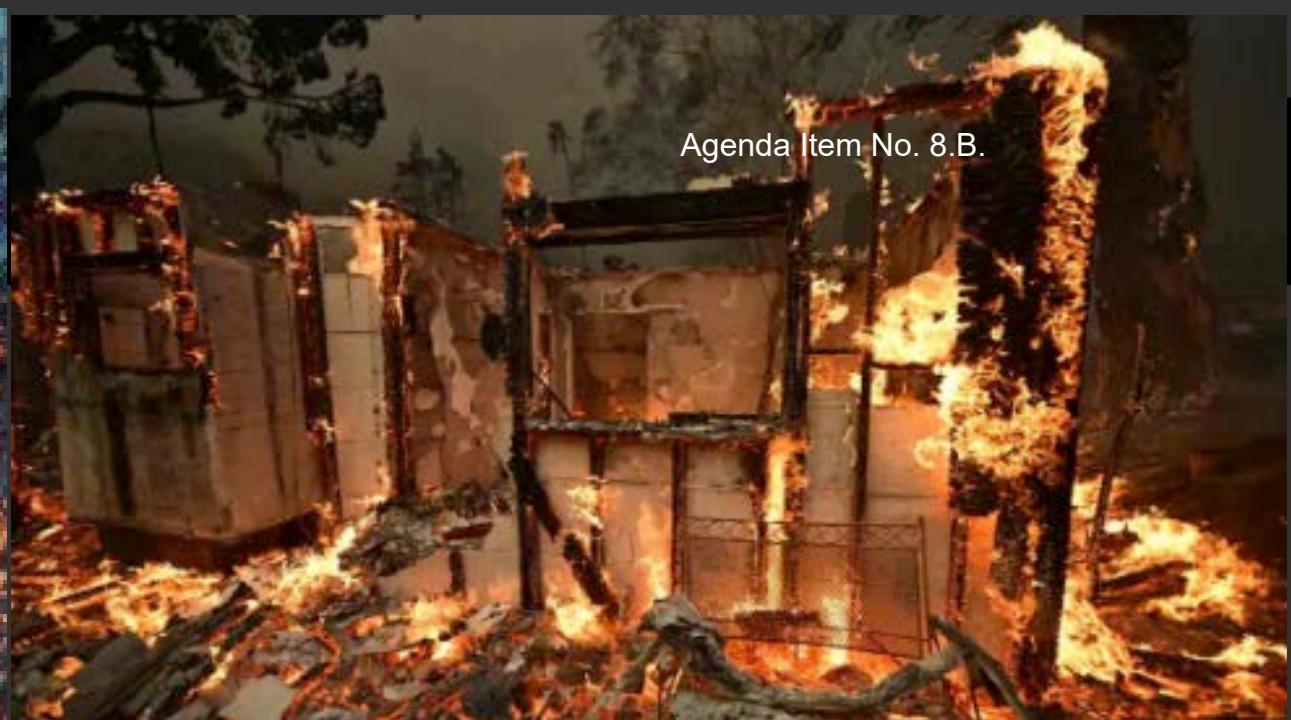

Sincerely,

Gary Prost, resident

[REDACTED].., El Cerrito

--

Gary L. Prost PhD

Agenda Item No. 8.B.

Defensible Space and Home Hardening Inspections and Designating Fire Hazard Severity Zones

Wildfire Risk and Home Hardening

California faces more severe wildfires, especially in WUI areas

Home hardening and vegetation management reduce wildfire risk

El Cerrito promotes fire resilience through alignment with state laws

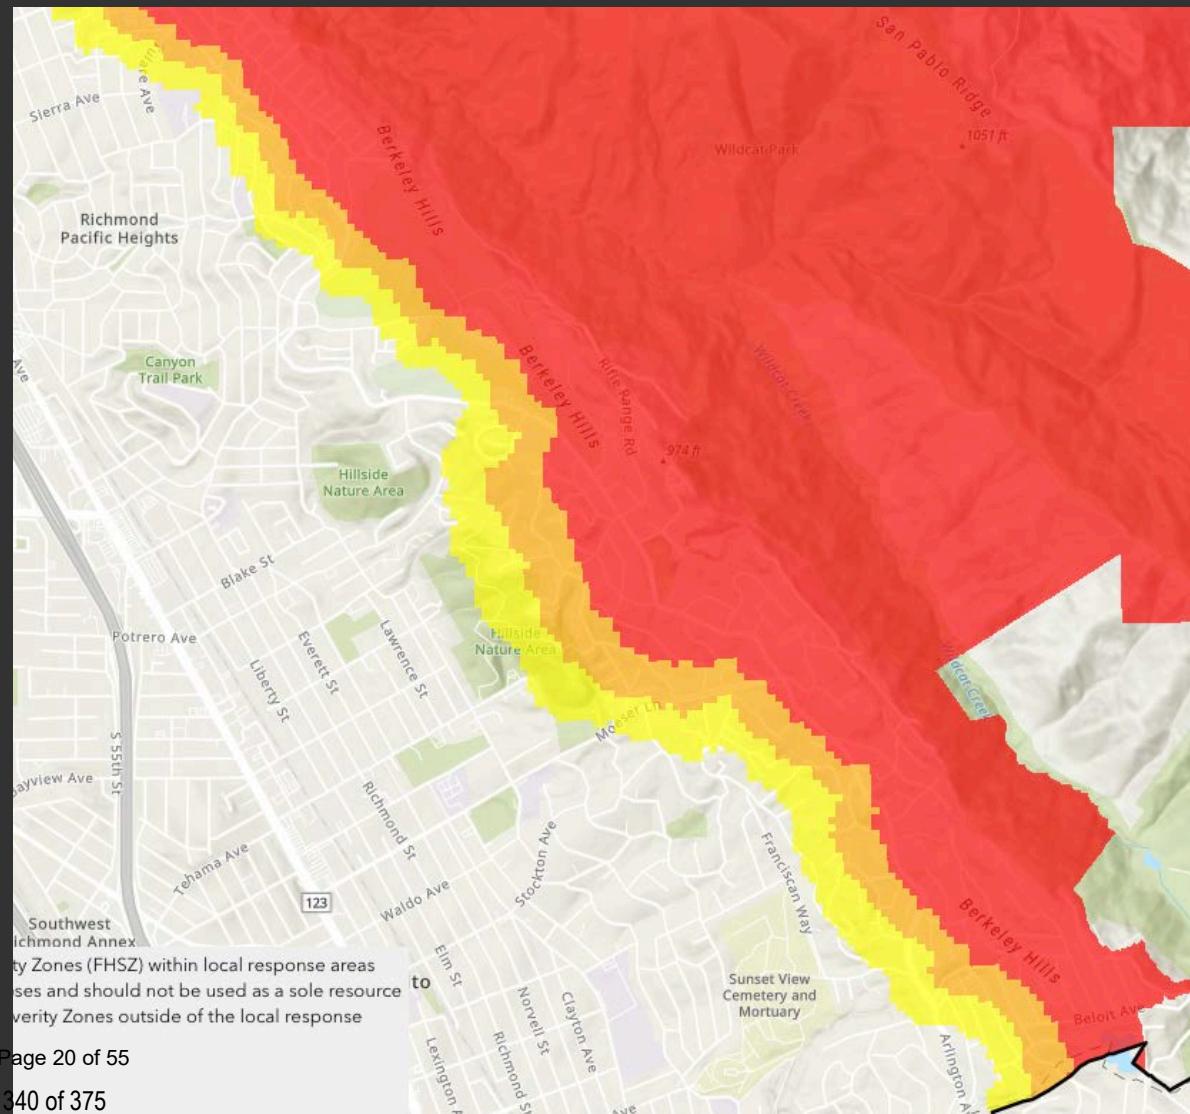

- Insurance Institute for Business & Home Safety (IBHS) Study (2021)

Wildfires in 2025

Name	Eaton Fire	Start Date/Time	2025-01-07	Incident Status	Active
Location	Near Altadena Drive and Midwick Drive, Altadena/Pasadena	Type	Wildfire	Cause	Under Investigation
Counties	Los Angeles	Administration Unit	Los Angeles County Fire Department		
Unified Command Agency(s)		Size	14,021	Containment	95%
Structures Threatened	55	Structures Destroyed	9,418	Structures Damaged	1,073
Civilian Injuries	9	Firefighter Injuries	17	Civilian Fatalities	Firefighter Fatalities

Fire Hazard Severity Zones Maps

- The maps are required by
 - Government Code 51178 & 51179
- Identify levels of fire hazard
- 3 levels (Moderate, High, & Very High)

Fire Hazard Severity Zones

How are the Zones determined?

- Best available science and data to develop
 - The model evaluated probability potential fire behavior in the area.
 - Fire history
 - Vegetation
 - Flame length
 - Proximity to wildland
 - Terrain

Fire Hazard Severity Zones

New Updates

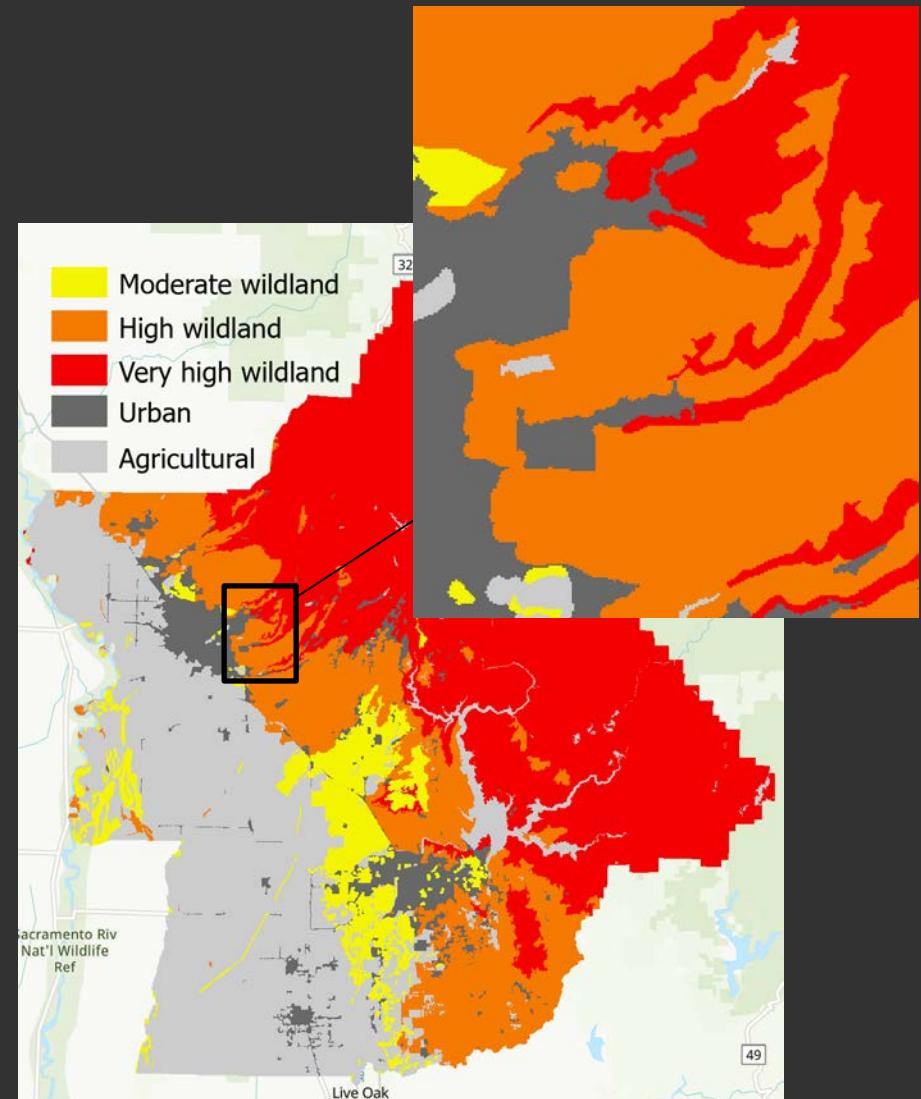

- Updated burn probabilities for wildland areas (inclusive of 2020 fires)
- Updated fire environment footprints (urban/developed)
- Updated Vegetation density for urban areas
- Inclusion of slope in the urban zoning model
- Localized fire weather used in both wildland and urban models
- New firebrand production and transport model using discrete local wind vector distributions

Fire Hazard Severity Zones

Wildland FHSZ

- Minimum size of 200 acres
- Burn probability
 - Based on fire occurrence from 1991-2020
- Fire intensity
 - Vegetation type
 - Slope
 - Local fire weather – how hot/dry/windy are the worst conditions at a given location
(based on 2 km data from 2003-2018)

Fire Hazard Severity Zones

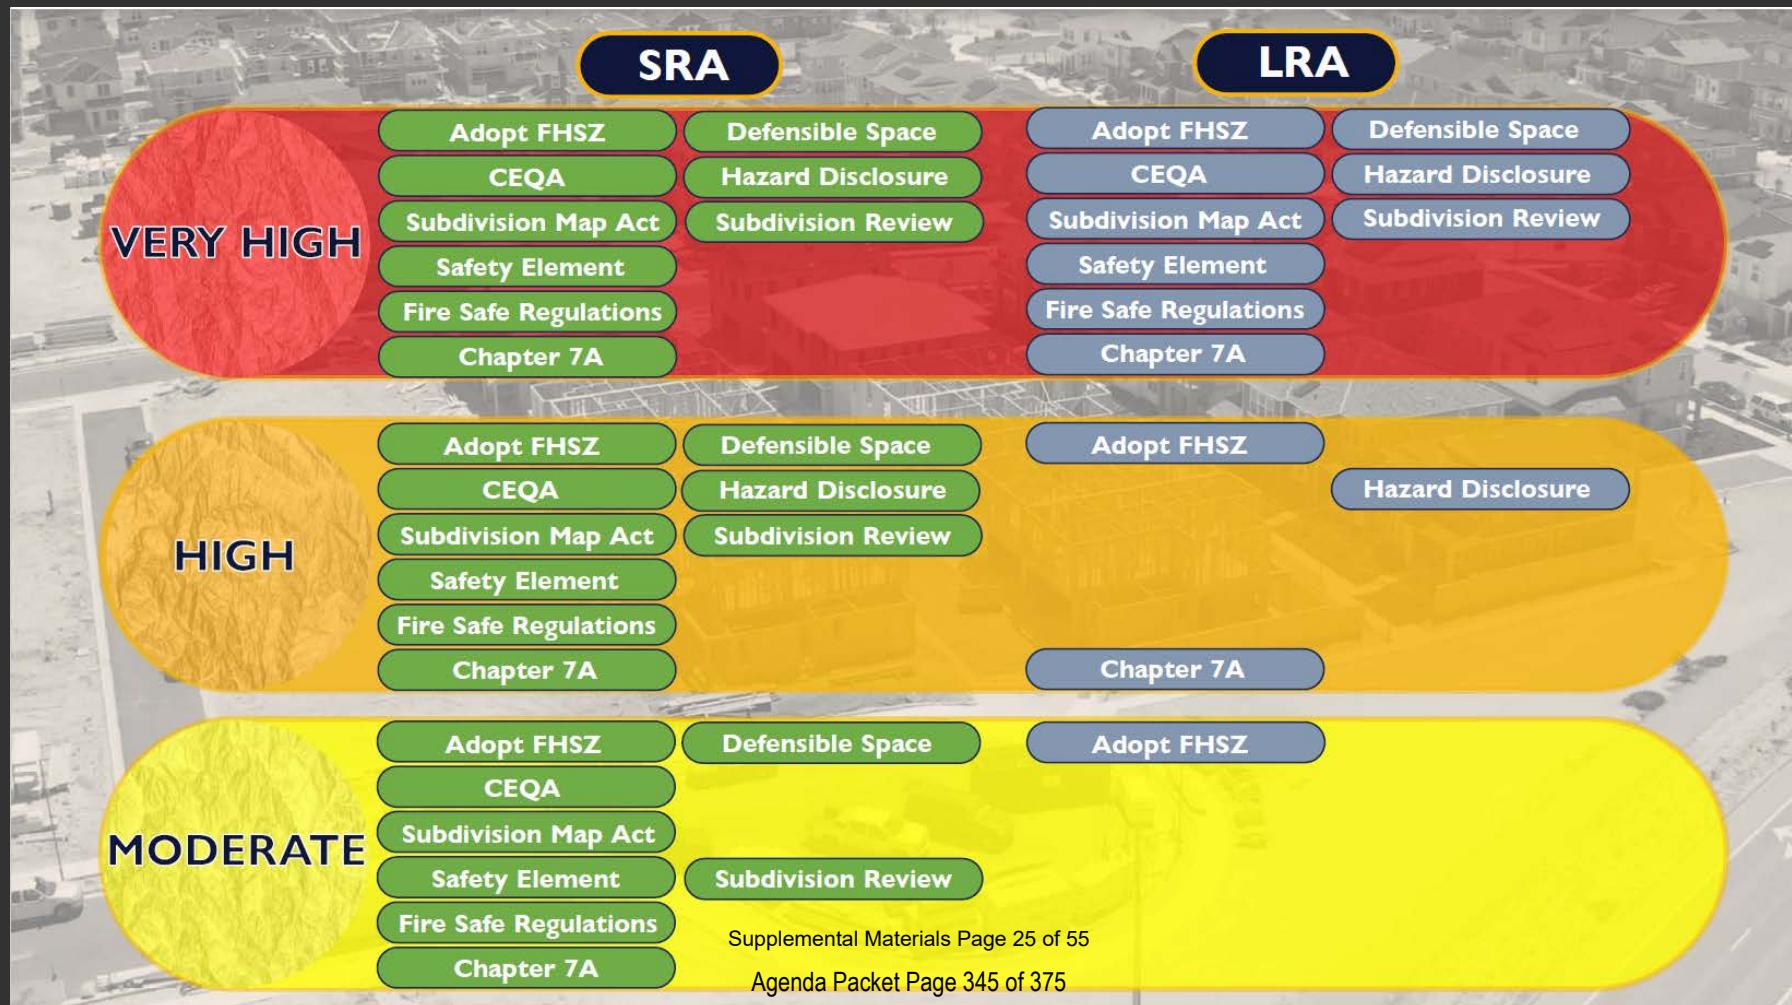

What is the map for?

- Building standards for new construction in the Wildland-Urban Interface (California Building Code Chapter 7A)
- Property development standards such as road widths, water supply and signage (Fire Safe Regulations)
- Defensible Space Requirements (Government Code 51182)
- Natural hazard real estate disclosure (AB 38)

Fire Hazard Severity Zones

What's Impacted...

Hazard Disclosures (AB 38)

- Requires inspections and disclosures for real estate transactions in wildfire-prone areas.
- Applies to real properties in High and Very High FHSZs.
- Requires sellers provide documentation
 - Disclosing the result of inspections
 - If the property complies with the vegetation management and home hardening requirements of Public Resources Code Section 4291 or local vegetation management ordinances.

	City of Los Angeles FIRE DEPARTMENT <u>CLEANED BY OWNER NOTICE</u>		 F-1307
APN:	XXXXXXXXXX	Passed Inspection Date:	03/26/2023
1st Inspection Date:	03/26/2023	Hazard Location:	
2nd Inspection Date:	N/A	Inspector Name:	Charles Elzie
Fire Station District:	56		XXXXXX

An inspector from the Los Angeles Fire Department reinspected your property. It was found to be compliant with Los Angeles Municipal Code 57.322, the Brush Clearance Ordinance.

Brush clearance is a year-round responsibility. If vegetation regrowth occurs, you may be required to perform additional brush clearance. If your property required more than two inspections prior to this letter being issued, a noncompliance fee will be assessed.

Please retain this notice for your records.

For information regarding the Brush Clearance Program, contact the Brush Clearance Unit at (800) 994-4444 or visit lafd.org/brush. To view the status of your property online, visit vms3.lafd.org.

We appreciate your cooperation in working with the Los Angeles Fire Department to make our city a safer place!

Comments:
N/A

Thank you.

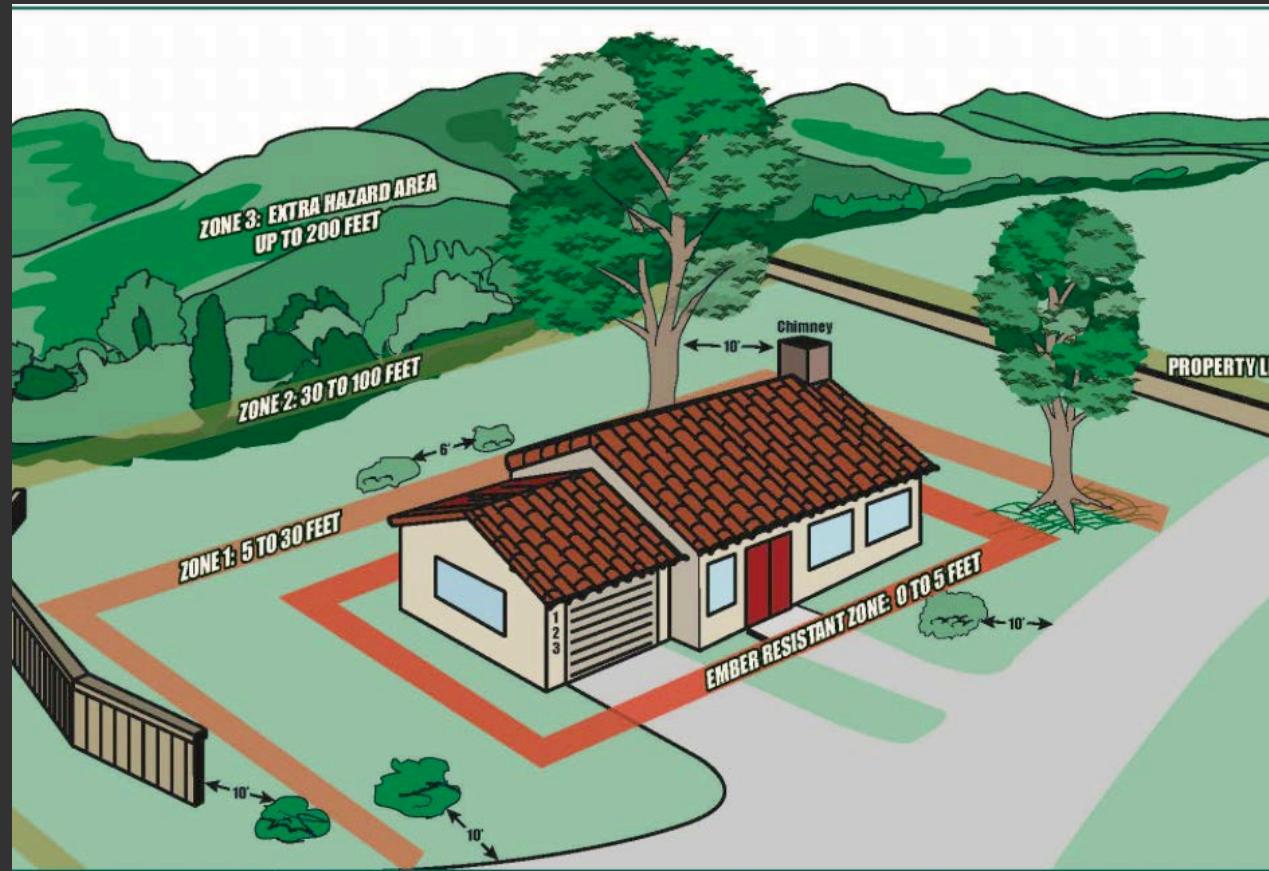

Hazard Disclosures (AB 38)

El Cerrito's current annual inspection require Vegetation management based on

- California Code of Regulations (CCR) Title 14, Section 1299.01
- Limited buy access

AB 38 requires a thorough inspection prior to sale to ensure the property meets the requirements

- Public Resources Code Section 4291
- Regulations in High and Very High FHSZs
- Full access to property

Certificate of Compliance

Formal document issued by the Fire Department

- Confirming property meets local and state wildfire requirements
- Inspection triggered by sale or by request, the department will issue either a:
 - Certificate of compliance or a valid for 90 days
 - Given to the homeowner's insurance company
 - Help homeowners maintain insurance and may qualify them for a discount on annual premiums
 - Written report detailing areas of noncompliance, which must be provided to a buyer of a property prior to its sale.
 - Inspections allow the homeowner understand any corrective actions needed to achieve a certificate of compliance.
- The Fire Department will maintain a database of inspected and certified properties.

Defensible Space and Home Hardening Inspections and Designating Fire Hazard Severity Zones

- Adopt Fire Hazard Severity Zones map
- Adopt AB 38 inspections
- Offer a Certificate Compliance
 - Promote Public Safety
 - Align with State Regulation
 - Assistance with Home Insurance

Questions?

osfm.fire.ca.gov/fhsz

The screenshot shows the CAL FIRE website's "Fire Hazard Severity Zones" page. The top navigation bar includes links for "ABOUT", "WHAT WE DO", "OUR IMPACT", "COMMITTEES", "RESOURCES", and "JOIN US". A search bar at the top right allows users to "Search safety information". Below the navigation, a breadcrumb trail shows the user has navigated from "Home" to "What We Do" to "Community Wildfire Preparedness and Mitigation" and finally to "Fire Hazard Severity Zones". The main content area features a large image of California with a map overlay showing fire hazard severity zones. A video thumbnail titled "The History of Fire Hazard Severity Zone Maps" is displayed, along with a link to watch it on YouTube. To the right of the video, a section titled "The History of Fire Hazard Severity Zone Maps" provides a brief description of how these maps originated from major fires and legislative response.

Subject: Agenda Item 8B
Date: Tuesday, June 17, 2025 1:39:18 PM

Caution! This message was sent from outside your organization.

Honorable Mayor, City Council Members,

We strongly urge you to adopt the ordinance contained in Item 8 B.

As all of you are acutely aware, wildfires have grown in ferocity and destruction. It is of the utmost importance for El Cerrito to do all it can to protect the residents' lives, property and therefore to protect the entire city. It is necessary for the city to be compliant with AB 38 and to have stronger building requirements and vegetation codes that align with the state.

Thank you,
Sue and Paul Duncan
EC Residents

Fiscal Year 2025-26

Proposed Budget

City of El Cerrito
El Cerrito Public Financing Authority

June 17, 2025

Supplemental Materials Page 32 of 55

Agenda Packet Page 352 of 375

El Cerrito Strategic Plan 2024-2029

- Budget process and recommendations guided by Strategic Plan
- Department workplans aligned to Strategic Plan goals
 - Detailed strategic alignment information for each department included in biennial budget document

Midcycle Budget Process – FY 2025-26

- Feb 4: FY 2023-24 Audit presented to City Council
- March 4: Mid-year update to City Council on Fiscal Year (FY) 2024-25
- April 15: City Council study session on General Fund for FY 2025-26
- May 20: City Council discussion and direction on one-time appropriations
- May 27: FAB Discussion of Proposed Midcycle Budget and One-time Appropriations
- June 3: Review of Proposed Midcycle Budget
- **June 17: Formal adoption of FY 2025-26 Budget**

All Funds

Proposed Budget All Funds, FY 2025-26

\$69,497,298

Revenue

\$74,859,180

Expenditures

All Funds Overview

- Increase in total expenditures of \$6,015,388 from the previous fiscal year, with total revenues projected to increase \$1,660,000
- Driven largely by Capital Improvement Program's proposed increase in expenditures of \$5,003,759, with an increase in revenue of \$1,620,000
- Otherwise, revenue and expenditure estimates for all “Special Funds” are per the Adopted Biennial Budget, except where minor revisions were needed due to timing of purchases or projects

Capital Improvement Program

- Five-Year CIP includes 33 Identified Projects
- FY 2025-26 includes 20 Active Projects
- FY 2025-26 Proposed Budget - **\$7.8 Million**
 - Includes:
 - Transportation Improvements
 - Greenway Improvements
 - Swim Center Repairs and Modifications
 - Storm Drain Repairs
 - Annual Street Improvement Program
 - Street and Sidewalk Access Improvements
 - Richmond Street Complete Streets

General Fund Budget

Proposed General Fund Budget, FY 2025-26

\$53,779,792

Revenue

\$53,764,017

Expenditures

Key Highlights for General Fund

- Second year of Biennial Budget
- No changes recommended to total General Fund revenues and expenditures
 - Proposed shifts among departments to ensure expenses do not exceed authority
- Little to no capacity for unbudgeted projects and initiatives
- Impacts to departments may change, with possible readjustments at midyear depending on economic conditions and revenue and expenditure trends in each department

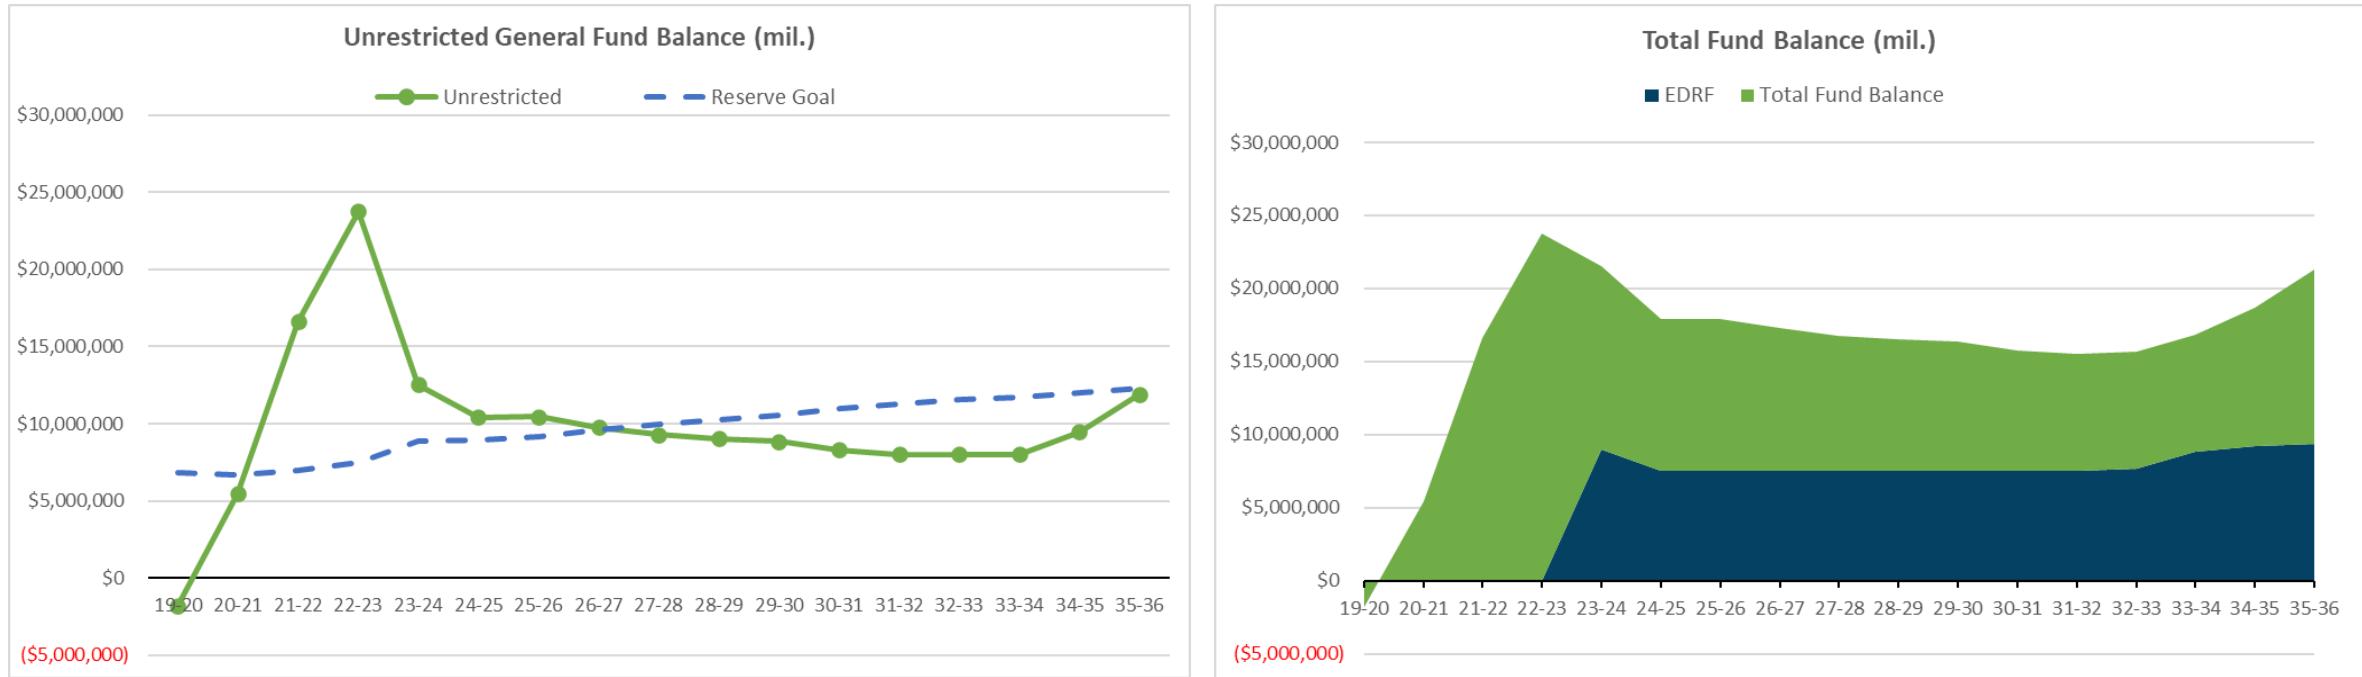

General Fund Balance

Fund Balance Projection		
FY24 General Fund - Total Fund Balance (actual)	\$	22,893,338
EDRF		(9,000,000)
Section 115		(1,372,890)
Non-Spendable		(126,751)
FY25 Original Projected Surplus		33,952
FY25 Approved adjustments:		
Expenditures		(1,437,907)
One-time use of fund balance		(1,000,000)
Revenues		310,535
Use of fund balance		(2,093,420)
Projected Total Ending FY25 Fund Balance		20,799,918
EDRF (Internally Restricted)		(7,500,000)
Section 115 (Restricted)		(2,900,161)
Non-Spendable		(126,751)
Projected FY25 Unrestricted Fund Balance		10,273,007
FY26 Expenditure Proposed Budget		53,764,017
FY26 17% Reserve Goal		9,139,883
Projected discretionary for FY26		1,133,124
FY 25 Projected Ending Total Fund Balance	\$	20,799,918
FY 25 Projected Total Reserve %		39%

- Projected Ending Fund Balance of \$20.8M (39% reserve ratio) includes:
 - EDRF - \$7.5M
 - Section 115 Trust - \$2.9M
 - Unrestricted – \$10.3M
- **Projected discretionary funds remaining for FY 2025-26 of \$1.1M**

- Doesn't include any potential surplus from FY 2024-25

General Fund Forecast – Updated May 2025

- Forecast includes:
 - Conservative revenue and expenditure growth assumptions
 - Labor increases from existing contracts and historic averages
 - Approval of \$1 million in one-time fund balance use/\$1.5 million EDRF transfer to Section 115 Trust
 - Forecast does not include:
 - Assumption of a recession
 - Section 115 Trust smoothing payments
 - Issuance of new debt or uses of fund balance
 - Equipment or vehicle purchases beyond those budgeted
 - Additional contributions to Internal Service Funds
- Supplemental Materials Page 41 of 55
Agenda Packet Page 361 of 375
- THE CITY OF
EL CERRITO

Proposed Budget Summary

The FY 2025-26 Proposed Budget:

- Reflects City Council priorities, including feedback from Biennial Budget process and input received during this current fiscal year
- Aligns with the City's Strategic Plan
- General Fund revenues exceed expenditures; doesn't use any reserves for ongoing costs
- Maintains unassigned General Fund reserves above 17%; with \$7.5M in EDRF the total General Fund reserve ratio is 39%
- Enables the City to continue providing key services without service delivery impacts, while making thoughtful decisions about long-term adjustments

Gann Limit

Gann Limit

\$195,961,530

Included in the recommended actions for adopting the FY 2025-26 Budget is the approval of the calculation and establishing the City's FY 2025-26 Gann Appropriation Limit

The California Government Code requires that the City adopt the Gann appropriations limit by resolution on an annual basis

Thank you!

I think the council needs to have a better understanding of budget projections.

Is it possible the city will fall below the minimal 17% reserves goal in the next fiscal year?

Management is projecting a surplus that is far below the 2% recommended by FAB. The budget proposal looks a lot like the pre-Covid budget that brought the city close to bankruptcy.

Why is the citywide budget going to run such a large deficit?
Almost all funds are decreasing.

Which “one-off” expenditures are accounted for and which are not?

1. Ohlone Greenway repairs
2. Senior Center
3. Fixing the roads
4. Full cost of swimming pool repairs
5. Full cost of fire engine replacement
6. Full cost of fire safety equipment replacement
7. Other fire safety needs
8. Increases in employee compensation

9. Increases in the CalPERS UAL pension liability
10. Realistic increases in employee compensation
11. New audio-visual for the council chambers
12. Other costs that will surely arise

Does the council know why the city plans on spending less in FY 2026 than it did in FY 2025?

EL CERRITO SWIM CENTER: EMERY G. WEED, III LAP POOL PROJECT DESIGN

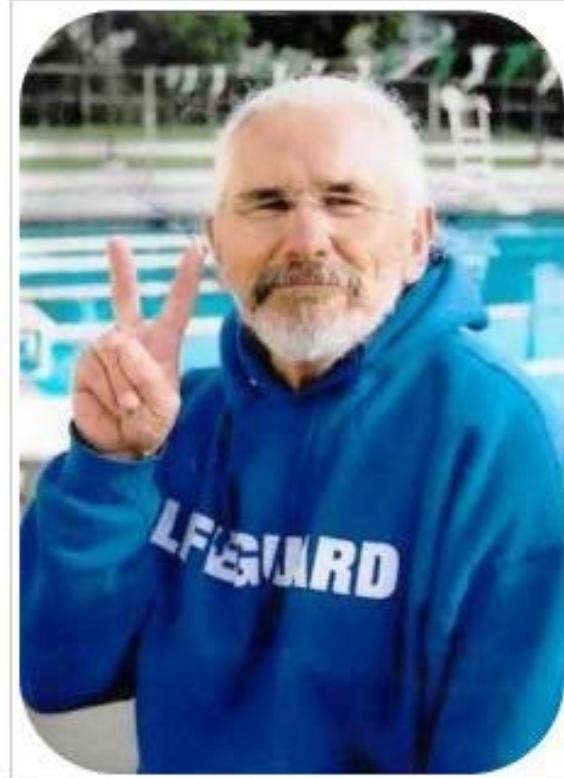

EL CERRITO CITY COUNCIL
TUESDAY, JUNE 17, 2025

Project Overview

- **Project:** Design of repairs and upgrades of the Emery G. Weed, III Lap Pool at the El Cerrito Swim Center.
- **Consultant:** Rogers Stringer & McClelland, Inc. (RSM).
- **Scope Includes:** pool replastering, deck replacement, accessibility and egress upgrades, EV charging infrastructure, and optional waterslide installation.
- **Compliance:** California Building Code, County Health, and applicable requirements including required accessibility and egress upgrades
- **Design contract** not to exceed \$220,000.

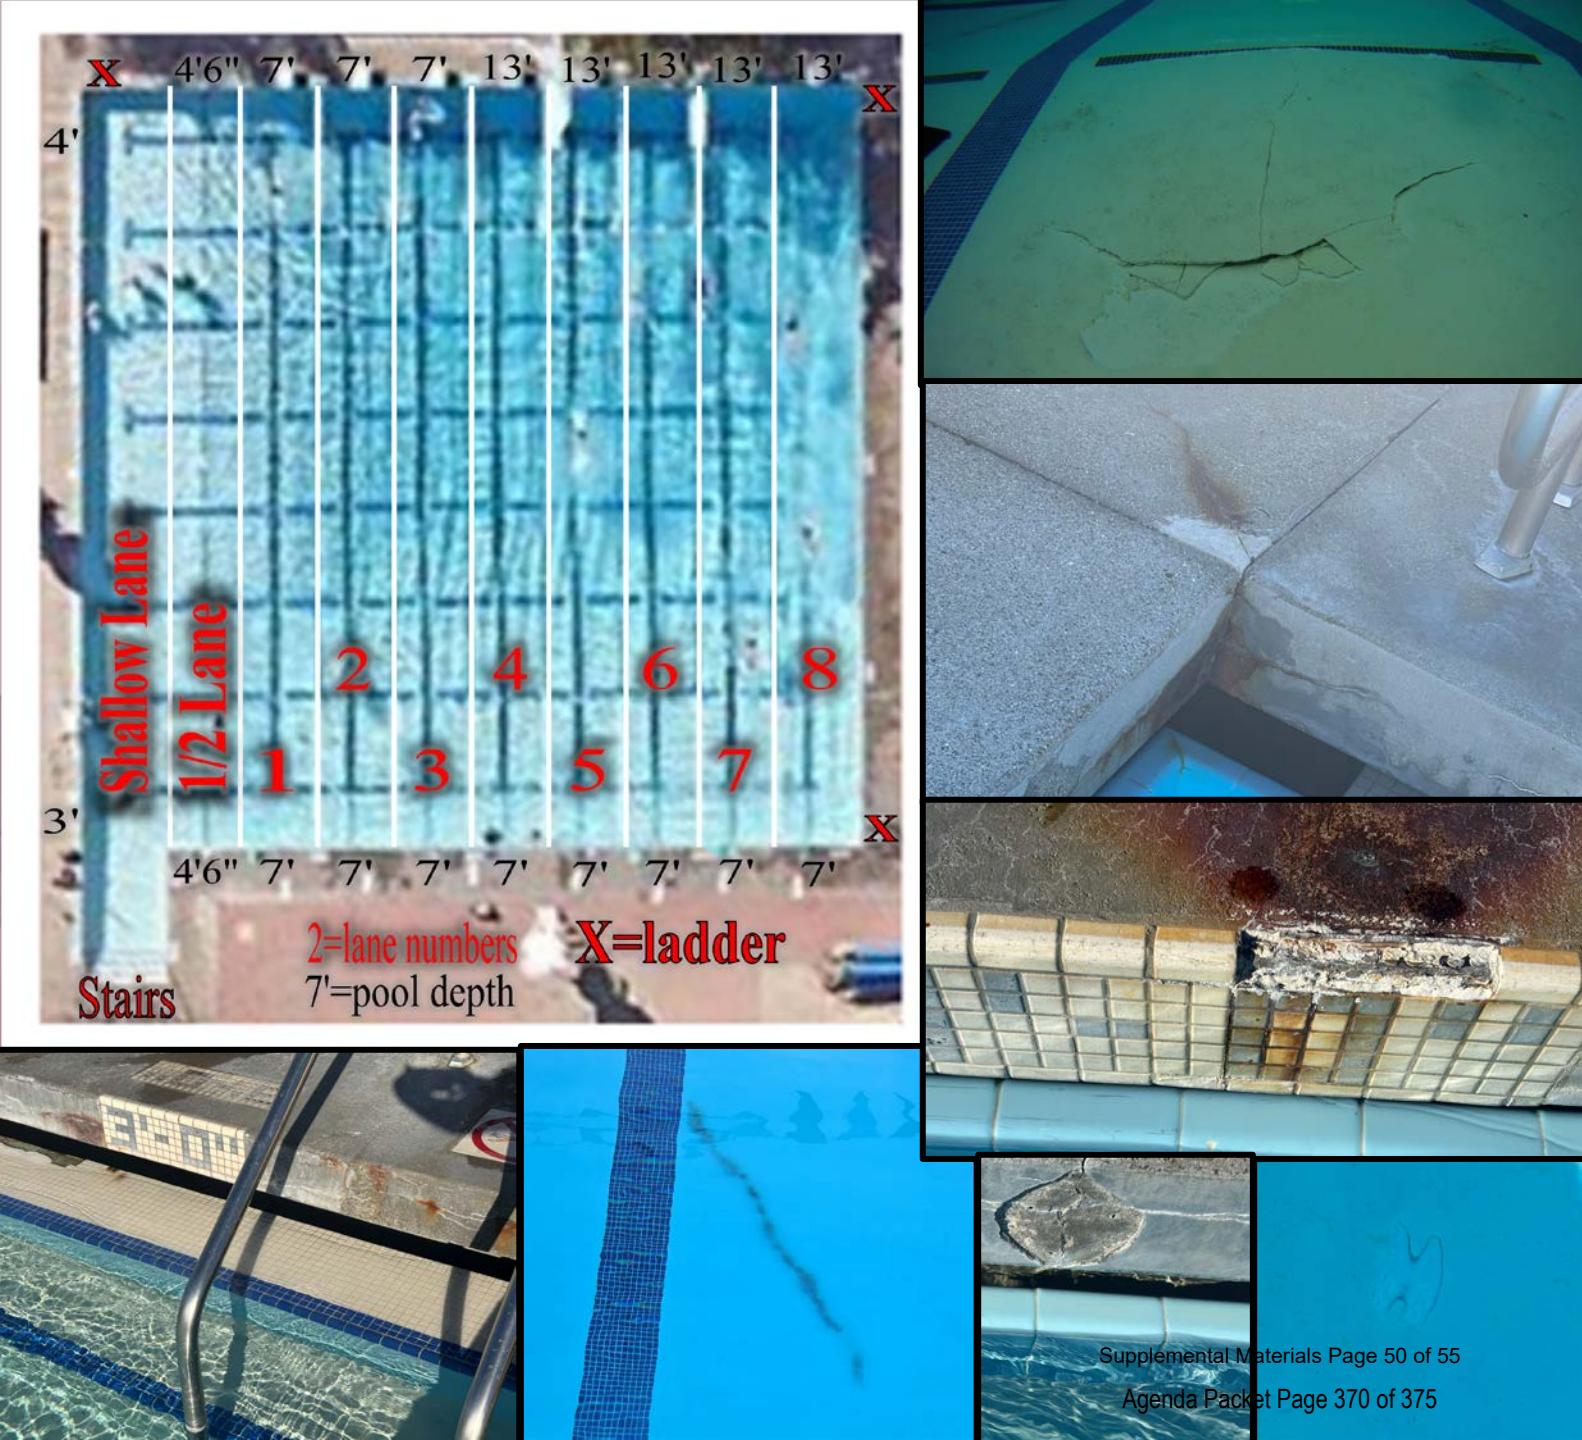

EMERY G. WEED III – 1941–2014

Rogers Stringer & McClelland, Inc. (RSM)

- Walnut Creek based Aquatic Design and Engineering Firm
- Successor company to Rowley International, Inc., the original architect of the 2003 El Cerrito Swim Center complete renovation
- Designed the El Cerrito Swim Center Recreation Pool Replaster Project in 2023
- Extensive El Cerrito experience gives strong understanding of how to update the current design to meet regulatory requirements
- RSM has identified design requirements, scoping options and cost estimates and is the process of conducting exploratory work to inform full design scope
- Staff recommends continuing with RSM for full project design to ensure a smooth and quick transition to construction
- RSM's continued involvement keeps possibility of construction timeline during ideal off-peak months

Identified Issues

- Severe plaster damage including a large bubble and multiple cracks.
- Deteriorating pool deck with cracks and rust.
- Accessibility and egress upgrades required by 2022 California Building Code.
- Opportunity to improve safety and family-friendliness by converting cantilever gutters to deck-level.
- Efficiency of incorporating EVSE charging infrastructure and integration of waterslide installation.

Proposed Design Scope

- Full pool and deck structural design and engineering.
- Accessibility upgrades (restrooms, showers, parking lot, path of travel).
- Egress improvements.
- Waterslide coordination and stormwater bioretention design.
- Optional elements, EVSE charging infrastructure design and deck-level gutters, can be removed to reduce costs.

Construction Options

FULL SCOPE (\$3.4 MILLION)

Advantages:

- Addresses all safety, accessibility, and infrastructure needs
- Cost-effective in the long-term

Disadvantages:

- High upfront cost
- Up to 5-month closure
- May need to be pushed to 2026 depending on County health permit review timeframe
- Requires significant & unidentified funding

REPLASTER ONLY (\$970,000)

Advantages :

- Fixes most pressing safety and functionality issue
- Lower short-term cost
- Short-term advantage of smaller closure timeline of 2 or 3 months which could be completed within the upcoming Winter/Off-peak Season
- Mostly funded

Disadvantages :

- Delays other upgrades creating future closures/revenue loss and higher long-term costs
- Does not address accessibility or egress requirements.
- Waterslide installation will have to be done separately at additional cost.

Revenue Impacts

Replaster Only

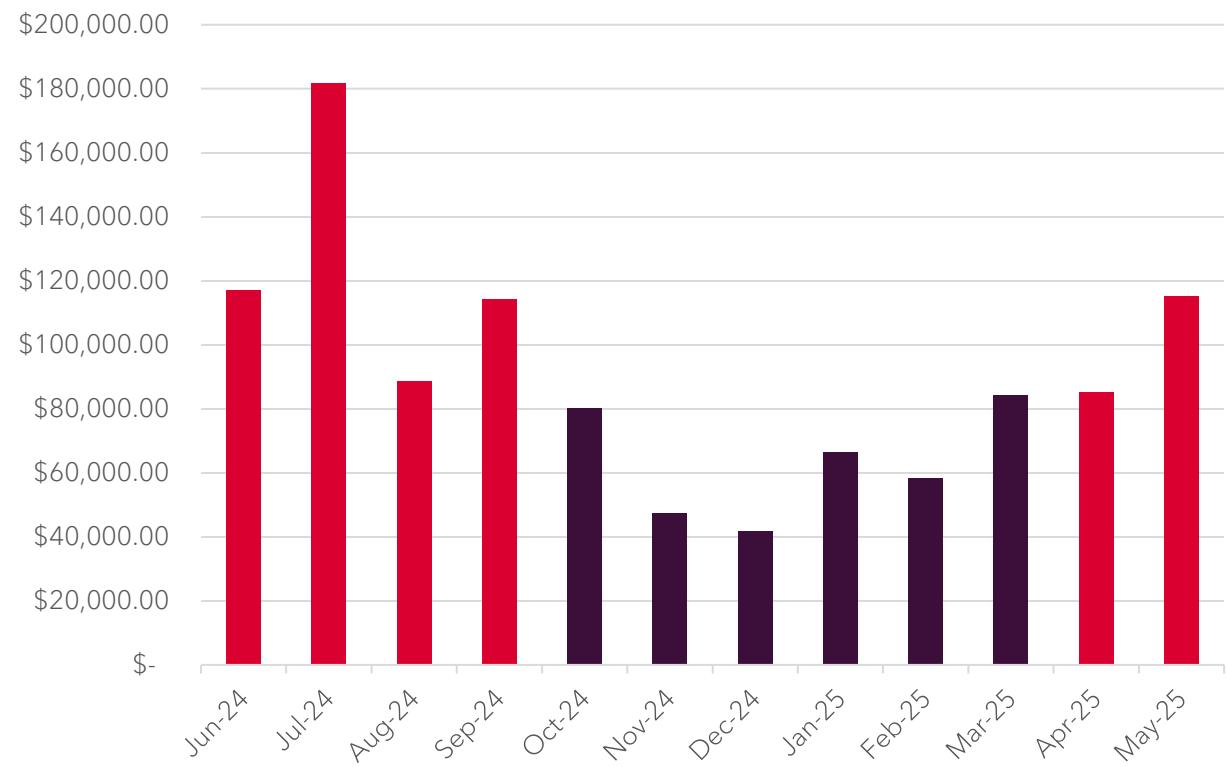

- Phase I:
 - Replaster work timeline is up to 3 Months
 - \$156,000 Revenue Loss, Nov. thru Jan.
- Phase II:
 - Deck, ADA, egress, EVSE & stormwater work timeline up to 4 Months
 - Additional \$215,000 (+ inflation) Revenue Loss, Nov. thru Feb.
- Total Revenue Loss: At least \$371,000 (+ inflation)

Full Project

- Up to 5 Months
- Up to \$290,000 in Revenue Loss, Mid-October through Mid-March
- Higher if construction timeline is pushed out further due to permit review

Partnerships with neighboring Swim Centers, TBD, can mitigate revenue loss.

Swim Center Revenue By Month
June 2024 - May 2025

Funding Considerations

Current Allocations:

- \$500,000 from General Fund Reserves.
- \$200,000 from Measure H (Parks & Recreation Facilities Fund).

Additional Needs:

- Full Scope: \$2.7 million more needed.
- Replaster Only: \$270,000 more needed.

Potential Sources:

- General Fund Reserves: unrestricted and/or Emergency Disaster Relief Funds (EDRF)
- Borrowing with interest (traditional or private)
- Borrow from City Enterprise and/or Special Funds
- Additional Measure H fund balance may be available after FY25 Close

Refined Options will be brought to the August 19th Meeting

Q & A

THANK YOU!
